# Welcome to the Stack's Bowers Galleries August 2023 Americas Sale

Stack's Bowers Galleries is pleased to present this catalog featuring banknotes of The Americas, showcasing exclusively impressive, rare, and historically significant notes from North, South, and Central America. This event will highlight many extraordinary collections: the Santiago Collection of Chile, the Cartwright and Mid-Continent collections of Canada, the Pedro II Collection of Brazilian proofs, and the Dr. Edward and Joanne Dauer Collection of East Caribbean States.

Anchoring the auction is the Santiago Collection of Chile, a true numismatic treasure trove. This collection presents an extensive array of rare proofs and specimens with many the sole examples certified by PMG. Among these exceptional pieces is the sought-after Banco Mobiliario 10 Pesos Specimen in 63 EPQ condition, a true gem for discerning collectors.

Our Canada section offers a remarkable selection from the Cartwright and Mid-Continent collections, featuring a rich assortment of Charter notes, Dominion notes, and banknotes from the Bank of Canada. Highlights include a BC-11 1935 \$25 note graded PCGS 66 PPQ, a BC-15 \$100 note graded PMG 67 EPQ, a BC-19 \$1000 note graded PMG 65 EPQ, and an 1898 Dominion of Canada DC-13a note graded PCGS 66 PPQ. A stunning selection from the Pedro II Collection features a wide array of Brazilian proofs that will attract attention and impress bidders.

The Dr. Edward and Joanne Dauer Collection of East Caribbean States stands as the most comprehensive public offering of East Caribbean notes to date. It encompasses numerous varieties for each Pick number, including some exceedingly rare replacements. The highlight of this section is an exquisite PMG 66 EPQ Pick 16f \$100 note, destined to be a prized addition to any collection.

Collectors will be delighted by a plethora of rare Bolivian notes, including the astonishing Serial Number 1 set from the 1900s Banco Industrial de La Paz (lot 40046). Moreover, the auction features an impressive grouping of notes from Venezuela, such as the incredible unlisted

Venezuelan Presentation Essays from the Banco Industrial de Venezuela (lot 40442). Other highlights include the incredibly preserved Costa Rica Banana Train consecutive notes found in back-to-back lots 40321 and 40322. Both notes have been graded Gem 65 EPQ by PMG, making them exceptionally desirable. An array of rare Colombian notes includes the Bono de Deuda Interna 100 Pesos in lot 40316, the Billete de Dos Unidades 50 Pesos Remainder in lot 40307, and the possibly unique unlisted 1875 10 Pesos from the Banco de Colombia in lot 40312.

Additionally, collectors will have the unique opportunity to bid on the incredibly rare and precious Unlisted West Indies 1 Dollar Queen Elizabeth II Printer's Design, which shares close similarities to the British Caribbean notes but features the West Indies place name (lot 40451). The auction will also feature many outstanding highlights from countries such as Peru, Cuba, the Bahamas, Guatemala, and Nicaragua, ensuring a diverse assortment for all attendees.

We invite you to explore the richness of the Americas' numismatic history and discover remarkable pieces that represent a significant part of the world's banking heritage. Thank you to our consignors for entrusting us with these exceptional treasures, making this event an exceptional celebration of numismatic excellence. Bidding is now open, and we invite you to secure some of these remarkable pieces for your collection.

This engraving features four large ships in harbor with the coast running East-West, whilst non-A prefix notes have 10 ships on the back with the coast on both sides running North-South. A good opportunity for the advanced collector to acquire this sought after piece. This will be our first public offering of this variety.

**BAHAMAS. Lot of (2). Bahamas Government. 5 Dollars, ND (ca. 1965). P-Unlisted. Front & Back Archival Photographs. PMG Choice Uncirculated 64 & Gem Uncirculated 65 EPQ.** These photo proofs serve as a tangible record of ‘what might have been,’ steering us off the well-trodden path of the issued design.

The reverse photo proof features a poised Bahamian guard positioned outside an official building, potentially the Presidential residence or Parliament. However, the true highlight is the obverse photo proof that presents a strikingly rare portrait of a youthful Queen Elizabeth. She is adorned with an elegant tiara and necklace, gazing left.

This portrait of Queen Elizabeth and unfinished design lends immense intrigue to this lot. It does not appear on any other global banknotes, suggesting that we are dealing with a preserved piece of an alternative numismatic history.

These photo proofs, typically a part of the design process where physical photographs were taken to record the stages of the note’s evolution, provide a rare peek into the pre-production stages of the banknote. They represent not just a rarity, but a tangible piece of numismatic history.

# Incredible Serial Number 1 Bolivian Set

Lot 40046

**40046**

**BOLIVIA. Lot of (5). Banco Industrial de La Paz. 1, 5, 20, 50 & 100 Bolivianos, 1900. P-S151a, S152a, S154, S155 & S156. Serial Number 1's. PMG Extremely Fine 40 to About Uncirculated 55.** Up for auction are five absolutely phenomenal gold bank notes from Bolivia, Banco Industrial de La Paz, dated 1st June 1900. This is an incredible opportunity! Each note bears the SERIAL NUMBER #1, creating a complete type set excluding the 10 Bolivianos denomination. These notes are fully signed, hand-written, and perforated "Pagado," clearly indicating their issuance and presentation on the opening day. Speculation suggests that due to unforeseen circumstances, the shipment of the 10 Bolivianos was delayed or lost, causing it to miss the opening ceremony.

Each type from this bank is highly sought after, with increasing rarity or impossibility as the denominations ascend. Notably, the highest three types are listed as unissued. According to PMG, the 1 Boliviano is graded as "AU 55 with presentation annotations, cancelled" (the best of only four issued examples in the population report). The 5 Bolivianos is graded as "AU 55 with presentation annotations, cancelled" (the only issued example in the population report). The 20 Bolivianos is graded as "AU 53 with presentation annotations, cancelled" (the only issued example in the population report). The 50 Bolivianos is graded as "AU 50 with presentation annotations, cancelled" (the only issued example in the population report). Lastly, the highest denomination of 100 Bolivianos is graded as "XF 40 cancelled" (the only issued example in the population report). PMG notes that all notes are "cancelled" and have "presentation annotations," adding to their historical significance.

Don't miss this extraordinary opportunity to acquire these remarkable notes from Banco Industrial de La Paz, which hold immense value and rarity. Alongside the offered notes, please note that proof notes and specimen notes of Banco Industrial de La Paz and Banco Industrial in the mentioned denominations have been discovered since 1990, but they are distinct from the unique issued notes.

It is worth mentioning that the online catalogue [BoliviaNumismatica.Blogspot.Com](http://BoliviaNumismatica.Blogspot.Com) features the same Number One notes mentioned previously.

The Central Bank of Costa Rica in their money museum has two sets of commercial bank's Number One notes, the initial notes issued for two Costa Rican banks. This raises the question, apart from these two and some single Number One cancelled Brazil notes, has anyone seen a full Number One set from the entirety of Latin America?

## Rare 4 Dollar Note Pop 2/2 Finer

40169

**CANADA. Dominion of Canada. 4 Dollars, 1882. DC-10. PMG Very Fine 30.** Printed by BABN. Printed signature of J.M. Courtney at right. Penned signature at left. A sensational new discovery for this wildly popular type. This iconic 4 Dollar was the first of its denomination to be printed by the Dominion Government, as issuance of notes less than 5 Dollar by chartered banks was prohibited after 1880. Just 1.2 million of these were produced, and they remain sought after by collectors and are seldom seen in grades Very Fine or higher. Central portrait vignette of Marquis de Lorne (4th Governor General of Canada, John Campbell, 9th Duke of Argyll). Great Seal of Canada at right in a red-orange color. At left, ornate four counter in olive ink. Found on the reverse is "Dominion of Canada" in front of a large "4" at center, with counters in each corner. Typical beautiful lathe work, as found on other notes of the era compliments of the British American Bank Note Company in a dark forest green color. This is the finest example of this popular denomination that we can recall handling publicly, and it is sure to command a premium. Bid accordingly, as notes of this caliber seldom appear on the market. PMG Pop 2/2 Finer.

CANADA. Dominion of Canada. 5 Dollars, 1924. DC-27. PMG Very Fine 25. Printed by CBNC. C.E. Campbell and W. Sellar signature combination. This issue, featuring a formal portrait of Queen Mary, offers an interesting history. Although the plates were prepared in 1924, and the note is dated May 26th in honor of the Queen's birthday, there was so little need for Dominion \$5 bills that printing for this issue did not commence until 1931. When finally printed, they were stored until 1934, when they finally entered circulation, just in time to be replaced by the 1935 Bank of Canada issue, which marked the withdrawal of the Dominion notes.

## Incredibly Preserved Gem 1920 \$1

40260

**CANADA-NEWFOUNDLAND. Government of Newfoundland. 1 Dollar, 1920. NF-12d. PCGS Currency Gem New 66 PPQ.** Printed by ABNC-Ottawa. Signature combination of Renouf and Brownrigg. A catalog number which is surely missing from most collections in this grade level. The Newfoundland Treasury Notes of 1920 were issued to deal with a shortage of silver coin (precipitated, as with Charlton notes, by the withdrawal of the cash notes) at a time when the price of silver was very high on world markets. By 1939, about 99% of the total amount of these notes printed had been redeemed and destroyed. Thus surviving examples are already scarce, but usually available in the VF range. The notes get exceedingly rare north of EF, and are even more difficult to find when in search for a Gem example.

Seldom offered in this grade level, especially as a pair. In 1991, the directors of the Central Bank of Nicaragua approved the emission of 5 million of both the 500 and 1000 Cordobas. The firm Harrison & Sons Limited was awarded the contract to print these notes, and delivered them to the Central Bank, However, these notes were never issued into circulation, reportedly due to concerns that the high denominations could spark fears that the Government anticipated a return to the inflationary period of 1989-90 where a revalued Cordoba was introduced. The Government thus ordered these 500 and 1,000 Cordobas notes to be incinerated, but clearly there were a few that did not suffer that fate. An excellent opportunity for collectors seeking these catalog numbers.

## Iconic 1864 10 Soles

40432

**PERU. Banco la Providencia. 10 Soles, 1864. P-Unlisted. Remainder. PMG Choice Uncirculated 63.** La Providencia General Stock Company of Peru was founded on November 15, 1862, during the tenure of General Miguel de San Roman as the government's head. Initially, the bank had a capital of 500,000 Pesos, but the details regarding the issuance of vouchers are unknown. In early 1863, the bank started operating by increasing its capital to 2,000,000 Pesos. In July of the same year, it issued additional 100,000 Pesos in 5-peso bills.

During that same year, President Miguel de San Roman introduced the monetary unit called the "Sol." In response to this, the bank issued a second set of bills where the new denomination was in soles, but their equivalent value in Pesos was also indicated. For example, 20 Soles were equivalent to 25 Pesos, 40 Soles equaled 50 Pesos, 80 Soles were equivalent to 100 Pesos, and 400 Soles were equivalent to 500 Pesos.

This iconic type belongs to one of the most sought after Peruvian issues, and is a crucial piece for any Peruvian collector. This treasure is equally important to a general Latin America collector as it's place in banking history is unmatched by the majority of other issuers. A stunning watermark of PERU 1863 seen on the bottom. PMG Comments "Previously Mounted."

## VENEZUELA

## Incredible Unlisted and Unique Venezuelan Presentation Essays

40442

**VENEZUELA. Lot of (6). Banco Industrial de Venezuela. 10, 20 & 100 Bolívares, ND. P-Unlisted. Front & Back Essays.** Printed by TDLR. 3 Booklets Each with a Front and Back essay mounted within thick leather binding. The front of the books read "BANCO INDUSTRIAL DE VENEZUELA" with Diez, Veinte, or Cien Bolívares for each respective denomination. The notes themselves are an absolute work of art, showcasing the talents of TDLR. The 10 Bolívares in Orange, and the 20 Bolívares in green. Both denominations showing a city scene containing a train, plane, palm trees, buildings and mountains on the front. The Brown 100 Bolívares has a vignette of Oil Derricks at center. All three notes show with seated allegorical figures on each side. Some toning on the pieces due to age, and given the pieces are put together by hand there are minor areas with tiny details off-center or missing.

We know so little about the paper money printing of this bank, as it is completely unreferenced in both the SCWPM and the Rosenman reference book. In 1937, the BIV was founded with a funding structure consisting of 60% state investment and 40% private capital. On February 4, 1938, the BIV commenced its operations, providing a range of financial products and services. It served as the regulatory authority for the financial sector and played a significant role in developing and financing the industrial sector, particularly in the provision of loans for personal and corporate banking. However, in an effort to restructure and optimize the performance of the public banking sector, the government announced the discontinuation of operations and financial intermediation activities of Banco Industrial de Venezuela.

## WEST INDIES

### Incredibly Rare West Indies QEII Dollar

40451

**WEST INDIES. Currency Board. 1 Dollar, 1957. P-Unlisted. Front Printer's Design. PMG Gem Uncirculated 65 EPQ.** The West Indies Federation was an internally autonomous state of 10 total provinces that were British colonies. In 1956 the British Caribbean Federation act was passed and the official date of formation, January 1958, was set by an order in council proclaimed in 1957. It lasted until May of 1962. This particular Printer's Design from Bradbury Wilkinson seems to have been submitted in 1957 using the exact same design of the British Caribbean Territories issue with exception to West Indies replacing British Caribbean Territories on top. Ultimately the design was never issued, and it remained a British Caribbean Territories issue until the Eastern Caribbean issue of 1965.

# Terms & Conditions – Showcase and Collectors Choice Auctions

1. Auction Basics. This is a public auction sale (“Auction Sale”) conducted by bonded auctioneers, Stack’s Bowers Galleries or Stack’s Bowers and Ponterio (hereinafter referred to as “Auctioneer” and at times as “Stack’s Bowers”). Bidding in this Auction Sale constitutes acceptance by you (“Bidder”) of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack’s Bowers (“Consignor” or “Consignors”). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer’s Premium charged to all other Buyers. Stack’s Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack’s Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor’s direction, or pursuant to contractual agreement, Stack’s Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack’s Bowers and its affiliates may bid for their own account at any auction. Stack’s Bowers and its affiliates may have information about any lot that is not known publicly, and Stack’s Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack’s Bowers and its affiliates are not required to pay a Buyer’s Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve (“Reserve”). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack’s Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins, currency and cryptocurrency tokens in this Auction has been determined by independent grading services, and those that are not may be graded by Stack’s Bowers. Grading of rare coins, currency and crypto tokens is subjective and, even though grading has a material effect on the value of the coins, currency and cryptocurrency tokens, grading may differ among independent grading services and among numismatists. Stack’s Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack’s Bowers and lot descriptions are based solely upon an examination of the coins, currency and cryptocurrency tokens and are intended to identify coins, currency and cryptocurrency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack’s Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest half or full increment and this rounded bid will be the bidder’s high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer’s decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder’s protection, no “unlimited” or “buy” bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without

a parent’s written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent (“Floor Bidders”) should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale (“Telephone Bidders” and “Live Internet Bidders”). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack’s Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK’S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack’s Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer’s Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of \$20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the “Buyer’s Premium”). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer’s Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer’s hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the “Default Date”), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars or Hong Kong Dollars. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer’s invoices will be credited with the amount of U.S. Dollars at the rate established by the Auctioneer at the time of the Auction Sale. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier’s check. Cash transactions will be accepted in the sole discretion of Stack’s Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack’s Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, Mastercard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack’s Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack’s Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney’s fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack’s Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance

of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have

all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Stack's Bowers, in its sole discretion, may not ship to select countries. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the country where the auction is hosted, the declaration value shall be the item(s) hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the country where the auction is hosted. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AND PROVENANCE OF A LOT.

a. COINS, CURRENCY AND CRYPTOCURRENCY TOKENS LISTED IN THIS CATALOG AS GRADED AND ENCAPSULATED BY PCGS, NGC, ANACS, ICG, PCGS CURRENCY, PMG, PCGS BANKNOTE GRADING, CMC OR ANY OTHER THIRD PARTY GRADING SERVICE ARE SOLD "AS-IS" EXCEPT AS EXPRESSLY SET FORTH HEREIN AND MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER. ALL THIRD PARTY GRADING SERVICE GUARANTEES, INCLUDING AUTHENTICITY, ARE THE SOLE RESPONSIBILITY OF THE THIRD PARTY GRADING SERVICE AND NOT WARRANTIES OR GUARANTEES OF THE AUCTIONEER. BUYERS SHOULD CONTACT THESE THIRD PARTY GRADING SERVICES DIRECTLY WITH RESPECT TO ANY CLAIMS OR QUESTIONS THEY MAY HAVE CONCERNING THEIR GUARANTEES AND WARRANTIES. BUYERS ACKNOWLEDGE AND AGREE THAT AUCTIONEER IS NOT BOUND BY OR LIABLE FOR ANY OPINION OR CERTIFICATION BY ANY THIRD PARTY GRADING SERVICE.

b. In the case of non-certified coins, currency and cryptocurrency tokens that have neither been examined by the Buyer prior to the Auction Sale, nor purchased by the Buyer or Buyer's agent at the Auction Sale, if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin, currency, or cryptocurrency token such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence. Non-certified coins, currency and cryptocurrency tokens that have been either examined by the Buyer prior to the Auction Sale or purchased by the Buyer or Buyer's agent at the Auction Sale, will not be granted return privileges, except for authenticity.

## Terms & Conditions – Showcase and Collectors Choice Auctions (cont.)

c. All non-certified coins and currency are guaranteed to be genuine.

d. All certified and non-certified cryptocurrency tokens are guaranteed to be genuine only. Auctioneer disclaims any guaranty of any kind with respect to cryptocurrency tokens, including, but not limited to: face value, the contents or existence of any accounts, wallets, or other physical, digital or other receptacles of value, the existence of a cryptographic private key, or the ability to fund any cryptocurrency. Actual cryptocurrency value is neither confirmed nor guaranteed by Auctioneer.

If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.

e. Late remittance or removal of any item from its original container or third party graded holder, or altering a coin constitutes just cause for revocation of all return privileges.

f. Grading or condition of rare coins, currency and cryptocurrency tokens may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

g. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

j. Bidders shall have no recourse against the Consignor for any reason whatsoever.

k. Bidder acknowledges that the numismatic and cryptocurrency token market is speculative, unregulated and volatile, and that prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

l. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity

of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY"

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

14. Chinese Translation. The Chinese translations are provided as a matter of convenience. In the event of a conflict, all English Terms and Conditions and lot descriptions take precedence and are binding.

Bidding in this auction sale constitutes unconditional acceptance by the Bidder of the foregoing Terms of Sale.

Please note: Transparent holders in which the auction lots are stored are to facilitate viewing and inspection of the lots and ARE NOT for long-term storage.

PCGS and NGC numbers provided are for bidder convenience only, we do not guarantee their accuracy. An incorrect PCGS or NGC number is not grounds to return a lot.
