# The American Eagle At Dusk and At Dawn 35th Anniversary Coins

First released to the public in 1986, the American Eagle Bullion Coin series has become one of the most popular and successful modern issues produced by any of the world's mints. Prized by both bullion investors and numismatic collectors, the America Eagle series is considered the United States Mint's signature product and offers an homage to the greatest classic U.S. coin designs of the 20th century.

To celebrate the 35th Anniversary of the series, the United States Mint launched new reverse designs and refreshed obverse designs for both the Gold and Silver series. The final 500 coins each from the classic gold and silver design and the first 500 each of the new gold and silver designs were struck, resulting in 2,000 coins of utmost historic importance, designated the American Eagle At Dusk and At Dawn 35th Anniversary Coins.

Stack's Bowers Galleries is proud and honored to offer these historic Dusk and Dawn transitional coins exclusively through our Summer 2022 Showcase Auction, with Live bidding taking place on Thursday, September 1st. We expect that they will excite and inspire both collectors and investors just as the American Eagle Series did upon its launch nearly four decades ago.

These special 35th Anniversary coins have been graded and encapsulated by the leading grading services NGC and PCGS with custom labels to recog-

nize their historic significance. These coins will be auctioned primarily in lots containing special four-coin sets that include one each of the classic gold and silver eagle 1-ounce coins and one each of the new gold and silver 1-ounce coins. In these sets, the first coins struck of the new designs have been paired with the final coins struck of the classic design and this pairing format was maintained throughout.

Similar auction lots are also offered featuring one each of the classic and new designs in gold or silver. These two-coin sets maintain the same paired striking order as the four-coin sets and are ideal for collectors focusing solely on either the American Gold Eagle or American Silver Eagle series.

Select coins of particular significance are presented in individual lots in the auction, including the very first and last coins struck of each type. These historic first and last few each represent a milestone in the history of the United States Mint and will serve as a trophy in an advanced collection of this category.

A Certificate of Authenticity relating to the significance of these coins will be included with each coin or coin set purchased.

#### **AMERICAN GOLD EAGLES**

The American Gold Eagles were introduced as part of the Gold Bullion Act of 1985, which was passed by Congress in December of that year. The Act authorized production of gold coins in both Bullion and Numismatic formats in a range of weights from 1/10 ounce to a full 1 ounce. The flagship 1 ounce coin was required to be "A fifty-dollar gold coin that is 32.7 millimeters in diameter, weighs 33.931 grams, and contains one troy ounce of fine gold." These specifications have remained unchanged nearly four decades later. The original obverse featured a modified version of the famous torch-bearing Liberty design created by sculptor Augustus Saint-Gaudens for use on the \$20 double eagle beginning in 1907. The original reverse featured an inspiring Family of Eagles design by sculptor Miley Busiek Frost. The American Gold Eagles were produced at the Philadelphia and West Point Mints beginning in September 1986 and were first released to the public in October. Over the following decades, they gained incredible popularity from both bullion investors and numismatic collectors who appreciated their artistry and remarkable rarity for certain dates and finishes.

To celebrate the 35th Anniversary of the Gold Eagle series in 2021, the United States Mint selected a new reverse design by Artistic Infusion Program (AIP) artist Jennie Norris and sculpted by Mint Medallic Artist Renata Gordon. This new reverse features a stunning rendition of the head of an American bald eagle facing left. For the obverse, United States Mint artists revisited the sculptural models used in the creation of the first coins in 1986, allowing them to create refreshed designs that are even more faithful to Saint-Gaudens' original work. The new design is struck with special anti-counterfeiting features.

#### **American Silver Eagles**

The American Silver Eagle Series was established by the Liberty Coin Act which was passed by Congress in June 1985 and signed into law by President Reagan shortly after in July. This act specified the exact specifications of the coins including a diameter of 40.6 mm and a composition of one Troy ounce (31.103 grams) of .999 fine silver. It required certain design features including a depiction of Liberty on the obverse and an eagle on the reverse. The Act also stipulated that the coins should "have inscriptions of the year of minting or issuance, and the words 'Liberty,' In God We Trust, 'United States of America, '1 Oz. Fine Silver', 'E Pluribus Unum', and 'One Dollar'; and have reeded edges."

For the obverse, an adaptation of Adolph A. Weinman's famous Walking Liberty design was used, first featured on United States half dollar coins from 1916 through 1957. The reverse displayed an inspiring Heraldic Eagle design by then-Mint engraver John M. Mercanti, who would go on to be appointed Chief Engraver in 2006. The silver was to be sourced from the National Stockpile and the first coins were struck at the San Francisco Mint in October 1986. For most of the first decade, production was shared by the San Francisco Mint and the Philadelphia Mint, which struck the Numismatic and Bullion formats, respectively. Beginning in 1995, the West Point Mint was used intermittently to produce special issues and had largely replaced the San Francisco Mint for Numismatic coins beginning in 2000. The first 1995 issue with the "W" mintmark is considered a key-date in the series with some examples selling for as much as \$86,000 at auction.

In recognition of the 35th Anniversary of the Silver Eagle series in 2021, the Mint adopted a new reverse design by AIP artist Emily Damstra and sculpted by Mint Medallic Artist Michael Gaudioso. As with the Gold Eagle series, the Mint revisited their historical assets to create a refreshed obverse design that is even more faithful to Adolph A. Weinman's original Walking Liberty design. The new design type also includes special anti-counterfeiting features.

# The West Point Mint

The West Point Mint was originally established in 1937 as the West Point Bullion Depository. It was intended as a storage facility primarily for silver bullion and earned the nickname "The Fort Knox of Silver". Located in the town of West Point, New York, the Mint is located just north of the United States Military Academy of the same name. The area had long been a strategic location for the United States, serving as military outpost beginning in January 1778 and it has been occupied by the United States Army continuously since. During World War II, the Depository loaned silver to the Atomic Energy Commission, as well as other industries and allies pursuant to the Lend Lease Act of 1941. The facility did not begin producing coins until 1973, when it was used to strike Lincoln cents to alleviate the production burden of the Philadelphia Mint. Beginning in 1976, it also struck Washington quarters that commemorated America's Bicentennial. The now-famous "W" mintmark was introduced on \$10 gold coins struck in 1984 to commemorate the Los Angeles Olympics that year. This coin was the first United States legal tender gold coin that had been minted since 1933. The West Point Mint also started producing Numismatic American Gold Eagles at the inception of the series in 1986.

Up until this point, West Point was still not an official Mint of the United States. Only the facilities in Philadelphia, PA and Denver, CO were officially designated for striking coins. The facility in San Francisco, CA had been technically operating as an "assay office" since 1962. This changed in March of 1988 with the passing of Public Law 100-274, which declared the "assay offices" of San Francisco and West Point as official Mints. The West Point Mint continued striking American Gold Eagles each year and was used to strike select special issues throughout the 1990s. In 2000, it became the

primary production facility for the American Silver Eagle Bullion coin and is began striking the American Buffalo Gold Bullion coins in 2006.

Today, the West Point Mint serves as the primary production facility for all Numismatic American Eagle coins including gold, silver, platinum, and palladium compositions. It is also responsible for striking all gold commemorative coins and many silver commemorative coins, as well as select special issues. Ellen McCullom has served as Superintendent of the facility since 1999. As the location of the original first strike ceremony for the American Gold Eagle Bullion Coin series on September 8, 1986, it is fitting that West Point was selected to host the special striking ceremony for these 35th Anniversary coins in 2021. The facility has played an important role in both the Dawn and the Dusk of this series, and it will be long recognized for its historic significance, just like the coins that are struck there.

# NGC

Numismatic Guaranty Company (NGC) is based in Sarasota, Florida and has certified over 52 million coins from all over the world since 1987. It is also the official grading service of the American Numismatic Association (ANA), the Professional Numismatists Guild (PNG), and the only coin collecting organization chartered by the United States Congress. To recognize these important 35th Anniversary coins, NGC developed a special label insert featuring custom graphics that showcases the evolution of the eagle portrait on this series.

# PCGS

The Professional Coin Grading Service (PCGS) was founded in 1985 as one of the very first firms to introduce independent third-party grading and encapsulation to the coin market. Based in Southern California, it officially began operations in 1986, which coincides with the introduction of the American Eagle series. Since then, PCGS has gone on to certify over \$40 billion in numismatic items including some of the most valuable coins ever sold. To commemorate these American Eagle at Dusk and at Dawn coins, PCGS designed custom label inserts highlighting the classic and new designs for their respective series.

## THE ARTISTS

Augustus Saint-Gaudens Designer: American Gold Eagle Obverse (Classic and New Types)

Augustus Saint-Gaudens was born in Dublin, Ireland in 1848 and would go on to become one of the most celebrated American sculptors of the 19th and 20th Centuries. He received extensive commissions for many important projects including for the 1893 World's Columbian Exposition in Chicago, among many others. A particular point of pride was the nude Diana sculpted for display atop Madison Square Garden, the New York gathering place designed by Stanford White, of the architectural firm of McKim, Mead & White. Beginning in 1885, Saint-Gaudens maintained a studio in Cornish, New Hampshire, in verdant hills overlooking the Connecticut River. In Cornish, Saint-Gaudens was part of an artists' colony that included a half dozen or more artists and writers of repute. Each summer the group would hold amateur theatricals and otherwise enjoy the arts in bucolic surroundings.

By early 1905, Saint-Gaudens had been contacted by Theodore Roosevelt to help create a medal for Roosevelt's March 1905 inauguration, his first as an elected President. The official inauguration medal had been created by Chief Engraver Charles E. Barber, following the custom that such medals were always made at the Mint. In an unprecedented move Roosevelt had Saint-Gaudens make another version. The medal that resulted is considered a classic rarity among collectors with some examples selling for nearly \$60,000 at auction.

This successful collaboration with Roosevelt gained Saint-Gaudens a commission to re-design some of the nation's circulating coins including the gold \$10 eagle and \$20 double eagle. His re-designed \$10 coins entered commerce in the autumn of 1907 featuring Liberty in a Native American headdress on the obverse and a version of the eagle from Roosevelt's inaugural medal on the reverse. The \$20 double eagles exhibited a torchbearing Liberty on the obverse and a flying eagle on the reverse executed in a stunning high-relief format. These were released in December 1907 and immediately caused a sensation among the public. Within a month or so all were gone, and they began trading privately at prices of \$30 or more-over 50% above their face value. An American classic was born. Unfortunately, Augustus Saint-Gaudens never saw this popularity over his creation, as he passed away in August 1907.

Today, Saint-Gaudens' \$10 eagle and \$20 double eagle are now considered some of the most beautiful coins to ever emerge from the United States Mint. It is fitting that a version of his torch-bearing Liberty was featured on the obverse of the American Gold Eagle series release in 1986, bringing this historic design to a new generation of collectors and investors. For the 35th Anniversary of the series, the United States Mint artists revisited the sculptural models used in the creation of the first coins in 1986, allowing them to create refreshed designs that are even more faithful to Saint-Gaudens' original work.

Adolph A. Weinman Designer: American Silver Eagle Obverse (Classic and New Types)

Adolph A. Weinman was born in Durmersheim, Germany in 1870 and immigrated to the United States in 1885. He quickly gained credibility in the arts field, studying at Cooper Union in New York's East Village, and later studying at the Art Students League of New York with his future collaborator Augustus Saint-Gaudens. He would gain prominence through several of his commissions for public exhibitions including the 1904 Louisiana Purchase Exposition held in Saint Louis, MO and the 1915 Panama-Pacific International Exposition in San Francisco, CA. As an assistant to Augustus Saint-Gaudens, he contributed much of the actual design and modeling work on Roosevelt's famous 1905 Inaugural medal, which served as the foundation for Weinman's career as a medalist. He would go on to design several coin series for the United States Mint beginning in 1916 including the dime and half dollar. The dime featured a winged Liberty on the obverse that resembled the Roman god Mercury. His half dollar design featured a full-length Liberty striding forward with an arm outstretched in a welcoming manner. Both of these designs are now considered iconic among collectors and represented a renaissance in the nation's coinage. Just as then, Weinman's Walking Liberty motif was featured on the American Silver Eagle coins released in 1986 to represent a new era of collectability. As they did for the Gold Eagle series, the Mint revisited their historical assets for the 35th Anniversary of the series to create a refreshed obverse design that is even more faithful to Adolph A. Weinman's original design.

Miley Busiek Frost Designer: American Gold Eagle Reverse (Classic Type)

Miley Busiek Frost is an accomplished American sculptor whose design was featured on the reverse of the original American Gold Eagle coin series launched in 1986. Her "Family of Eagles" design was initially conceived while watching American eagles on a rocky cliff with her family in Wyoming and she later crafted a bronze sculpture based on that scene. She then became inspired by Ronald Regan's acceptance speech at the 1980 Republican National Convention and chose to name the sculpture after the theme of the speech "Together, a new beginning". When news arose of the new American Eagle Bullion coins to be launched by the United States. Mint, she decided to submit this design for consideration, and it was ultimately selected for the reverse of the gold coin series. Her "Family of Eagles" design was utilized for 35 years beginning with the Dawn in 1986 and ending with the Dusk of the design in 2021.

#### Sherl J. Winter Sculptor: American Gold Eagle Reverse (Classic Type)

Sherl Joseph Winter was a medallic artist born in Dayton, Ohio in October 1934. He joined the United States Mint in 1967 as a Sculptor—Engraver and contributed to several significant designs throughout the 1970s and 1980s. He also served as "acting" Chief Engraver upon the retirement of Frank Gasparro in 1981.

His work was featured on medals for the U.S. Marine Corps Bicentennial, American Revolution Bicentennial, Lady Bird Johnson, and the Willa Cather gold medallion for the American Arts program. He also contributed designs for the 1986 Statue of Liberty half dollar and 1988 Olympic silver dollar. He is most famous for his modeling work on the reverse of the American Gold Eagle coin beginning in 1986, where he adapted the "family of eagles" design by Miley Busiek Frost.

John Mercanti 12th Chief Engraver of the United States Mint Designer: American Silver Eagle Reverse (Classic Type)

John Mercanti was born in Philadelphia, PA in April 1943 and went on to build a long and influential career with the United States Mint over 35 years. After studying at several Philadelphia-based arts schools, he joined the Mint in 1974 as a sculptor—engraver. He later went on to serve as Chief Engraver from May 2006 until his retirement in 2010. During this career, he was responsible for more coin and medal designs than any other employee in United States Mint history. He designed several commemorative Mint issues in the 1980s and 1990s including the 1986 Statue of Liberty dollar coin and the 1991 Korean War Memorial dollar. He also designed five coins for the 50 State Quarters Program that ran from 1999 until 2008. Perhaps his most influential contribution to American coinage is his majestic Heraldic eagle design featured on the reverse of the American Silver Eagle coin released in 1986. Though retired, Mercanti is still held in high regard among collectors and was named one of the Most Influential People in Numismatics by Coin World magazine in 2021.

Jennie Norris Designer: American Gold Eagle Reverse (New Type)

Jennie Norris is an artist and graphic designer based in Arizona. Her primary mediums are graphite and liquid graphite, and she takes much of her inspiration from the desert landscape. She has worked with several significant corporate clients including Crayola, Hershey, Target, and Costco. She also works as a graphic designer at the University of Arizona. In 2019, Norris was selected to be part of the Artistic Infusion Program at the United States Mint. Her first submission through this program was selected as the winner among 39 applicants to be featured on the reverse of the new American Gold Eagle coin series beginning in 2021. Norris' design features a bold close-up profile of an American Bald Eagle facing to the left, which replaces the "Family of Eagles" design by Miley Busiek Frost that had been used since 1986.

> Renata Gordon Sculptor: American Gold Eagle Reverse (New Type)

Renata Gordon is a New Jersey-based sculptor and painter who joined the sculptor—engraver department at the United States Mint as an intern in 2011. She previously earned a degree in sculpture from the University of the Arts in Philadelphia in 2010. At the Mint, Gordon has sculpted over 40 designs for coins and medals includ-

ing the Code Talkers Congressional Medals program, as well as the First Spouse Gold Coin program and the America the Beautiful quarters program. For the 35th Anniversary of the American Eagle series, she worked to bring artist Jennie Norris' new design for the reverse of the Gold Eagle to life.

> Emily Damstra Designer: American Silver Eagle Reverse (New Type)

Emily Damstra is a scientific illustrator, nature artist, and coin and medal designer based in the Great Lakes region. She earned a Master of Fine Arts degree in Science Illustration from the University of Michigan. As an illustrator, she has created natural science illustrations for businesses, governmental, not-for-profit organizations, advertising agencies and many other institutions. Her numismatic design portfolio includes over 40 designs for both the Royal Canadian Mint and the United States Mint. She joined the United States Mint through their Artistic Infusion Program in 2014 and has contributed to numerous issues including the 2018 Breast Cancer Awareness Commemorative coin and the America the Beautiful quarters program. She is perhaps most famous for her design on the reverse of the new 2021 American Silver Eagle, which replaced the Heraldic Eagle by John Mercanti that had been used since 1986. Damstra's design features a majestic fulllength portrait of an eagle flying to the left as if trying to land and grasping an oak branch in its claws.

Michael Gaudioso Sculptor: American Silver Eagle Reverse (New Type)

Michael Gaudioso is an artist, draftsman, and sculptor who worked at the United States Mint for over a decade as a Medallic Artist, Sculptor, and Engraver. Prior to joining the Mint, he studied at the University of the Arts in Philadelphia, the New York Academy Graduate School of Figurative Art, and at the highly regarded Repin Institute in St. Petersburg, Russia. At the United States Mint, he contributed to over 50 coin and medal issues including the Code Talkers Recognition congressional gold medals program, the First Spouse gold coin and medal program, and the Native American and Presidential dollar series. For the 35th Anniversary of the American Eagle series, he was crucial in adapting Emily Damstra's new reverse design for the Silver Eagle for production. Gaudioso retired from the Mint in 2020 after a long and accomplished career.

**David J. Ryder** 34th and 39th Director of the United States Mint

David J. Ryder was first nominated to be Director of the Mint by President Bush in 1991. Prior to this, Ryder held several significant Federal positions including Deputy Chief of Staff of the Office of the Vice President from 1989 to 1990 and Deputy Treasurer of the United States from 1990 to 1991. He went on to serve as Director of the Mint from September 1992 to November 1993. After his tenure, Ryder worked in the private sector specializing in anti-counterfeiting systems for currency and secure documents. In April 2018, Ryder would return to the Mint for a second tenure as Director that lasted until September 2021. During this "Dusk" of his career at the Mint, he oversaw several popular new coin programs including the 2020 75th Anniversary of World War II coins and the 2021 100th Anniversary Morgan and Peace dollars, all while navigating the COVID-19 pandemic. Perhaps the most significant accomplishment under Ryder's watch is the re-design of the American Eagle coin series, which is considered a signature Mint product. To mark the 35th Anniversary of the series in 2021, new reverse designs were selected for both the gold and silver series and refreshed versions of the classic designs were created for the obverse. Ryder left the Mint in September 2021 and remains a respected figure in the collecting community and was named one of the Most Influential People in Numismatics by Coin World magazine in 2021.

Joe Menna 13th Chief Engraver of the United States Mint

Joe Menna is an innovative and accomplished artist and sculptor who first joined the United States Mint in 2005 and was appointed as the 13th Chief Engraver in 2019 by then-Director David Ryder. Menna studied at a number of well-regarded institutions including the University of the Arts in Philadelphia, PA, the New York Academy of Art, The Stieglitz State Academy of Art and Design in St. Petersburg, Russia, the Pennsylvania Academy of Fine Art, and the Art Students League in New York. He also worked as an instructor and sculptor at the Johnson Atelier Fine Art Foundry in Mercer County, NJ. Upon joining the Mint in 2005, he was the first full-time digitally skilled artist hired by the United States Mint and was critical to the development of the first digitally sculpted coins, which was a technique introduced by the Mint in 2006. Menna's design and sculpting work has been featured in over 60 coin and medals across the past two decades, including the 50 State Quarters Program, the America the Beautiful Quarters Program, the Lincoln Bicentennial One-Cent Coin, the First Spouse Gold Coin and Medal Program, the Native American \$1 Coin, the Presidential \$1 Coins, and many others. For the 35th Anniversary of the American Eagle series, Menna oversaw the transition from the classic designs introduced in 1986 to the refreshed obverse and entirely new reverse designs introduced in 2021.

Ellen McCullom Superintendent of the West Point Mint

Ellen McCullom has been an essential part of the United States Mint team for over 40 years and currently serves as the Superintendent of the West Point Mint, a role she's held since 1999. Her career first began in 1975 as a laboratory control technician at the West Point facility, which was then known as the United States Bullion Depository at West Point. In the 1980s she also worked at the Procurement and Contracting office at the New York Assay Office in lower Manhattan and then at the Mint Headquarters office in Washington, DC. She returned to West Point in 1984 as the Administrative Officer and the Acting Production Manager. Her tenure has witnessed both the Dawn and the Dusk of the American Eagle coin program, first issued in 1986. As part of the 35th Anniversary striking ceremony held at West Point, McCullom served as part of a four-person team led by then-Director Ryder to personally strike the last 500 of the classic design for both the silver and gold coins, as well as the first 500 coins of the new silver and gold designs.

# Welcome to the Stack's Bowers Galleries offering of The American Eagle At Dusk and At Dawn 35th Anniversary Coins

I am honored and excited to welcome you to our auction of the 2021 American Eagle At Dusk and At Dawn 35th Anniversary coins, presented on behalf of the United States Mint. This event is a historic milestone for United States numismatics, borne of a partnership between America's most prestigious and accomplished numismatic auctioneer and the nation's largest, oldest, and most influential numismatic institution—the United States Mint.

Our organizations have come together to recognize and celebrate the 35th Anniversary of the American Eagle series with these Bullion Coins through an unprecedented auction offering of some of the most significant coins struck over those three-and-a-half decades. Stack's Bowers Galleries has also engaged with America's leading certification services, NGC and PCGS, to provide grading expertise and custom holders for these important pieces.

These special American Eagle At Dusk and At Dawn coins represent an exciting evolution in artistry and minting technology not yet witnessed in the 21st century. It might be compared to the introduction of the steam press and transition of design types throughout the 1830s. Or perhaps even the monumental transitions in 1907 and 1916 that brought us the masterpieces by Augustus Saint-Gaudens, Adolph A. Weinman, and Hermon A. MacNeil. I am confident that history will hold the present transition in the American Eagle series with similar reverence.

Bidders in this sale will have the exclusive opportunity to acquire one, or several, of these historic coins which have otherwise been unavailable to collectors. Struck with care and precision under the guidance of then-Director of the Mint David Ryder, they serve to represent the pinnacle of this iconic series and modern American coinage as a whole. Each lot presented in this important sale will represent a trophy for future generations of collectors—whether a four-coin set with each type represented, a two coin set focusing on either the gold or silver types, or an individual coin that ranks as one of the very first or last struck.

In recognition of this historic offering, Stack's Bowers Galleries is also waiving the Buyer's Premium on the 35th Anniversary Coins, meaning that the highest bid on each lot (the hammer price) will be the final amount paid by the winning bidder, excluding any applicable sales tax and shipping fees.

This partnership represents the very first time the United States Mint has selected a third-party auctioneer to offer a special coin release, and Stack's Bowers Galleries is honored to have been chosen to present these historic 35th Anniversary coins to collectors. On behalf of the entire Stack's Bowers Galleries team, I wish you the best of luck in your bidding!

Sincerely,

Bunkerduele

Brian Kendrella President, Stack's Bowers Galleries

# Terms & Conditions – Showcase and Collectors Choice Auctions

1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by bonded auctioneers, Stack's Bowers Galleries or Stack's Bowers and Ponterio (hereinafter referred to as "Auctioneer" and at times as "Stack's Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack's Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer's Premium charged to all other Buyers. Stack's Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack's Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DE-SCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Stack's Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack's Bowers and its affiliates may bid for their own account at any auction. Stack's Bowers and its affiliates may have information about any lot that is not known publicly, and Stack's Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack's Bowers and its affiliates are not required to pay a Buyer's Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve ("Reserve"). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack's Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins, currency and cryptocurrency tokens in this Auction has been determined by independent grading services, and those that are not may be graded by Stack's Bowers. Grading of rare coins, currency and crypto tokens is subjective and, even though grading has a material effect on the value of the coins, currency and cryptocurrency tokens, grading may differ among independent grading services and among numismatists. Stack's Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack's Bowers and lot descriptions are based solely upon an examination of the coins, currency and cryptocurrency tokens and are intended to identify coins, currency and cryptocurrency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack's Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest half or full increment and this rounded bid will be the bidder's high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders" and "Live Internet Bidders"). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack's Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK'S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack's Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer's Premiums. There is no Buyer's Premium in this auction.

6. Payment. Payment is due immediately upon the fall of the auctioneer's hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the "Default Date"), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars or Hong Kong Dollars. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer's invoices will be credited with the amount of U.S. Dollars at the rate established by the Auctioneer at the time of the Auction Sale. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier's check. Cash transactions will be accepted in the sole discretion of Stack's Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack's Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, Mastercard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack's Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack's Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney's fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack's Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute

discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bow-

ers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Stack's Bowers, in its sole discretion, may not ship to select countries. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the country where the auction is hosted, the declaration value shall be the item'(s) hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the country where the auction is hosted. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERN-ING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AND PROVENANCE OF A LOT.

a. h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

j. Bidders shall have no recourse against the Consignor for any reason whatsoever.

k. Bidder acknowledges that the numismatic and cryptocurrency token market is speculative, unregulated and volatile, and that prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

I. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FA-VOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

12. Disputes. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUC-TION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.
