(t) 100000 Yuan (10 Kilos), 2015. Shenzhen Mint. Lunar Series, Year of the Goat. SUPERB GEM PROOF. Fr-B78; KM-Unlisted; CC-2011. Mintage: 18; Number: 8. To say examples of 10 Kilogram fine gold coins are infrequently offered is to undersell the RARITY and importance of such types. As one of the largest gold coins ever produced, not just within the history of Chinese numismatics, but more generally across all issuers, this splendid piece offers a chance at a type with few corollaries. Weighing in at hulking 22 Pounds, or over 321 troy ounces, this .999 Fine piece could excite anyone with a heft more similar to a bullion bar kept at a depository, rather than a singular coin. The specimen itself displays an immaculate strike and stunning cameo effect, proving the technical precision and capabilities of the Shenzhen Mint to strike such a massive example. Housed within a protective case, and accompanied by original mint paperwork, both of which pronounce this treasure the 8th produced, a lucky number. As number 8, the coin matches the Year of the Goat in the Zodiacal Cycle which is the 8th Year in the 12 Year procession. Regarded as an auspicious animal and year, this 100,000 Yuan symbolizes the promise and prosperity that are so commonly associated with the Year of the Goat. When considering the recent appreciation and interest in modern Chinese issues, we hold lofty aspirations for this modern treasure, as reflected in our estimate. A piece that would surmount any collection of Modern Chinese bullion and commemorative designs, and one that would be hard to top in terms of its power to inspire awe.

CHINA. Yuan, 1989. Shenyang Mint. NGC PROOF-69 Ultra Cameo. KM-220; Sun-J14b; Shen-pg. 198-199. Purported Mintage: 1,000. One of the **RAREST** issuances of the modern Chinese numismatic program, this piece honors the 40th anniversary of the founding of the People's Republic of China. The obverse is composed of an abstract national emblem within the "40", with peace doves above and below, excerpt from the national anthem "March of the Volunteers" below with date "1949-1989" in exergue, Chinese inscription "中華人民共和國成立四十週年" (Zhōnghuá rénmín gònghéguó chénglì sishí zhōunián [The 40th Anniversary of the Founding]) above. While the reverse depicts the national emblem flanked by decorative fireworks, the Great Hall of the People below, denomination "壹圓" (Yī yuán [One Yuan]) and date in exergue. According to the certificate of authenticity these issues were released on September 28, 1989, just two days before the official anniversary. Though Sun Keqin states in "中国现代流通硬币" (Zhōngguó xiàndài liútōng yìngbì [Chinese Modern Circulating Coins]) the proofs had a mintage of only 1,000 pieces, many scholars of the modern series believe the actual mintage is significantly less. The exact number struck is unknown, but is believed to be a very limited quantity.

The present example is tied with 16 other specimens at PCGS and NGC for the finest certified, with no example presently certified as Proof-70. The care taken in striking this piece is evident, with the detailed design being carefully engraved and the cameo nature of the piece making it pop in a way unlike most other copper-nickel issues. There is very little to fault on this issue, and we expect fierce competition for the right to add this beauty to an advanced collection. As our first offering of the type since 2019, needless to say opportunities to acquire an example of the type are seldom seen.

1989年壹圓。沈陽造幣廠。計劃發行量1,000枚。現代中國幣中**最罕有**的版別之一。中華人民共和國成立40週年紀念。此幣正面主體為中空的"40"字樣，內嵌五星和太陽光輝，和平鴿環繞，上方為中文"中華人民共和國成立四十週年"，下方為國歌《義勇軍進行曲》部分章節五線譜及年份1949-1989。背面為國徽及人民大會堂，禮花綻放，面值"壹圓"及日期1989。據證書所載，這些紀念幣發行於1989年國慶日的兩日之前，即9月28日。孫克勤在《中國現代流通硬幣》一書中提出，此幣發行量為1,000枚，但許多現代幣專家學者均認為其實際發行量遠少於此。確切發行量不明，但相信數量極少。

本拍品與另外16枚並列PCGS及NGC冠軍分，暫時未有獲評Proof-70。經精心打鑄而成，圖文雕刻細膩，浮雕立體，銅銀幣中難能可貴。近乎完美，在資深集藏中亦毫不遜色，必定引起激烈競爭。自2019年後首次上拍，難得的收藏良機。

An **IMMENSELY RARE** and very seldom encountered issue, this glistening, nearly-flawless specimen is rather unsurprisingly the finer of just two seen at PCGS, with a great frosted nature to the devices and intense mirroring in the fields. The type celebrates the “lion dance,” with a dancer taking stance opposite two elaborate, fanciful lions. Amazingly Toned “Low Stars” Dollar

包漿亮麗下五角星壹圓

52186

CHINA. Dollar, ND (1912). Nanking Mint. NGC AU-58. L&M-42; K-603; KM-Y-319; WS-0085. Low five-pointed stars variety. Mottled with color of a mostly russet and plum toning, this vibrant and intoxicating example is quite **RARE** and desirable in this state of preservation. Though described by NGC as a circulated coin, this cataloger is unable to find any evidence of circulation across any of the design elements. Luster smolders underneath the toning, creating a visual circus when this Dollar is twirled in the light. A fantastic piece that should instigate feelings of zeal and enthusiasm in all collectors of Republican coinage.

“Birds over Junk” Dollar Engraved By Sailor in United States Pacific Fleet 出自美國太平洋艦隊船員雕刻三鳥壹圓

52361

CHINA. China - United States. USS “Black Hawk” in Chifu Engraved Dollar, Year 21 (1932). Shanghai Mint. PCGS Genuine—Graffiti, Good Details. L&M-108; K-622; KM-Y-344; WS-0144. An amazing engraved “Birds over Junk” Dollar, one’s eye is immediately drawn to the engraving on what would normally be the portrait side. The following inscription is given in seven lines: “CHIFU [sic] CHINA U.S.S.B.H. P.E. ATKINSON MAY 8 1937 皮義艾”. “U.S.S. B. E.” refers to the USS *Black Hawk* (AD-9), a destroyer in the United States Navy first commissioned for service in 1918. After the First World War, this Destroyer was refitted and assigned to the Asiatic Fleet in 1922. During the course of her assignments, *Black Hawk* moored in Chefoo (modern Yantai) on May 8th, 1937 to perform refitting duties. The engraving by a sailor named “Atkinson” ties the piece to this exact location and time, and is an incredible historical testament to movements of the ship in the immediate runup to the Second Sino-Japanese War. *Black Hawk* remained in Chefoo until July 2nd, when she set course for Chinwangtao. During her time in Chinwangtao, The Marco Polo Incident of July 7th occurred, sparking the outbreak of the Second Sino-Japanese War, a conflict that would be subsumed into the Second World War. *Black Hawk* returned to Chefoo thereafter, and later saw service during the Second World War, being decommissioned in 1946.

Though well circulated, this example can boast an appeal that is so much beyond the standard “Birds over Junk” type, with a claim to being a legitimate historical artifact. The engraving is still strong, and the surfaces otherwise appear to be free of problems like cleaning. A tremendous Dollar, and one that should be much contested for by the many lovers of historical treasures or unique offerings.

民國二十一年孫中山像帆船壹圓銀幣。三鳥版壹圓雕刻，平時打鑄肖像的一面格外矚目。七行銘文：“CHIFU [sic] CHINA U.S.S.B.H.P.E.ATKINSON MAY 8 1937 皮義艾”“U.S.S.B. E.”是於 1918 年首次為美國海軍服役的黑鷹號驅逐母艦 (AD-9)。第一次世界大戰結束後，其於 1922 年被改裝為亞洲艦隊。執行任務期間，黑鷹號於 1937 年 5 月 8 日停泊在芝罘 (今稱煙台) 以執行改裝任務。雕刻出自船員 “Atkinson” 之手，為此幣添上具體地點及時間，見證了第二次中日戰爭爆發前的船隻活動，極具歷史價值。黑鷹號於煙台停留至 7 月 2 日，然後前往秦皇島。在秦皇島期間，盧溝橋事變於 7 月 7 日發生，引爆第二次中日戰爭。黑鷹號隨後回到芝罘，並於第二次世紀大戰期間服役，最終於 1946 年退役。

儘管經流通，品相仍優於一般三鳥銀幣，而且身負重大歷史意義。雕刻仍然深峻，表面不見如清洗等瑕疵。歷史愛好者不可錯過的一枚瑰寶。

(t) CHINA. Meng Chiang. Chiao, KK 738 (1943). PCGS MS-63. KM-Pn3. A RARE and seldom encountered pattern issue from one of the Japanese Puppet States, this piece was issued for inner Mongolia and features the facing head of a ram. Highly glistening and radiant, as well as being exceptionally Choice.

A type, along with the single Fen and Chiao of similar style, with limited and contradictory evidence regarding its origin and manufacture. Called both a pattern and unreleased circulation strike, these issues show the hallmarks of refined minting, far more advanced than contemporaneous late-war issues in occupied Northern China, with the 1945 Manchukuo cardboard and porcelain minors serving as a logical contrast. Schwan and Bowling in their book World War Two Remembered, take the position that these were types that never reached circulation, implying their non-pattern status (pg. 693). Given their numbers on the population reports, along with similarities to other Japanese Occupation coinage, this position seems most coherent when all the evidence is considered.

與壹分、壹角設計風格相似，就其來源地及生產商的考究證據紛呈，互相矛盾。是樣幣，亦是未發行的流通鑄打。鑄打精細，遠超近代中國北部戰爭後期發行，與 1945 年滿洲國的紙板及陶瓷零錢形成鮮明對比。Schwan 和 Bowling 在其著作《二戰記憶》中提出，該版從未達至流通，因此不存在樣幣狀態（693 頁）。觀及其數量報告，以及與日佔時期造幣的相似性，此假說較為合理。

CHINA. Meng Chiang. 5 Fen, KK 738 (1943). PCGS MS-63. KM-Pn2. An eclectic and incredibly RARE issue, this piece was produced for Occupied Inner Mongolia that had fallen under the swap of the Japanese during the Second World War. It is a bit unclear the nature of this piece, as it is possible this was not a pattern, but rather a circulation strike that never made it to its destination, the victim of allied torpedoes. Whatever the case, it is beyond elusive, with this being our first offering of this denomination. The devices are fully struck, with a semi-reflective nature to the fields. A piece that exudes beauty, and an opportunity to own a piece few others can say they have.

An impressive and unusual example, this piece pairs two known fantasy dies of different Kann plated fantasy pieces together. Both are from fantasy Taels produced in 1907, suggesting a similar date of manufacture, though this is unknown. Despite the noted by NGC, this example maintains sharp and unhandled design elements, with no wear to be spotted. Some light hairlines are seen, though these are not aggressive and do not dampen the beauty of the piece too much. Some light toning has started to reappear, adding to the desirability of the issue.

CHINA. Fantasy Silver Tael Mule, ND (ca. 1907). NGC EF-45. cf. K-B34/B36 (for obverse/reverse); cf. KMX-80/68 (for obverse/reverse). A visually intriguing and incredibly impressive fantasy piece, this piece mules two known dies of differing fantasy pieces together. Both dies are from fantasy Taels produced in 1907, suggesting a common manufacture, though who produced these pieces is yet unknown. Adding to the intrigue is the off axis alignment between pieces, with the reverse rotated approximately 75 degrees in relationship to the obverse. Some original brilliance remains, with just a touch of handling noticed. A problem free example, and one which will be hard to find another example with this die pairing. A **RARE** and enchanting issue pertaining to a particularly pivotal period, this nearly-choice specimen—*despite some scattered friction*—yields a high degree of lustrous brilliance and also sports a deeply burnished tone. This medal actually comes in two different modules: 39mm, as is the case here, and 34.5mm, which features overall a very similar design, but with the Kaiser's helmet extending into the obverse legend and without eight-starred outer ring on the reverse. CHINA. Alfred Graf von Waldersee/Journey to China Silver Medal, 1900. PCGS SPECIMEN-64. Marienburg-7792. Diameter: 34mm. By O. Oertel. Obverse: Uniformed bust facing slightly right; Reverse: *Sachsen* steamship sailing left. A wonderful matte silver medal with antiqued surfaces free of noticeable marks, handling, or tone. Perfect for numismatists who specialize in the Boxer Rebellion, and, more broadly, a worthy addition to any fine cabinet of Chinese-related medals.

Field Marshal Alfred Graf von Waldersee was born in Potsdam in 1832 and died in Hanover in 1904. He became a Prussian Quartermaster General in 1881, was promoted to General of the Infantry and Chief of the General Staff in 1888, and later became Field Marshal. He was given supreme command of the European intervention troops sent to put down the Boxer Rebellion and liberate the Beijing diplomatic litigations. However, Waldersee only reached Beijing in September 1900, when the city had already been captured, so his role in the operation was limited.

1900年阿爾弗雷德·格拉夫·馮·瓦爾德西/中國之旅銀章。直徑34mm。出自O. Oertel之手。正面：正裝半身像朝右；反面：薩克森號駛向左方。啞面銀章，幣面質感老舊，無顯眼瑕疵、經手痕跡或包漿。專研義和團時期錢幣學者不可錯失的一枚，更廣泛地說，此枚可為任何中國銀章藏匣潤色添光。

阿爾弗雷德·馮·瓦德西於1832年在德國波茨坦出生，1904年在漢諾威逝世。1881年，他出任普魯士後勤將軍，1888晉升為步兵上將和德國總參謀部長，及後更位升陸軍上將。義和團起義期間，他接最高指令，將歐洲聯合艦隊送往北京，擊倒義和團以平定北京外交風波。然而，瓦德西在1900年9月才踏足北京，爾時北京城已被歐洲聯合部隊佔領，他在此次任務中亦無大功用。

(t) CHINA. Chinese Chamber of Commerce in Victoria Silver Medal, ND (ca. 1912). ABOUT UNCIRCULATED. Obverse: Flag of the Republic of China encircled by characters; Reverse: Chinese inscription meaning "Director's Badge", further encircled by English legend. A **VERY RARE** medal from the Chinese Chamber of Commerce in Australia, this piece provides a unique historical look at the relations between Australia and China. The medal itself displays handsome toning, and lovely reflectivity, with only limited evidence of handling. A piece that should capture much attention, as it is one of the more unique offerings in our entire Hong Kong sale.

The Chinese Chamber of Commerce sought to protect the interests of Chinese immigrants in Australia. Formed in Melbourne in 1912, it sent a delegate to represent Chinese-Australians at the opening of the first Chinese Parliament in Peking. With branches in Melbourne and Sydney, the Chamber of Commerce maintained close contact with the Republic of China until the beginning of the Warlord Era in China.

Obverse: Flag of Kuomintang and flag of the Republic of China crossed in saltire; legend around; Reverse: Inscription in nine lines. Edge: Plain. Nicely struck, this silver medal displays little evidence of handling, though a hole at the top accounts for the details designation. *This medal commemorates the reorganization of the Kuomintang in 1924, from the Chinese Revolutionary Party. Among other consequences, the 1924 reorganization of the Kuomintang strove to end warlordism in China. To this end, the Kuomintang sought aid from the Soviet Union to reunify China, and allied themselves with the Chinese Communist Party in the First United Front. Before China could be reunified, Chiang Kai-shek purged Communists from the United Front, leading to the outbreak of the Chinese Civil War, which would continue until 1949, with a brief hiatus from 1936-1945 to fight the invading Japanese forces.*

CHINA. Chang Hsueh-liang/Officer Training “White Alloy” Medal, ND (1936). NGC AU-55. L&M-965; cf. Kann pl. 192 (silver); KMX-M535; WS-0112B; cf. Barac-230-3 (metal type; listed as instituted 1928). Diameter: 33mm. Obverse: Bust facing slightly left in military attire; Reverse: Four character legend within wreath. Seemingly more encountered in silver than this “white alloy,” the present specimen is undoubtedly an impressive RARITY, and is made that much more appealing on account of its clear edge, as the type is normally mounted for wearing as well. Rather wholesome and charming, with the somewhat uneven toning likely owing to the metallic composition.

Chang Hsueh-liang (Zhang Xueliang) was an instrumental figure in ending the Chinese Civil War, accommodating communist rule, and presenting a united front in opposition to the Japanese occupation. As such, he was one of the great heroes of Chinese 20th century history. This type was presented to graduates of Chang’s officer training school in Xian in June 1936.

張學良是結束內戰、鞏固統治、團結上下的重要人物。他站於抗日戰爭的前線，可說是中國 20 世紀歷史中偉大英雄之一。此枚於 1936 年 6 月頒授予遷至西安的東北大學的畢業生。

CHINA. Order of the Double Dragon. Type II Third Class, Third Grade, ND (ca. 1896-1911). CHOICE VERY FINE. Barac-49; Li-pg. 45. Weight: 81.82 gms. 99 mm X 91 mm. The Star is composed of an 8 pointed multi-rayed silver star plaque surmounted by an ornate central medallion embellished with silver dragons, Chinese inscription right, Manchu inscription left with light blue enamel in the fields and a blue stone in the center and red stone at the top. Most of the enamel appears to be intact, though the exposed areas have richened in color to a darker blue. The silver star is beautifully toned displaying a lovely rainbow coloration that radiates from the central medallion. While the reverse exhibits old mottled cabinet patina with a slight iridescent sheen. An attractive example of the type that is sure to catch the attention of many collectors of this area.

According to a cutout lot description from an unknow auction where Major General Andre W. Brewster's awards were being sold as one lot in-part states "Chinese Order of the Double Dragon, being the rare last style badge as worn from 1911-12, worn at the neck, large planchet of silver having starburst configuration set with center sapphire stone and silver side dragons with a smaller ruby stone at top center of medallion, complete with gold striped blue neck ribbon with rear attachment wearing catch". Though the ribbon is no longer present, the condition is still quite nice.

Serving four decades Major General Andre W. Brewster certainly was a career man. During his time in the military he was quite active serving in many different theaters and receiving many honors, awards and commendations. Awards of particular interest are the Army Distinguished Service Medal, China Campaign Medal, Medal of Honor and the Military Order of the Dragon among many others. He received his Medal of Honor for gallantry while on tour in China during the Boxer Rebellion. The citation from "Untied States Army Center of Military History" states "The President of the United States of America, in the name of Congress, takes pleasure in presenting the Medal of Honor to Captain (Infantry) Andre Walker Brewster, United States Army, for gallantry in action on 13 July 1900, while serving with the 9th Infantry at Tientsin, China. While under fire Captain Brewster rescued two of his men from drowning." He remained in China for an additional five years as the U.S. Military Attaché. He continued to service his country eventually be promoted to Major General and ultimately retire on 9 December 1925.

1896-1911年雙龍第二類型三級勳章。重81.82克。99 mm X 91 mm。整顆星由八個銀質鍍金尖角組成，每個尖角上均飾有放射狀直綫。星形中心有一圓盤，中文於右，滿文於左，飾以銀龍和淺藍色寶石，紅色寶石於上。大部分的瑣瑣均完好無缺，開放區的色澤呈深藍色。銀星展現動人的虹彩包漿，璀璨絢麗。反面斑駁的窯藏包漿，淡淡的五彩優美動人。賞心悅目的一枚，定獲得專家的關注。

安德烈-W-布魯斯特少將的獎章曾於一不知名的拍賣中出售，引述當時的描述指"中國雙龍勳章非常罕見，乃1911-12年最後一種的佩戴風格，佩戴於頸部，大型銀餅上有星形設計，銀龍於側，中央藍寶石，頂部中央有一顆較小的紅寶石，配以金色條紋藍色授帶，後附佩戴扣"。雖然授帶已不復在，整體狀態依然良好。

服役四十年的安德烈-W-布魯斯特少將無疑是一名專注事業的軍人。在軍隊服役期間，他非常積極地在不同地區服役，並獲得了許多榮譽、獎項和表彰。令人感興趣的獎項包括陸軍傑出服務獎章、中國戰役獎章、榮譽勳章和龍之軍令等。義和團運動期間，因表現英勇而獲得榮譽勳章。"美國陸軍軍事歷史中心"的引文指出："美利堅合眾國總統以國會的名義，很高興向美國陸軍上尉（步兵）安德烈-W-布魯斯特頒發榮譽勳章，1900年7月13日，在中國天津與第9步兵團一起服役時，布魯斯特上尉在砲火中救出了兩名溺水的手下。"他又在中國擔任了五年的美國軍官，繼續為國家服務，最終被提拔至少將，並於1925年12月9日退休。

CHINA. Order of the Double Dragon. Type II Third Class, Third Grade, ND (ca. 1896-1911). VERY FINE Details. Weight: 85.51 gms inclusive of the ribbon. 103 mm X 96 mm (without ribbon). The Star is composed of an 8 pointed multi-rayed silver star plaque surmounted by an ornate central medallion embellished with silver dragons, Chinese inscription right, Manchu inscription left with light blue enamel in the fields and a turquoise colored stone in the center, though the stone at the top is missing. Close inspection reveals that much of the enamel is discolored or missing and the central stone and central medallion have both been re-attached and glued in place. The silver star does exhibit rich patina in the protected areas adding a bit of charm to this piece. Despite its shortcomings a presentable example of the type that would make a nice addition for the beginner to intermediate collector.

Tied for the finest of the type yet certified by PCGS, the present example delivers a boastful amount of luster along with strong details. CHINA. Kiangsu. Mint Error — Double Dragon Side Mule — 10 Cash, ND (ca. 1906). Kuang-hsu (Guangxu). NGC VF-35. CL-KS.67; Woodward-865 (12-13; RR); Duan-1718; KM-Y-10n (for basic type). A supremely interesting and majestic RARITY, this specimen—featuring two dragon side dies paired together in an obvious muling—likely emanates from some mint sport, as the degree of the error could hardly have been through shear accident. Nevertheless, its presence in the market is quite paltry, and its possible spurious nature only augments its allure that much more. Just the third example of the type that we have offered, the more recent of which was a PCGS MS-62 Brown that realized a total of \$11,400 in our May 2022 Hong Kong auction (Lot # 51054).

乙巳江蘇省造光緒元寶十文。錯版。饒有趣味且稀罕的發行，兩面均為龍面的混配，可能是自某一個鑄幣工序而來的，此程度的錯體難以是由單純的意外而生。無論如何，市面鮮見，魅力倍增。此枚為我們經手過的第三枚，此前在我們2022年5月的香港拍賣會（Lot # 51054）中曾以11,400美元成交。

(t) CHINA. Shansi. 1 Mace 4.4 Candareens (20 Cents), ND (1911). Shansi Arsenal Mint. Hsuan-t'ung (Xuantong [Puyi]). PCGS Genuine—Damage, Fine Details. L&M-502; K-239; KM-Y-217; WS-1101. Small Dragon Variety. Made in imitation of Manchurian types, this VERY RARE provincial piece offers the chance at a seldom seen type. Despite its rough handling and the damage on the reverse, this piece is actually not uncommonly ugly for the type. Most examples that appear are often well worn and often damaged, highlighting the crude production and disregard this type suffered at its issue. Enough details remain to make this a serviceable specimen of the type for any completionist seeking to check this L&M number off from their wanted list.

An exceedingly **RARE** type, this issue is so uncommon that it is the first one we have offered since 2018. Strongly detailed, only light wear is seen on the high elements of the design. Some planchet roughness and deposits accounts for the environmental damage designation, likely from some time in the ground. Museum Worthy White Metal Pattern

博物館珍藏級的白金樣幣

54126

CAMBODIA. White Metal 3 Tical Pattern, CS 1208 (1847). Birmingham (W. P. Hammond & Company) Mint. Ang Duong. NGC MS-63. KM-Pn2; Fonrobert-2159. An impressive and hulking pattern issue in white metal, this amazing specimen delivers a **RARE** combination of impressive historical importance and beautiful design. King Ang Duong sought to westernize Cambodia and coinage natural fell into this aspiration. The king contracted with W. P. Hammond and Company in Birmingham, England to produce new machine struck patterns and supply the country with modern minting equipment. In 1852 a local artisan produced ivory mock-ups of the proposed coinage that were sent to Birmingham, which were used to produce these trial strikes in white metal. When the machine was supplied to the Cambodian government, no one had the technical knowledge to set the machinery up. It therefore sat unused, despite being supplied with dies, until it was converted into a hand press by a Thai man who had some knowledge of minting equipment.

This Pattern is exactly struck, with a precise amount of detail being imbued on the flan, and some gentle reflectivity even peering through in the fields. A few hits are noted for completeness, though there is very little to technically fault this piece on. A tremendous survivor, and one that should see no shortage of advanced bidders seeking to add a specimen to their collection, as these types only appear with astonishing infrequency.

1847年柬埔寨3提卡銀幣合金樣幣。令人印象深刻且大規模的白金發行，版式罕見，歷史意義濃厚，設計令人驚歎的一枚。安東（19世紀柬埔寨王）意圖在柬埔寨推行西化，發行的貨幣自然成為藍圖的其中一部分。國王與英國伯明翰的 W. P. Hammond 公司簽訂合同，生產新的機器鑄造模型，並為柬埔寨提供現代鑄幣設備。1852年，一位當地的工匠製作了新提案貨幣的象牙模型，這些模型被送往伯明翰，用於生產這些白金試鑄樣幣。當機器運送至柬埔寨政府時，無人具備安裝機器的技術知識。儘管已有模具，但一直被擱置，直至一位對鑄幣設備有所了解的泰國人將其轉換為手動壓機方才啟用。

樣幣鑄打精良，細節纖毫畢現，底板柔美光澤閃現。帶些碰痕，但無礙整體品相。存世作中的佼佼者，拍場上呈獻更是鳳毛麟角，資深藏家完善集藏的必然之選。

Extremely pleasing to look, especially when considering the state of preservation on the average example of the type, this Tical pops with a full strike and expressive charm. GREAT BRITAIN. Admiral Richard Howe/Glorious First of June Bronze Medal, 1794. NGC MS-66 Brown. BHM-383; Eimer-855. By C. H. Kuchler. Diameter: 48mm. Commemorating the Battle of the "Glorious First of June". Obverse: Uniformed bust right / NON SORTE SED VIRTUTE (*not by luck but in fact by virtue*), view of the battle of Howe's flagship *Queen Charlotte* sinking French ship. With a mintage of just 260 pieces, this must be in the running for finest extant, with surfaces that have been carefully preserved and display entrhralling iridescence in the fields.

Part of the War of the First Coalition, the "Glorious First of June" was the first and largest fleet action in the naval conflict between Great Britain and France. Occurring to the west of France in the Atlantic Ocean, it involved a large number of British and French ships and, through a tactical British victory, it was also a strategic French victory in the longer run. As such, both countries saw reason to celebrate and score propaganda points back home. This medal commemorates the events, along with the admiral, Richard Howe, who received his peerage six years prior in 1788.

韋桑島海戰是第一次反法同盟戰爭期間英、法兩國海軍最大規模的海上艦隊行動之一。該戰役發生於法國西部大西洋，大量英國和法國戰艦參與其中。英國在戰術上取得勝利，但長遠來看，法國亦成功完成戰略目標。因此兩國均自認勝出，並在本國輿論中獲得褒揚。此章鑄以紀念該場戰役及海軍上將理查德豪，他在六年前的 1788 年受封爵位。

GREAT BRITAIN. Trade Dollar, 1935-B. Bombay Mint. George V. PCGS Genuine—Mount Removed, AU Details. KM-T5; Mars-BTD1; Prid-30. A **RARE KEY DATE** in the series, with Krause estimating a survival rate of approximately 25 pieces against the original mintage of 6,811,995. Never released into general circulation, the date was condemned to the melting pot, a victim of declining trade with the Orient as a result of the Great Depression. Despite the noted mount removal on the reverse, likely from a pinback, the damage is contained within the central portion of the design. The surface also displays some unnatural brightness, highlight an old cleaning when this piece was part of jewelry. Even so, given the tremendous **RARITY** of the date, and the uncommonness with which it is offered, we still expect this piece to receive many bids.

1935-B年英國貿易銀元站洋壹圓銀幣。孟買鑄幣廠。該系列中的一枚**稀有關鍵日期**，Krause 估計原始鑄幣量為 6,811,995 枚，當中存世數目僅 25 枚。由於大蕭條導致與東方的貿易下降，此年份從無大量流通，大多於當時被送到熔爐。反面有明顯的鑲嵌移除痕跡，可能因扣針背所致，但損壞主集中於設計的中心部分。幣面亦呈些許不自然的亮澤感，因其曾作用珠寶飾品，應是當時老舊清洗所致。即便如此，鑑於年份的**稀少性**，以及其存世之珍罕度，預期投標會極其熾熱。

GREAT BRITAIN. Mint Error — Struck-Through Obverse — Trade Dollar, ND (1895-1935). PCGS AU-53. KM-T5; Mars-BTD1. This Trade Dollar features a dramatic “Struck-Through” obverse mint error of a degree rarely seen on coins of this type. Likely caused by an accumulation of grease on the obverse die, this error smothered away nearly all of the obverse design, leaving only the ghostly outline of Britannia and the ship behind her. In contrast, the reverse is well-struck and presents well-preserved detail marred only by minor scuffing. Due to the nature of the mint error, the date and mint location of this specimen are impossible to determine. A unique addition to any collection, and one not likely to be encountered again.

1895-1935年英國貿易銀元站洋壹圓銀幣。錯版。正面非常明顯的鑄缺瑕疵，罕見。很可能是由於正面模具上的油脂堆積造成的，這個錯體幾乎扼殺了所有正面設計，只留下了不列顛尼亞的輪廓和她身後的船。相對之下，反面鑄打上乘，細節保存完好，僅呈輕微磨損。由於鑄缺瑕疵，無法確定其年份及鑄幣廠地點。獨一無二的收藏，勿失良機。

INDIA. Mughal Empire. Mohur, AH XXXX//Year 2 (Azar) (1628). Surat Mint. Shah Jahan. NGC MS-63. Fr-787; KM-255.6. An impressive Mohur, likely originating from the Akola Hoard discovered in 1974. The story traditionally attached to these pieces is that they were military payment sent to Mughal troops. The courier delivering these Mohurs took camp for the night in a dry riverbed, when suddenly he and his accompaniment, along with all the Mohurs were carried away by a torrential monsoon. While perhaps not entirely believable, this story does offer a bit of character to the issue. The present specimen is beautiful, with a soft luster and sharp details and only a trace amount of contact. A piece that deserves an elevated place in a premium collection of Indian coinage.

INDIA. Bombay Presidency. British East India Company. 1/2 Anna, AH 1249/1834. Bombay Mint. PCGS PROOF-64 Brown. KM-253; cf. Prid-217 (for circulation strike); cf. Stevens-5.31 (same)). Small Letters of "HALF ANNA" variety. A **VERY RARE** proof, perhaps doubly so given the variety. Both Pridmore and Stevens do not record this reverse die with small lettering for usage on proofs, though this example clearly bears this tell-tale variant. Immaculately struck and rather wholesome, this proof demonstrates milk chocolate color and strong details from the special strike. The rims are fully formed, in a manner dissimilar to other Bombay Presidency circulation strikes. A lovely example, and one certain to be much contested for.

Impressive Mint State Oban

令人印象深刻的原廠狀態大判金

Tremendously alluring and engaging, this large gold issue from the later stages of feudal Japan offers wonderfully problem-free surfaces and a great deal of minty brilliance remaining throughout—a fairly **RARE** feat given its size. The inking on the obverse, though starting to fade in a few spots, remains original as well, making this impressive survivor an absolute must for the advanced collector of Japanese coins, world gold issues more broadly, or emissions that emanate from the more odd and curious vein of numismatics.

1725-1837年日本享保大判金。發行量8,515枚。誘人出眾，大規格的金鑄後期發行，幣面無瑕，通體原光若隱若現，甚是難得。正面些許墨跡，開始有些褪色，但依然原味十足，令整體吸引力大增，高端集藏或醉心研究趣味發行的藏家的必然之選。

Pleasing Man'en Oban

JAPAN. Oban (10 Ryo), ND Man'en Era (ca. 1860-62). PCGS Genuine—Added Ink, UNC Details. Fr-7; JNDA-09-11 (6A); Bank of Japan-Vol. 4 # 93; JV-Unlisted; Hartill-Unlisted; KM-C-24a.2; ANS Collection-1957.172.1954. Weight: 113.68 gms. 134 mm X 81 mm. Mintage: 17,097 inclusive of Type I and Type II. Type I, hand hammered crenellations (Tagane pattern) with security edge. This lovely survivor is a fantastic looking example of the last hand-hammered Oban type produced in Japan. The crenellations on the obverse are evenly spaced in five columns. The Kiri crest stamps that depict a Paulownia flower are bold with crisp details, and can be linked to the subsequent machine made Type II. The ink signature, Goto Tenjo the hereditary controllers of the Kinza (gold mint), though tastefully touched up has been re-inked displaying a slightly dull profile in those areas. The remaining original ink offers the typical characteristics of being glossy with a slight iridescent sheen near the edges. The reverse fields offer a satiny appearance with plenty remaining luster with lovely sunset hued patina in the peripheries that's complemented by a faint iridescent hues. The reverse exhibits naturally rough surface texture with boldly applied stamps and displays areas of rich dusky coloration near the edges. These hand made issues compared to the machine struck types appear on the market with much less frequency and should be considered very desirable as a type.

With Japanese Numismatic Dealer Association Certificate # 38597 and fitted wood presentation case.

MALAYA. Penang. Pice, ND (ca. 1805). NGC VF Details—**Chopmark.** KM-9; Prid-22. Emergency coinage of Governor Farguhar. A supremely interesting and very uncommonly encountered type, this piece immediately grabs attention with its massive size and unusual composition. The letters are the monogram for Governor Farguhar, and the chopmark is an as made feature of the coin. The mark was likely to signify official approval for this piece to circulate, as it represented a massive change from copper Pice that had previously circulated. A rather attractive specimen, with a glossiness to the surfaces that far surpasses most tin issues, and escapes the ugly oxidation that is common of issues of this composition. A tremendous specimen for the specialist or just those intrigued by visually striking examples.

NORWAY. Speciedaler, 1648-PG. Christiania Mint. Christian IV. NGC MS-63. Dav-3534; KM-12. Offering quality that is seemingly **RARELY** if ever encounter, this incredible crown radiates with tremendous originality and emanates from the final year of issue for the reign of Christian IV. Very well centered and struck, and yielding gunmetal gray toning with some delightful hints of champagne in the protected areas, this resounding specimen will undoubtedly generate tremendous enthusiasm and find its way into an advanced cabinet of Scandinavian treasures or world crowns in general.

A seldom-offered Davenport type in certified Mint State quality, the last offered, a NGC-graded MS-62, appeared at auction in June of this year. Sold by MDC in Monaco, it brought 20,000 Euros hammer (approximated \$21,333 + hammer) in that sale. Prior to that, the last certified Mint State example appeared at auction in 2015. Considering that, and that this example is one grade point higher than the most-recent sale, we expect competition to be fierce for this nearly unduplicated crown.

RUSSIA. Kyakhta. RI Gribushina & Co Tea Brick Money, ND (ca. 1918 or earlier). EXTREMELY FINE. Weight: 1,054 gms. 239 mm X 184 mm X 19 mm. Obverse: "РИ И ГРИБУШИНА И КН" in three lines within diamond indent; Reverse: "КЪЮКІАНСКІЙ" within shaped indent.

Unfortunately, we were unable to locate much in the way of information pertaining to the origins of this piece. When conducting our research, we were able to locate a prominent merchant family with the last name Gribushin who were involved in the tea and sugar trade. The founder of this famous merchant family, Mikhail Ivanovich Gribushin, began working at the age of 12 for the merchant Alexei Semenovich Gubkin. Three years later in 1847 at the age of 15 he was sent to the town of Kyakhta near the Mongolian border. There he eventually became manager of several tea plantations. Later in 1856 after years of hard work being well versed in the trade practices of the Chinese merchants and tea, he set out on his own. Based in Kyakhta he established a system to transport and purchase tea. He became one of the largest tea and sugar enterprises in Russia. After his death in 1889 his wife, Antonina Ivanovna Gribushina, took over the business along with their three sons Sergi Mikhailovich, Mikhail and Nikolai Mikhailovich. Eventually they changed the name of the company to "М. И. Грибушина Наследники" (M. I. Gribushina Heirs). In the book "ВЪСТНИКЪ ФИНАНСОВЪ, ПРОМЫШЛЕННОСТИ И ТОРГОВЛИ" (VESTNIK FINANCE, INDUSTRY AND TRADE) published in 1890 (using old Cyrillic) a passage on page 212 is most interesting and yet is still unclear, "КЪЮКІАНСКІЙ ЧАЙ ПО СВОЕЙ ДОРОГОЙ СТОИМОСТИ, НО, ВМЪСТЪ СЪ ТЪМЪ, И НЕСРАВНЕННО ДУЧШЕМУ КАЧЕСТВУ ВСЕГДА ОСТАНЕТСЯ ВЪ ИСКЛЮЧИТЕЛЬНОМЪ ПОЛОЖЕНІИ." (Kukian tea for its expensive cost, but at the same time, and incomparably better quality will always remain in an exceptional position.) The first word in this sentence is the same as used on the reverse of the present tea brick. From our understanding this appears to be an alternative spelling of the town name Kyakhta. Today the company is still around today and offers a fine selection of Chinese teas.

1918年或早期俄羅斯恰克塔茶磚錢。重量：1,054 克。239 毫米 X 184 毫米 X 19 毫米。正面："РИ И ГРИБУШИНА И КН"凹菱形內三行銘文；反面：凹形內"КЪЮКІАНСКІЙ"。

遺憾的是，我們未能仔細追溯其起源。在研究時，我們能夠找到姓 Gribushin 的著名商人家族，參與茶葉和糖的貿易。此家族的創始人米哈伊爾-伊萬諾維奇-格里布申從 12 歲開始為商人阿列克謝-謝苗諾維奇-古布金工作。三年後的 1847 年，年僅 15 歲的他被派往蒙古邊境附近的恰克圖鎮，最終成為了幾家茶園的經理。1856 年，經過多年的艱辛奮鬥，應籍精通中國商人和茶葉的貿易慣例，他決意自立門戶，在恰克塔創建了運輸和購買茶葉的貿易鏈，並成為俄羅斯最大的茶葉和糖企之一。在他於 1889 年去世後，他的妻子 Antonina Ivanovna Gribushina 與三名兒子 Sergi Mikhailovich、Mikhail 和 Nikolai Mikhailovich 一起接管了公司。最終，他們將公司名稱改為"М. И. Грибушина Наследники" (M. I. Gribushina 繼承者們)。在書 d 本"ВЪСТНИКЪ ФИНАНСОВЪ, ПРОМЫШЛЕННОСТИ И ТОРГОВЛИ" (VESTNIK 金融、工業和貿易)中的 212 頁饒有趣味且意味深長地指出：КЪЮКІАНСКІЙ ЧАЙ ПО СВОЕЙ ДОРОГОЙ СТОИМОСТИ, НО, ВМЪСТЪ СЪ ТЪМЪ, И НЕСРАВНЕННО ДУЧШЕМУ КАЧЕСТВУ ВСЕГДА ОСТАНЕТСЯ ВЪ ИСКЛЮЧИТЕЛЬНОМЪ ПОЛОЖЕНІИ." (Kukian 茶雖成本昂貴，但同時，質量無與倫比，始終在市場上佔一席位)。這句話的第一個詞與現在茶磚的反面用字相同。據我司的理解，這似乎是城鎮名稱 Kyakhta 的另一種拼寫。今天，此公司依然營運中，售賣各式的精選中國茶葉。

Obverse: Bare head right; Reverse: Interior view of the Gallery of Versailles, in which three ambassadors from Siam bow right before Louis XIV, seated facing them to right. Quite dazzling and extremely elegant, this issue from the vast output of medals celebrating various events and accomplishments during the lengthy reign of the French "sun king" is fairly **RARE** in its association with the East. Seemingly never encountered in such a lofty state of preservation, it is one of the earlier medals that connects the East and the West, marking the 1686 reception of Siam's ambassadors to the palace, and should be highly sought after as such. Mongkut and Chakra countermarks on a Mexico 1853-Mo GG 8 Reales. An incredibly SCARCE and difficult type, far surpassing the roughly contemporaneous Philippines and Japanese countermarks from the same period. According to numismatic tradition this type was countermarked by the Treasury, though more modern scholarship suggests that these were produced privately. Whatever the case, it is beyond dispute that only a handful have survived to the present day, and fewer still in condition as attractive as this piece. Though circulated, the understruck piece maintains a plethora of details and is pleasantly problem free. The counterstamps, though showing wear, are still boldly impressed and handsome. As our first offering of the type, this example is certain to command much attention from the many bidders who love the Thai series of coinage.

The Sole Finest 2012 Casascius 1 Bitcoin at PCGS PCGS評鑑最佳 2012年Casascius 1比特幣

54655

UNITED STATES OF AMERICA. Casascius 1 Bitcoin (BTC), 2012. Loaded. Firstbits 1CcqaxtR. Series 2. Brass. 28.5 mm. PCGS MS-67. This is an active and loaded cryptocurrency coin containing 1 BTC. The surfaces are virtually pristine, exhibiting satiny luster and shades of warm honey gold throughout. This coin is the **SINGLE FINEST** example certified by PCGS among only four coins graded for the issue. It is superior in condition to the 2011 Casascius 1 BTC that realized \$69,000 in our April 2022 sale with a grade of PCGS MS-66. This offering represents the very first appearance of physical cryptocurrency in our Hong Kong venue and it is sure to generate tremendous excitement for advanced collectors!

Issued on a 28.5mm brass planchet, the obverse features the Bitcoin currency symbol at center surrounded by a legend listing the date, denomination, and the Latin phrase "VIRES IN NUMERIS" that translates as "Strength in Numbers." The reverse features a tamper-resistant holographic sticker with the firstbits address printed at the center. Beneath the holographic sticker is the private key that, once revealed, allows the owner to sign a transaction, thus "spending" the bitcoin attached to this coin.

This particular specimen was acquired directly from Mike Caldwell in November 2012 as part of the consignor's second order of Casascius coins. It was purchased alongside a 25 BTC coin, ten 10 BTC coins, a 5 BTC, and another 1 BTC which is also offered in this sale (firstbits 1CCGaovW).

While the 2011 and 2013 Casascius 1 BTC appear with relative frequency, the 2012 1 BTC is **VERY SCARCE** on the market. According to researcher Elias Ahonen, only 4,089 2012 1 BTC were issued, which was less than half of the 8,352 that would be issued for the 2013 1 BTC. Over 30% of the 2012 1 BTC have since been peeled and redeemed, making this untouched and loaded example a true prize for collectors.

Please note that physical cryptocurrency coins will not be available for lot viewing in our Hong Kong office.

UNITED STATES OF AMERICA. Casascius 1 Bitcoin (BTC), 2012. Loaded. Firstbits 1CCGaovW. Series 2. Brass. 28.5 mm. PCGS MS-64. This is an active and loaded cryptocurrency coin containing 1 BTC. It is a very attractive example with astounding reflectivity in the obverse fields. Vibrant golden-wheat shades are accented by richer bronze and crimson coloration near the borders. An important opportunity to acquire this desirable and **SCARCE** 2012 example from the prized Casascius series created by Mike Caldwell, a software engineer from Utah, USA. It ranks as only of only four coins from this issue graded by PCGS. It is also superior in condition to the 2011 Casascius 1 BTC that realized \$78,000 in our April 2022 sale with a grade of PCGS MS-63.

Beautiful 0.5 Bitcoin Acquired Directly From Casascius 自Casascius 購入的亮麗0.5 比特幣

54657

UNITED STATES OF AMERICA. Casascius 0.5 Bitcoin (BTC), 2013. Loaded. Firstbits 124ng5aL. Series 2. Brass. 25.4 mm. PCGS MS-64. This is an active and loaded cryptocurrency coin containing 0.5 BTC. It is among the more **VISUALLY STUNNING** cryptocurrency coins we have handled, featuring a rich patina of bronze and honey-gold color at the borders. Sharply struck with nicely untroubled surface throughout. It is one of only 6 coins graded for the issue by PCGS. A similar MS-64 (PCGS) example realized \$31,200 in our April 2022 sale and we expect even greater competition for this piece as collector demand continues to grow.

This near-Gem example was purchased directly from Mike Caldwell, the creator of the Casascius series, by our consignee in May 2013 as part of an original roll of 50 0.5 BTC coins. The same purchase also included a roll of 50 1 BTC coins and the total purchase price was 100 BTC, which was at the time equivalent to roughly US\$12,000. A signed sale certificate from Mike Caldwell can be provided to the winning bidder by request at the close of the auction. Many of these coins were later peeled and redeemed in 2014 and 2015 when the price of Bitcoin was around \$300 to \$400 on average.

According to researcher Elias Ahonen, the Series 2 0.5 BTC were released on February 17th 2013 in response to the significant increase in the price of bitcoin, from around US\$14 to around US\$30, in just a few weeks. Issued on a 25.4mm brass planchet, the obverse features the Bitcoin currency symbol at center surrounded by a legend listing the date, denomination, and the Latin phrase "VIRES IN NUMERIS" that translates as "Strength in Numbers." The reverse features a tamper-resistant holographic sticker with the firstbits address printed at the center. Beneath the holographic sticker is the private key that, once revealed, allows the owner to sign a transaction, thus "spending" the bitcoin attached to this coin.

Stack’s Bowers and its affiliates may bid for their own account at any auction. Stack’s Bowers and its affiliates may have information about any lot that is not known publicly, and Stack’s Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack’s Bowers and its affiliates are not required to pay a Buyer’s Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve (“Reserve”). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack’s Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins, currency and cryptocurrency tokens in this Auction has been determined by independent grading services, and those that are not may be graded by Stack’s Bowers. Grading of rare coins, currency and crypto tokens is subjective and, even though grading has a material effect on the value of the coins, currency and cryptocurrency tokens, grading may differ among independent grading services and among numismatists. Stack’s Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack’s Bowers and lot descriptions are based solely upon an examination of the coins, currency and cryptocurrency tokens and are intended to identify coins, currency and cryptocurrency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack’s Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest half or full increment and this rounded bid will be the bidder’s high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer’s decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder’s protection, no “unlimited” or “buy” bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid

per lot. Bids will not be accepted from persons under eighteen (18) years of age without a parent’s written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent (“Floor Bidders”) should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale (“Telephone Bidders” and “Live Internet Bidders”). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack’s Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK’S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack’s Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer’s Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of \$20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the “Buyer’s Premium”). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer’s Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer’s hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the “Default Date”), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars or Hong Kong Dollars. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer’s invoices will be credited with the amount of U.S. Dollars at the rate established by the Auctioneer at the time of the Auction Sale. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier’s check. Cash transactions will be accepted in the sole discretion of Stack’s Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack’s Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, Mastercard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack’s Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack’s Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney’s fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack’s Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly

and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack's Bowers reserves the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. Sales Tax. Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. Financial Responsibility. In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot

consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. Shipping. It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Stack's Bowers, in its sole discretion, may not ship to select countries. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the country where the auction is hosted, the declaration value shall be the item(s) hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the country where the auction is hosted. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AND PROVENANCE OF A LOT.

a. COINS, CURRENCY AND CRYPTOCURRENCY TOKENS LISTED IN THIS CATALOG AS GRADED AND ENCAPSULATED BY PCGS, NGC, ANACS, ICG, PCGS CURRENCY, PMG, PCGS BANKNOTE GRADING, CMC OR ANY OTHER THIRD PARTY GRADING SERVICE ARE SOLD "AS-IS" EXCEPT AS EXPRESSLY SET FORTH HEREIN AND MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BUYER. ALL THIRD PARTY GRADING SERVICE GUARANTEES, INCLUDING AUTHENTICITY, ARE THE SOLE RESPONSIBILITY OF THE THIRD PARTY GRADING SERVICE AND NOT WARRANTIES OR GUARANTEES OF THE AUCTIONEER. BUYERS SHOULD CONTACT THESE THIRD PARTY GRADING SERVICES DIRECTLY WITH RESPECT TO ANY CLAIMS OR QUESTIONS THEY MAY HAVE CONCERNING THEIR GUARANTEES AND WARRANTIES. BUYERS ACKNOWLEDGE AND AGREE THAT AUCTIONEER IS NOT BOUND BY OR LIABLE FOR ANY OPINION OR CERTIFICATION BY ANY THIRD PARTY GRADING SERVICE.

b. In the case of non-certified coins, currency and cryptocurrency tokens that have neither been examined by the Buyer prior to the Auction Sale, nor purchased by the Buyer or Buyer's agent at the Auction Sale, if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin, currency, or cryptocurrency token such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence. Non-certified coins, currency and cryptocurrency tokens that have been either examined by the Buyer prior to the Auction Sale or purchased by the Buyer or Buyer's agent at the Auction Sale, will

not be granted return privileges, except for authenticity.

- c. All non-certified coins and currency are guaranteed to be genuine.
- d. All certified and non-certified cryptocurrency tokens are guaranteed to be genuine only. Auctioneer disclaims any guaranty of any kind with respect to cryptocurrency tokens, including, but not limited to: face value, the contents or existence of any accounts, wallets, or other physical, digital or other receptacles of value, the existence of a cryptographic private key, or the ability to fund any cryptocurrency. Actual cryptocurrency value is neither confirmed nor guaranteed by Auctioneer.
- If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.
- e. Late remittance or removal of any item from its original container or third party graded holder, or altering a coin constitutes just cause for revocation of all return privileges.
- f. Grading or condition of rare coins, currency and cryptocurrency tokens may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.
- g. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.
- h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.
- i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.
- j. Bidders shall have no recourse against the Consignor for any reason whatsoever.
- k. Bidder acknowledges that the numismatic and cryptocurrency token market is speculative, unregulated and volatile, and that prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.
- l. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be uninterrupted, error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM

OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

Terms & Conditions – Showcase and Collectors Choice Auctions (cont.)

1. 拍賣基準。本次公開拍賣會（「拍賣會」）由有擔保拍賣商 Stack's Bowers Galleries 或 Stack's Bowers and Ponterio（下文稱為「拍賣商」及不時稱為「Stack's Bowers」）主辦。在拍賣會上競投即表示閣下（「競投人」）接受本文所載的所有銷售條款。競投人可包括貨主，該等貨主可根據與 Stack's Bowers 訂立的委託協議在拍賣會上競投及購買他們自身或其他貨主委託的拍賣品（「貨主」）。在拍賣會競投自身拍賣品的貨主支付的費用可能異於向其他買方收取的佣金。Stack's Bowers 保留在任何拍賣會上加入其自身拍賣品以及聯營或相關公司、主事人、高級職員或員工的拍賣品的權利。Stack's Bowers 可能在拍賣會上的任何拍賣品中擁有直接或間接權益，並且可能收取佣金。以上兩句應被視為目錄中載列的所有拍賣品說明中的一部分。倘若一名貨主回購一個拍賣品，而且該拍賣品獲退還予貨主或按照貨主的指示或根據合約協議以其他方式處理或處置，則 Stack's Bowers 保留權利在已變現價格中如實註明或在已變現價格中忽略一個價格。Stack's Bowers 及其聯營公司可於任何拍賣會上出於自身利益競投。Stack's Bowers 及其聯營公司可能持有有關任何拍賣品的不公開資料，並且 Stack's Bowers 及其聯營公司保留按自行決定的方式及出於自身利益使用該等資料的權利，而不需要在目錄、目錄說明或拍賣會上披露該等資料。競投人承認及同意，Stack's Bowers 和其聯營公司不需要支付其他買方可能需支付的佣金或其他收費，並且可能獲得有關該等拍賣品的非公開資料。拍賣會的所有參與者明示放棄由此導致的利益衝突或競爭優勢提出索償的權利。拍賣品可能附帶一個底價。底價是指一個保密價格或競投價，若競投價低於底價，拍賣商將不會出售貨品，並且將代表貨主或 Stack's Bowers 回購該貨品。買方是出價最高而且獲拍賣商接受的競投人，並且包括作為代理人的競投人主事人。

2. 說明及評級。競投人承認，本次拍賣會的大部分硬幣、貨幣及加密貨幣和代幣的評級已由獨立評級服務機構釐定，而其他未獲評級的硬幣可能由 Stack's Bowers 評級。罕見硬幣、貨幣及加密貨幣和代幣的評級帶有主觀性，雖然評級對硬幣、貨幣及加密貨幣和代幣的價值有重要影響，但獨立評級服務機構之間及古幣收藏家之間的評級也可能互有差異。Stack's Bowers 不對獨立評級服務機構賦予硬幣的評級負責，並且不對該評級作出任何保證或陳述。競投人進一步承認並同意，Stack's Bowers 賦予硬幣的評級及拍賣品說明僅單獨基於對硬幣、貨幣及加密貨幣和代幣的考證，並且其目的是註明任何被認知的特徵。然而，評級及說明帶有主觀性。Stack's Bowers 不保證該評級或說明的準確性。本目錄中的所有照片都是實際待拍物品的照片，但可能與實際尺寸有所差別或不符比例，Stack's Bowers 擁有該等照片的版權。

3. 競投過程。拍賣商有權透過代表貨主或其代理人、或以郵件、電話、互聯網或電傳方式競投的競投人、或拍賣會上的任何其他參與者出價，公開或接受任何拍賣品的競投。所有競投均必須以美元下達及執行。競投必須針對整個拍賣品，並且每個拍賣品均構成一筆獨立的交易。未經拍賣商允許，不得將任何拍賣品分拆。除非拍賣商另有指示，否則拍賣品將按其編號順序進行拍賣。所有拍賣品均應作為獨立的拍賣品出售予拍賣商裁定的出價最高的競投人。拍賣商可自行決定接受或拒絕任何競投價，挑戰任何競投價或設置競投價遞增金額、降低已收到的郵件競投價、裁決所有競投糾紛及裁定勝出競投。拍賣商有權但並沒有義務撤回對任何競投的接受，並將該拍賣品再次投入拍賣。拍賣商對所有競投糾紛的裁決具有約束力，並且是最終決定。為保護郵件和網絡競投人，不接受「無限」或「購買」競投。如果某個拍賣品收到相同的競投，將根據拍賣商的決定優先考慮第一個收到的競投。郵件競投將優先於同價的實地競投；實地競投和電話競投人的競投價必須高於最高的郵件競投價才能獲得任何拍賣品。對於未滿十八 (18) 歲之人士，若

沒有收到其父母代表該未成年競投人承認本銷售條款且同意受其約束的事先書面同意，將不會接受該未成年人的競投。當拍賣商透過敲槌或其他慣用方式宣佈交易完成時，一個拍賣品之拍賣即告完成。

這不是試用出售。不管親自還是透過代理到場參加拍賣會的競投人（「實地競投人」），均應仔細檢視自己有意購買的所有拍賣品。不管親自還是透過代理以電話方式競投的競投人，均與實地競投人一樣接受同等待遇，可以積極參加現場拍賣會（「電話競投人」）。除非本銷售條款中另有明確規定，否則任何競投人不得以任何理由退回已購買的物品。在拍賣會之前親自檢視拍賣品的所有潛在競投人需負責競投人對拍賣品造成的任何損害。Stack's Bowers 有權自行裁定所造成的損害的價值，而且該競投人應對此立即予以賠付。

Stack's Bowers 不對競投過程中出現的任何差錯負責。所有競投人應確保對正確的拍賣品進行競投，根據真實意向出價。拍賣商一旦擊槌及宣佈獲勝競投人，即使該競投人出錯，也必須無條件付款購買該拍賣品。Stack's Bowers 保留即使在落槌之後，也可隨時撤回任何拍賣品的權利，直到該買方已經實際取得該拍賣品。即使是在拍賣會之後撤回拍賣品，拍賣會的參與者也沒有權利追索任何損害賠償，包括間接損害賠償。

4. 競投人必須登記。有意競投的所有人士均必須在拍賣會或透過互聯網網上填寫及簽署登記卡或競投表登記參加拍賣。提交競投，即表示競投人承認，競投人已經閱讀拍賣條款和條件及他們競投的拍賣品的說明，並且他們同意受這些銷售條款約束。本協議應視為在加利福尼亞達成。競投人承認，以數字描述拍賣品的發票包括了目錄和銷售條款。

5. 買方佣金。競投人的所有購買均額外收取相等於每個拍賣品獲接受的最後成交總價百分之二十 (20%) 的買方佣金，最低收取佣金為20美金，而無論買方是否附屬於任何集團或組織。或會根據獨立協議向貨主收取回購費用，回購費用可能高於或低於買方佣金。

6. 付款。款項在拍賣商落槌之後即時應付。在拍賣會之後十四 (14) 個日曆日（「違約日」）內未以真實資金全額付款，將一律構成拖欠付款及違約（時間為要素）。除非在拍賣之前以書面形式聲明同意其他形式，所有拍賣款項將以美元及港元款項支付。所有發票將以美元出具。若以港元支付，買方的發票將以賣方的銀行結算所得之美元金額開具。款項可以信用卡、Paypal、銀聯、支票、銀行電匯、匯票或銀行本票支付。僅在Stack's Bowers全權同意准許的情況下接受現金結算，且若現金結算額（一次或多次）超出10,000美元，須填寫表格 Treasury Form 8300。請在發出電匯之前聯繫 Stack's Bowers 以查詢電匯指示。若電匯付款，買家需另付35美元電匯手續費。我們接受以Visa, MasterCard, American Express, Discover, Paypal 或銀聯清付每張總款項於2,500美元或以下之發票，30天內總發票金額不得超過10,000美元。所有款項均有清算期。美國銀行發出的支票需時最多十個工作天，國外銀行發出的支票需時最多三十個工作天。Stack's Bowers 保留拒絕發放尚未收到真實資金的拍賣品的權利。對於到期未付的任何賬款，Stack's Bowers 保留在不通知的情況下授予信貸並收取附加費用（如下所述）的權利。買方同意支付為收回過期未付賬款而產生的合理律師費及成本。任何發單於違約日後到期未付，均會於發票金額上外加百分之五延遲費用。買方個人無條件保證全額償還欠付 Stack's Bowers 的所有款項。對於任何代表公司或其他實體進行競投的個人，進行競投即表示個人同意負責支付購買價格及相關費用，並且履行銷售條款項下的所有買方義務，Stack's Bowers 保留要求出具該等付款及義務的書面保證的權利。尚未與 Stack's Bowers 建立信貸關係的競投人必須提供令 Stack's

Bowers 滿意的信用證明，及/或支付至少相當於其在本次拍賣會時 218 Terms & Conditions – Showcase and Collectors Choice Auctions (cont.) 段總競投價百分之二十五 (25%) 的保證金，或 Stack's Bowers 根據其唯一及絕對酌情權決定在接受此類競投之前必須支付的其 他金額。提交的保證金將用於購買。貨款一旦結清，將立即退還所有剩餘保證金。

7. 銷售稅。買方如沒有於拍賣會開始前已向拍賣商出示有效的轉售證書，將被徵收所有適用的銷售稅。若買方要求拍賣品所運送至的州份在送貨日前已徵收銷售稅，買方將同意在送貨前按送貨目的地州份的要求支付所有適用的銷售稅。對於買方應支付而未支付的任何稅款，即使由於 Stack's Bowers 的失誤、錯誤、疏忽、或明顯疏漏造成的，買方仍負有責任並同意在收到要求時立即支付上述稅款以及可能被稅務局徵收的任何利息或罰金，亦同意免除拍賣商承擔任何責任，包括並不限於所有適用的銷售稅、利息或罰金。不同場次的拍賣，拍賣品可能並不全適用於所有的銷售稅。

8. 財務責任。如果買方不遵守銷售條款中的任何適用條件，或若買方未能在違約日之前全部付款，則除了法律或衡平法賦予 Stack's Bowers 的所有其他補救外，Stack's Bowers 可自行決定保留以下權利：(a) 取消售予違約買方的拍賣品或任何其他拍賣品的銷售交易，同時作為違約損害賠償扣留買方已支付的所有款項，理由是實際損失具有不確定性或難以計算，或 (b) 以商業上合理的方式轉售 Stack's Bowers 持有的部分或所有拍賣品，其中可包括公開銷售或私下銷售，銷售數量以 Stack's Bowers 認為足以償還債務以及所有應計費用為限，並且 Stack's Bowers 可能收取在商業上合理的賣方佣金。可根據 Stack's Bowers 的選擇進行不止一次的此類銷售。若 Stack's Bowers 轉售有關拍賣品，買方同意支付此類銷售的合理成本以及附帶的銷售成本，包括合理的律師費和成本、目錄編製和任何其他合理費用。應透過獲認可的隔夜快遞服務或 U.S.P.S. 掛號郵件並要求回條將銷售通知送達買方在競投表、拍賣寄售和抵押協議中提供的地址或 Stack's Bowers 所知的其他最新地址。銷售收入應首先用於抵銷買方違約造成的任何損害賠償，之後用於抵銷欠付 Stack's Bowers 的任何其他債務，包括但不限於佣金、手續費、附加費用、兩次買賣的開支、合理的律師費、成本、收款代理費用和成本以及所產生的任何其他成本或開支。如果此類銷售的所得款項不足以抵銷債項，買方還需負責向 Stack's Bowers 支付任何差額。

買方授權 Stack's Bowers、其聯營公司及受讓人抵銷任何應付款項或欠付 Stack's Bowers 的任何金額，並利用 Stack's Bowers 持有或控制的任何過去、現在或將來的寄售品或購買品，或利用 Stack's Bowers 或其聯營公司及受讓人應支付予買方的任何金額進行此類抵銷。另外，違約買方將被視為已向 Stack's Bowers、其聯營公司及受讓人轉讓以下的抵押權益：(x) 已購買拍賣品及其所得款項，及 (y) Stack's Bowers、其聯營公司或受讓人持有的款項或其他物品及其所得款項，以作為欠付 Stack's Bowers 及其聯營公司的所有債務以及所有應付開支、附加費用、律師費及成本的抵押，直至清償所有債務為止。買方授予 Stack's Bowers 使用任何可允許的方式完善抵押權益的權利，包括提交對此類物品的 UCC-1 融資聲明，及將此等抵押權益轉讓予 Stack's Bowers 認為適當的任何聯營公司或相關公司或任何第三方的權利。如果未在違約日之前全額支付拍賣發票金額，須對未支付的結餘按每月百分之一點五 (1-1/2%) 的利率支付附加費用，直到付清。如果該利率超過法律允許的最高利率，則該利率將被調整為法律允許的最高利率，並且已超額支付的金額將被計入本金。買方同意支付 Stack's Bowers 或其聯營公司或相關公司為了收取過期未付發票金額，或為了解釋或執行本文條款，或在源於或涉及拍賣會的任何訴訟或法律程序中所產生的所有

合理律師費、訴訟費和其他追收欠款費用。Stack's Bowers 保留將其利益轉讓予任何第三方的權利。如果成功投得任何拍賣品的買方是由多過一名人士或一個實體組成，則其中的每位個人或每個實體須共同及個別承擔該買方的所有責任，而不管該等個人或實體的職銜或身份為何。Stack's Bowers 應擁有《加利福尼亞州統一商法》下有擔保方可享有的所有權利，以及貨主向買方追收欠款的所有權利，無論是法律上或是衡平法上的權利。

9. 貨運。買方有責任在拍賣之後聯絡 Stack's Bowers，以安排運輸及包裝事宜。由於某些拍賣品易受損壞，Stack's Bowers 可能選擇不承擔運輸或包裝責任，或就額外的運輸及處理收取費用。Stack's Bowers 可自行決定不運送至某些國家。買方承擔標明「加裝外框」的拍賣品的運輸風險。所有稅款、郵資、運費、(若適用)處理與保險成本、買方佣金及法律要求收取或徵收的其他費用將添加至就任何拍賣品向買方出具的發票。全部運輸到外國的拍賣品將要額外收取0.5%的保險費用(最低10美元)。任何要從拍賣舉行當地出境的拍賣品，其申報價值應為拍品落槌價加上買家佣金。拍賣行不會賠償任何因海關或政府扣押、沒收、損毀拍品等而導致的損失。買方應負責為於拍賣舉行當地以外交付的所有拍品支付所有適用的稅款，關稅和海關費用。所有拍賣品的運輸將在目的地交貨，並且預付及墊付運費。在目的地指示交付之後，擁有權及損失風險將轉移至買方。接受交付即表示接受已購買的拍賣品。檢視已購買的拍賣品並非接受交付之必須條件。基於買方未能收取已購買拍賣品、買方收到的拍賣品受損或與交付相關的其他情形的任何及所有索償，必須在付款之後三十 (30) 天內或拍賣日(「外部索償日期」)

(取兩者中較早者)，由 Stack's Bowers 以書面形式收取。買方可能不會收到運輸通知，追蹤外部索償日期並且及時告知此類索償是買方的責任。未能及時提出索償(時間為要素)將構成對任何該等索償的放棄。使用信用卡支付的發票，拍賣品將會被運至信用卡資料上所確認的地址。

10. 免責聲明及擔保。不對任何拍賣品的適銷性或針對特定目的的適用性作出或暗示任何擔保。除擁有權的擔保外，不對任何拍賣品作出任何明示或暗示的擔保，並且在擁有權方面，拍賣商只銷售貨主在拍賣會日期對該拍賣品擁有的權利或擁有權。所有拍賣品均「按原樣」及具有之所有瑕疵出售。買方特此承擔有關和涉及拍賣品的評級、品質、描述、狀況和原產地等方面的所有風險。

a. 本目錄列載的硬幣、貨幣及加密貨幣和代幣由 PCGS、NGC、ANACS、ICG、PCGS CURRENCY、PMG、PCGS BANKNOTE GRADING、CMC 或任何其他第三方評級服務機構評級及裝盒，除此處明確說明外，均按“原樣”出售，買方不得出於任何原因退還該等硬幣或貨幣。所有經第三方評級服務機構擔保的硬幣或貨幣，包括其真實性，應由第三方評級服務機構承擔全部責任。買方應就任何有關擔保及保證的索賠或問題直接聯繫第三方評級服務機構。買方承認並同意，拍賣商不會對任何第三方評級服務機構的任何意見或認證作出承責或擔保。

b. 對於買方未在拍賣會前進行檢視或未由買方或買方的代理在拍賣會上購買的非認證硬幣、貨幣及加密貨幣和代幣：如果 Stack's Bowers 在審議中裁定，非認證硬幣、貨幣及加密貨幣和代幣的目錄說明存在重大錯誤，則可退還該等拍賣品，條件是 Stack's Bowers 在交付相關拍賣品之後七十二 (72) 小時內收到相關書面通知，並且 Stack's Bowers 在交付之後十四 (14) 個日曆日內收到由原密封箱包裝的該等拍賣品，並且該等拍賣品的狀況與當初交付予買方時的狀況相同(時間為要素)。非認證的硬

幣、貨幣及加密貨幣和代幣在經買方檢視或由買方或買方的代理在拍賣會上購買，除真實性外，不會獲得退貨特權。

c. 所有非認證的硬幣及紙幣，其真實性均受確保。

d. 所有經過認證及未經認證的加密貨幣和代幣都已獲保證是真實的。拍賣商不對加密貨幣和代幣提供任何形式的擔保，包括但不限於：面值、任何帳戶的內容或存在、錢包或其他實體、電子或其他價值容器、私密金鑰的存在，或為任何加密貨幣提供資金的能力。拍賣商既不確認也不保證實際的加密貨幣價值。

如果根據本文條款退還物品，該等物品必須被放置在未開封的原密封箱內。

e. 延遲退還或拆除組成原密封箱的任何物品即構成撤銷所有退貨特權的原由。

f. 罕見硬幣、貨幣及加密貨幣和代幣的評級或狀況可能對已購買物品的價值有重要影響，而且他人的意見（包括獨立評級服務機構）可能與該獨立評級服務機構的意見或 Stack's Bowers 的解釋不同。Stack's Bowers 應不受獨立評級服務機構的先前或此後意見、裁定或認證約束。

g. 有關硬幣作為「幣樣」或「商業製幣」鑄製的問題與製造方法相關，而與硬幣的真實性不相關。

h. 除非明確聲明為書面擔保，否則 Stack's Bowers 及其員工（包括聯營及相關公司）作出的所有口頭和書面表述僅屬意見表述，不屬於任何類型的擔保或陳述，並且 Stack's Bowers 的任何員工或代理人均無權改變或更改本拍賣條款及條件。任何變更只有採用書面方式，並且需經有權簽字的 Stack's Bowers 高級職員簽字後方能生效。Stack's Bowers 保留權利，以行使其絕對酌情權對銷售條款作出一般或針對特定人士或情況的修改或更改。任何修改或更改只有採用書面方式，並且需經有權簽字的 Stack's Bowers 高級職員簽字後方能生效。

i. Stack's Bowers 作為官方拍賣師。所有拍品皆由委託人出品而直接由買家購買，因此，Stack's Bowers 並不會作出任何擔保。

j. 競投人無權以任何理由對貨主提出追索。

k. 競投人承認，罕見硬幣及加密貨幣和代幣市場具投機性、不受規管且非常波動，並且硬幣及貨幣價格可隨時間推移上升或下跌。Stack's Bowers 不保證或聲明任何客戶將能夠在未來出售獲利。

l. 競投人承認並同意，Stack's Bowers 或其員工、聯營公司、代理人、第三方提供商或貨主均未擔保拍賣不會受到破壞、被中斷或出現差錯，並因此不對此類事件負責。

11. 棄權和豁免。競投人代表其自身、繼承人、代理人、繼任人和受讓人就一般情況和具體情況放棄和豁免，同時永久免卻 Stack's Bowers 及其各個聯營公司、母公司、股東、代理人、子公司、員工、其各自的董事會成員及他們每個人以及他們各自的繼承人和受讓人承擔競投人可能聲稱享有的涉及和/或源於或關於對購買的任何商品的擁有權、真實性、銷售本身、競投或寄售的任何拍品和/或拍賣之質疑而提出的任何類型或性質的任何和所有索償、權利、要求和起訴、訴訟原因的責任，包括但不限於根據拍賣商的疏忽而提出的索償（「索償」），而不管是依據法律還是依據衡平法、已知還是未知、被懷疑還是未受懷疑的索償、權利、要求和起訴、訴訟原因，惟銷售條款另外授權的索償除外。競投人的意圖在於，此等棄權和豁免應等效於對可能根據本協議提起或與拍賣會相關的每個索償的免除，並且競投人明確自願放棄其根據《加利福尼亞州民法

典》第 1542 章享有的任何及所有權利及利益，章節全文如下：

「一般豁免並不包括債權人及豁免方在簽署豁免書時並不知曉或懷疑可能存在的有利於他/她的索償，且一旦獲知，必定對其與債務人及被豁免方之間的清算產生重大影響。」

12. 糾紛。如果出現有關拍賣品擁有權，或有關任何銷售所得款的糾紛，Stack's Bowers 保留啟動申訴人及答辯人之間的法定程序的權利，並由貨主、買方和任何其他合適當事人承擔相關開支，並且在此等情況下，Stack's Bowers 應有權收回其合理的律師費和成本。Stack's Bowers 保留以任何理由取消或推遲拍賣會或其中任何拍賣時段的權利。競投人不得就此提出索償，包括基於附帶或間接損害的索償。Stack's Bowers 或其任何聯營或相關公司均不負責因銷售條款、拍賣及拍賣進行中存在的任何問題造成的附帶或間接損害賠償，並且此類責任在任何情況下均不得超過已支付的購買價格、佣金或費用。拍賣條款及條件中所賦予競投人的權利歸屬個人，並且僅適用於最初從 Stack's Bowers 購買拍賣品的競投人。不得透過銷售拍賣品、運用法律或其他手段將該權利轉讓或讓與任何其他個人或實體。任何轉讓或讓與此類權利的意圖應屬絕對無效及不可執行。任何第三方均不得依賴本拍賣條款及條件賦予的任何利益或權利。

13. 一般條款。本拍賣條款及條件及拍賣適用美國加利福尼亞州法律監管，不論拍賣會於何處舉行。任何拍賣或拍賣品

因條款產生或與條款相關之糾紛，除 Stack's Bowers 針對所欠款項或對其造成損害所採取之行動外，將交由仲裁，其所依據之法條為 Professional Numismatics Guild ("PNG") 條文。所有競投人同意，美國加利福尼亞州法庭，受仲裁須要之限制有解決關於本銷售條款、拍賣會或拍賣品導致的所有糾紛的專屬管轄權，不論任何一方目前或未來的居所。所有競投人亦同意仲裁發生地點為加利福尼亞州橘郡(Orange County)，由橘郡高等法院執行。競投人同意，除非在拍賣會日期後一 (1) 年內啟動，否則有關本拍賣會的任何法律訴訟將被禁止。Stack's-Bowers 網站上的本銷售條款及資訊構成相關當事人就本文所述主題達成的完整協議，並取代有關主題的所有其他協議、諒解、擔保和陳述。如果本拍賣條款的任何部分，或其中任何部分的任何條款或規定被具有有效管轄權的任何法庭裁定為無效或無法執行，其餘部分或某部分的其餘條款和規定將繼續完全有效，且不以任何方式受到損害或失效。Stack's Bowers 可完全自主決定向貨主或競投人提供貸款或預付款。

14. 中文譯本。中文譯本僅供參考之用。若中英文版本的條款及條件、拍品描述有歧義，應以英文版本為準。

在本拍賣會上競投，即表示競投人無條件接受上述銷售條款。

PCGS及NGC編號是方便競投人參考之用，我們不保證其正確性。PCGS及NGC編號的錯誤不得作為退購之根據。
