John Edgar Sandrock, Captain, SC (Retired)

Numismatic Enthusiast

John Edgar Sandrock's interest in numismatics grew out of his travels while serving in the United States military. His interest in the Orient dates from duty in Tsingtao, North China with the 2nd Marine Air Wing in 1946 and as a retired Supply Corps Navy Captain he saw much of the world "up close and personal." Collecting the coins and paper currencies of China was his specialty.

While on shore duty in the 1950s, John founded the World Paper Currency Club, whose quarterly, *The Currency Collector*, was one of the first such publications in the United States to bring together numismatists with an interest in foreign paper money.

John believed to be a true numismatist one must look beyond collecting for the sake of one's collection alone. True knowledge was achieved through researching the history and stories behind the currency, as they often reveal fascinating insights into the "why, where and when" of the economic, political and social issues of their time. It is in this spirit that the articles contained in his website <https://thecurrencycollector.com>, written over 60 years of collecting, are offered.

In addition to Asian coins and other currencies of the world John's collecting interests included old newspapers and other related historic documents. John was a regular contributor to various numismatic publications and the author of *Copper Cash and Silver Taels*, a book covering the monetary aspects of life in China during the Ch'ing dynasty.

John was a member of the World Paper Money Club (Charter Member No. 67 – 1961), the Maryland Foreign Paper Money Club (Charter Member No. 1 – 1963), the Chinese Banknote Collector's Society (Charter Member No. 16), the International Bank Note Society, (No. 26 – April 1, 1963), the World Paper Currency Collectors (No. 1 - 1971), Till Riddare av Numismatisk Orden (1961), the American Numismatic Association (No. R-30007 – 1958), and Numismatics International (No. 2383).

John regularly corresponded with collectors and authors Albert Pick, Maurice Muszynski, Arnold Keller, Ed Bohannon, Samuel Burgdorf, George Sten, Dwight Musser, Ward Smith, Hank Barton, Dr. Brian Matravars, Stewart Wesdal, Arthur Matz, King-On Mao and many others over the years.

More about John Sandrock's writings and history can be found at <https://thecurrencycollector.com> and at <https://soledadmemorial.org/plaques/id/16301/>.

美國海軍後勤部上校(退休)John Edgar Sandrock

錢幣學愛好者

John Edgar Sandrock對錢幣學的愛好源自其在美國軍隊服役期間的旅程。1946年，John跟隨美國第二航空聯隊進駐青島。作為一名退役海軍後勤部上校，其對這大千世界有著切身的體會，並專注收藏中國錢幣與鈔票。

1950年代執行岸上任務期間，John創辦了世界鈔票俱樂部，該俱樂部的季刊《紙幣收藏家》是美國最早將外國紙幣收藏家匯聚一堂的刊物之一。

John深信，如要成為一名真正的錢幣學家，單單著眼於自己的集藏並不足夠。只有對該鈔票背後的歷史和故事進行充分研究，了解在當時的經濟、政治、社會背景下“為何、何處、何時”發行該鈔，才能獲得真確的知識。在<https://thecurrencycollector.com> 網站中，John發表了多篇文章，分享其60多年收藏經歷帶來的見解。

除亞洲錢幣及其他世界紙幣外，John還喜歡收藏舊報紙和相關歷史文件。John定期在多本錢幣刊物中發表文章，更是《銅錢與銀兩》的作家，向讀者介紹中國清朝時期貨幣。

John同時亦是以下收藏協會的成員：世界鈔票俱樂部（創始成員第67號 - 1961年）、馬里蘭州外國紙幣俱樂部（創始成員第1號 - 1963年）、中國紙幣收藏家協會（創始成員第16號）、國際紙幣協會（創始成員第26號- 1963年4月1號）、世界紙幣收藏家（第1號 - 1971年）、致錢幣學騎士團（1961年）、美國錢幣學協會（第R-30007號 - 1958年）和國際錢幣協會（第2383號）。

John多年來不時與以下藏家及作家通訊：Albert Pick、Maurice Muszynski、Arnold Keller、Ed Bohannon、Samuel Burgdorf、George Sten、Dwight Musser、Ward Smith、Hank Barton、Dr. Brian Matravers、Stewart Wesdal、Arthur Matz、毛景安等等。

如欲了解更多John Sandrock的文章及經歷，請前往<https://thecurrencycollector.com>和<https://soledadmemorial.org/plaques/id/16301/>。

Despite the damage, which can be seen most extensively on the characters' side in the form of several chopmarks, this piece retains enough presentability to be an affordable example of this consistently demanded type.

安徽省造無紀年七錢二分。雖有損傷，以戳記形式集中在字面。但無礙美觀。人氣版別中的性價比之選。

Despite some darkness in a few spots, as well as the noted chopmark, this crown offers an appealing look and makes for a charming representative.

Nearly-Mint and with just a light degree of cleaning, this specimen offers a high degree of flashy brilliance, and stands as a fairly SCARCE and elusive type.

光緒二十四年安徽省造庫平三錢六分銀幣。近原廠品相，清洗痕跡極輕微。光澤璀璨，頗珍罕的版別。

\$2,000-\$4,000

(t) CHINA. Fukien. 3.6 Candareens (5 Cents), ND (1894-1908). Fukien Mint. Kuang-hsu (Guangxu). PCGS Genuine—Mount Removed, EF Details. L&M-294; cf. K-127 (for type); cf. KM-Y-102.1; cf. WS-1034 (for type). Variety with additional rosette at 12 o'clock. Seemingly an EXTREMELY RARE variety for the type that is unlisted in Kann, L&M, or WS, with an additional rosette appears near the rim directly above the dragon's head. Though PCGS designates most pieces from this issue as "without rosette," there are no numerically graded "with rosette" examples listed in the PCGS population report. That leaves two options: the present coin could be one of a very few details graded examples, or it could be an entirely unique example that is the first to be encapsulated by PCGS. As of yet we cannot recall offering another "with rosette" variety in any past sales. This nicely detailed EF presents slate gray surfaces and only a very subtle trace of mount removal. Of paramount importance to dedicated Fukien specialists who are willing to challenge themselves with tough varieties.

福建省造光緒元寶三分六釐銀幣。十二點方向有額外花星。在耿愛德、L&M和WS中均無收錄，應是極為珍罕的版別。儘管PCGS將此版大部分評為"無花版"，在評鑒報告中"帶花版"無一獲評數字評分。有兩個可能性：此拍品是極少數獲細節評分之一，亦有可能是PCGS評級中的唯一一枚。我們並無上拍"帶花版"的記憶。EF細節精美，石板灰色幣面，隱約可見鑲嵌移除痕跡。難得一見的版別，福建省造幣藏家的不二之選。

Variety with dots under “chia” and “chen” and with dot after “CANDAREENS”. A welcomed and conditionally RARE exception to the typical Kiangnan Dollar, which in almost every case seems to be cleaned or otherwise impaired. This beautiful coin is solidly Mint State with no room for discussion and is thus refreshing to see. Essentially brilliant with just a nuance of soft champagne toning, superb luster encircles each face with potent brilliance. Only perhaps limited by just a few tiny scattered surface marks that amount to very little aesthetically, careful consideration from any prospective buyer is recommended as this coin seems easily worthy of the “premium quality” qualifier. Variety without dot in Manchu script and with inverted A for V in PROVINCE. Pale gray surfaces show some light wear that is commensurate for the grade while hints of pale charcoal patina have developed near the rims on both faces. A good example of this variant for the Kirin specialist's consideration.

Variety without dot in Manchu script. Pale pewter gray surfaces reveal tinges of olive and amber patina near the recesses of the design. There is perhaps a bit too much flash to their texture to merit a numerical grade from PCGS, but overall appearance is still quite satisfactory. Sure to appeal to many collectors with realistic budgets and expectations.

辛丑吉林省造光緒元寶三錢六分銀幣。滿文無點。淺白鑲灰色表面，底板可見幾縷橄欖色與琥珀色包漿。PCGS數字評分而言此幣過分明亮，整體品相與評級相符。必定能打動預算有限而具包容心的藏家。

Variety with fine scales, dot in Manchu script, and "CAINDARINS" spelling. Wholly original, with deep antique toning and no signs of cleaning or other intentional forms of surface disruption. Moderate wear in line with the assigned grade, with remnants of luster peering through from the recessed areas. It is difficult to imagine a more wholesome example of the type in this condition.

Variety without dot in Manchu script and with inverted A for V in PROVINCE. Pale steel gray surfaces are rather satisfying despite the noted cleaning, while wear is at a minimum for the assigned grade. A nice offering that exhibits well formed detail and a die variety in the English legend that is rather seldom encountered.

壬寅吉林省造光緒元寶三錢六分銀幣。滿文無點，倒A。淺鋼鐵灰色幣面，經清洗但並不礙眼，磨損極少，與評級相符。細節飽滿，模具的英文銘文較少遇見。

A rather more affordable example of this type that still boasts generous detail and very little circulation.

壬寅吉林省造光緒元寶三錢六分銀幣。滿文無點。幣面油亮，或經長期擦拭，但已養出淺鋼鐵灰色與冷琥珀色包漿。細節豐富，流通極輕微，價格較實惠的一枚。

Variety with inverted S in CANDARINS. A boldly to sharply struck piece which yields no weakness in any design elements. Wear is also at a minimum, having practically no effect on the clarity of the design. Slate gray surfaces do present evidence of a prior wipe, but they have retoned nicely in olive and pale charcoal shades. A good example of this less frequently encountered erroneous English spelling.

壬寅吉林省造光緒元寶三錢六分銀幣。倒S。鑄打銳利，圖文不見任何弱打。磨損極少，完全不影響圖文清晰度。石板灰色表面，可見曾經擦拭，但已重新包漿，呈橄欖與炭色。頗難遇上的英文錯拼。

(t) CHINA. Dollar, Year 3 (1914). PCGS MS-64. L&M-63; K-645; KM-Y-329; WS-0174-1. On the very cusp of Gem in terms of technical surface quality, offering an essentially mark-free reverse with only a few scattered marks on the portrait, with some light planchet roughness apparent on the high points of either side due to strike weakness. Extraordinarily flashy, the luster smooth and watery throughout, a ring of golden tone gracing the outer rims. A gorgeous example.

CHINA. Dollar, Year 3 (1914). PCGS Genuine—Environmental Damage, AU Details. L&M-63; K-646; KM-Y-329; WS-0174-1. Two round ink chops, one with Chinese character “he”, on obverse; round ink chop within square on reverse. An interesting and unusual ink chopped piece with a rather well-preserved host coin. Curiously, the smaller round chops on both sides appear to match. This suggests they were placed at the same time, while the larger obverse chop was likely applied earlier. CHINA. Shanghai. Fantasy Silver Tael, "Year 6 (1856)" (ca. mid 20th Century). In the Name of Hsien-feng (Xianfeng). NGC AU-55. Shi-3var.; cf. L&M-589; K-F900; cf. WS-1122. Plain edge variety. Obverse: "Cake (of) standard silver (from the) business firm (of) Wang Yung Sheng (in the) Shanghai district (in the) 6th year (of Emperor) Hsien Feng;" Reverse: "Made (by) Wan Chuan, silversmith; Supervised (by) Chow Yuen Yu. Exact weight one Tsaoping Tael." An old copy (or counterfeit, forgery, or imitative type), this issue closely resembles the original issues, with the primary differences being minor variations in the stylization of the characters, the lack of edge design, and the overall fabric of the fields. Despite these differences, this piece was made in high enough quality where it presumably could have been sold as genuine prior to the period when high quality illustrations were ready available. As such, it's difficult to say definitively if these items were produced with ill-intent, or were made to provide collectors with an ability to acquire an item of similar design to the otherwise unobtainable originals. In any event, many items made in this vein can be considered **RARE** today, and the well-over-half-century since their manufacture has certainly bolstered their collectability. This example happens to be the first we have seen of its type, with moderate gray surfaces and scattered but even handling. As could have been said decades ago, a good chance for the collector to acquire a reasonable copy of a type that has otherwise exceeded affordability for most collectors.

CHINA. Hunan. Changsha. Gold Medallion Tael or Ounce, 1936. EXTREMELY FINE. Weight: 34.61 gms. Obverse: Phoenix flying leftward, head right, clouds above, "長沙" (Changsha), "李文玉足赤" (Liwenyu, pure gold); Reverse: St. George slaying the dragon. A VERY RARE and intriguing medallion semi-bullion issue, this piece delivers an intricate design and much excellent beauty on the surfaces.

The historic city of Changsha began being settled around 3000 B.C. and through the centuries became an major financial center. During times of strife and conflict many important monuments and institutions had been destroyed, but would be later be rebuilt. In fact, during the second Sino-Japanese war the inhabitants, under the command of Xue Yue, were able to repel the invading Japanese forces three different times, but were unsuccessful during the fourth attempt in 1944 and city fell to the Japanese. Unfortunately, early on in the conflict Generalissimo Chiang Kai-shek feared that the city would be taken by Japanese forces and ordered the city to be burned in 1938 now known as the Wenxi Fire. This resulted in Changsha being one of the most damaged cities during World War II. The Wenxi fire also saw the end of many shops and businesses including Liwenyu gold shop. Now Changsha is one of China's 15 most developed and economically advanced cities and has exceeded a GDP of RMB 1.327 Trillion.

歷史名城長沙於公元前 3000 年左右開始有人定居。幾個世紀以來逐漸發展成一個主要的金融中心。在衝突時期，許多重要的紀念碑和機構被毀，後來才被重建。事實上，第二次中日戰爭期間，居民們在薛岳的指揮下曾三次擊退日本侵略軍，但在 1944 年的第四次嘗試中未能成功，城市落入日軍之手。不幸的是，在衝突初期，蔣介石擔心這座城市會被日軍佔領，並於 1938 年下令焚燒這座城市，史稱文夕大火。這導致長沙成爲二戰期間受損最嚴重的城市之一。文夕大火導致包括李文玉金店在內的許多商店和企業的倒閉。現在長沙是中國 15 個最發達、經濟最發達的城市之一，GDP 已超過 1.327 兆元人民幣。

CHINA. China - Great Britain. First Opium War Silver Campaign Medal, Instituted 1842. London Mint. ABOUT UNCIRCULATED. Barac-72; Gordon-50. By W. Wyon. Engraved and awarded to John Bloomfield of the Royal Marines. Obverse: Diademed head of Victoria left; Reverse: ARMIS EXPOSCERE PACEM (seeking peace through might), oval shield in front of pile of military implements and musical instruments; palm tree in background; CHINA on tablet in exergue. Edge: Plain. Clasp attached at the top, with ribbon featuring red central band and smaller yellow bands to either side; CANTON 1857 Silver clasps. A RARE and always desirable example of the popular medal from the pivotal period in Sino-British relations, this example retains much allure, with strong details largely avoiding the scourge of handling that is so common on campaign medals. Deeply toned and wholesome, with good underlying brilliance. A piece that is possibly a later striking, as the medal die matches other known examples, but bears a touch of rust.

Entrancing 1863 Pattern Hong Kong Dollar

迷人1863年香港壹圓銀樣幣

33305

(t) HONG KONG. Silver Dollar Pattern, 1863. London Mint. Victoria. PCGS Genuine—Tooled, AU Details. KM-Pn83; Mars-Unlisted; Prid-210; Boon-Unlisted. Representing one of the earliest Pattern Dollars for Hong Kong, this Dollar can boast a history and pedigree that is far beyond what almost all other emissions related to Hong Kong. Standing at the beginning edge of the effort to supplant varied circulating currencies in Hong Kong with a unified Hong Kong Dollar, this Dollar provides amongst the first evidence of Hong Kong's growing status as a major influence on the world stage. This example, while having faults as evidence by the noted tooling and a likely past cleaning, is yet wholesome with strong remaining details. Only a slight touch of wear is seen on the braid of Victoria, with the intricate details of her crown and garlanding still being present. Soft toning has started to reappear around the peripheries, being most forceful on the reverse. Given the absurd **RARITY** of the piece, and the famous pedigree, we expect many exuberant bidders to gleefully participate in this lot, as the chance to hold history in one's hands is seldom so palpable.

1863年香港壹圓銀樣幣。倫敦鑄幣廠。香港最早期的試鑄銀圓之一，其蘊含的歷史價值和其譜系，可在香港錢幣中登高望遠，登峰造極。作為替換香港各種流通貨幣的起點，印證了香港在世界舞台上日漸增長的影響力。此枚在過往的修整或是清洗過程留下些許缺陷，但仍然保持著深峻的細節。維多利亞的髮辮只有輕微的磨損，皇冠和花環的精緻細節纖毫畢現。邊緣處重獲輕微包漿，反面更為明顯。鑑於其無可反駁的稀缺性和著名譜系，定會在拍賣場上引起一番龍爭虎鬥，創下歷史紀錄。

Elusive Hong Kong Trial Dollar in Copper

神祕香港試鑄銅樣幣

33306

(t) HONG KONG. Copper Dollar Pattern, 1865. London Mint. Victoria. PCGS Genuine—Rim Damage, EF Details. KM-Pn114; Mars-Unlisted; Prid-205; Boon-Unlisted. Very few issues from the Hong Kong series can match the importance and desirability of this Pattern Dollar on the strength of its merits. Proceeding the circulation issue Hong Kong Dollars produced between 1866-1868, this trial in copper largely mirrors the accepted style of the adopted designs. Of course, its composition in copper and the word “TRIAL” behind Victoria’s head highlight the transitory nature of this piece. While it is unknown how many examples of this Pattern were produced, that number surely cannot be great, as the paucity of traded examples confirms. We have not offered an example of this type since 2015, and we have been unable to trace any other example trading since that point.

The present example is strongly struck, with good details present and a wholesome chocolate brown color to the surfaces. Wear is even and consistent, and no general effacement of the details has occurred. The noted unfortunate edge damage can be seen at the peripheries, with a few knock marks circumnavigating the rims. Despite these minor drawbacks, this example is certain to command a bevy of attention, as examples of this **EXTREMELY RARE** type are exceedingly difficult to locate with any frequency.

1865年香港壹圓銅樣幣。倫敦鑄幣廠。極其重要且令人嚮往的樣幣，鮮少有其他香港系列的發行能與之比擬。此銅製試鑄是在1866年至1868年間生產的流通版香港壹圓之前發行的，其在很大程度上與後期採用的設計風格相似。當然，銅質金屬本質和維多利亞頭像後面的“TRIAL”字樣突顯了這枚試鑄幣的過渡性質。雖然此試鑄幣的實際數量未知，但可以肯定的是，數量並不龐大，因為此版的交易非常稀少。自2015年起，我們就沒有經手過此版，亦遍尋不獲其他公開的拍賣交易的紀錄。

此枚壓鑄深刻，纖毫畢現，細節清晰，呈現巧克力棕色。磨損均勻一致，並且沒有無明顯的細節磨損。邊緣處可見些許邊緣損傷，輕微敲擊痕跡圍繞。雖有瑕疵，但瑕不掩瑜，此**極其罕見**的版別必會引起市場的矚目。

33307

(t) HONG KONG. Dollar, 1866. Hong Kong Mint. Victoria. PCGS PROOF-62. KM-10; Mars-C41; Prid-1A. Plain edge proof. The Hong Kong Dollar when presented as a normal business strike is on its own merits one of the most popular and most demanded Chinese crowns. When offered in proof format, this desirability is elevated to a new level that is seldom approached. The popular design is exceptionally executed in proof format, with clarity in the details and a crispness about the rims that is not approached by business strikes. This tremendous Dollar is coated in a soft original cabinet tone, with varied pinks, grays, and golds contrasting against each other and providing a nice overlaying layer that tops the reflective and watery fields. It has been four years since our last offering of an 1866 Hong Kong Dollar proof, and this serves as evidence of the tremendous **RARITY** of proof examples. Given this, we would expect no shortage of bidders seeking to add this to their numismatic cabinets, as a doubtless capstone piece to any collection of Hong Kong coinage.

1866年香港壹圓銀幣。香港造幣廠。光邊。此版流通幣本已是藏家的不懈追求，樣幣版更是藏家常年夢寐以求的藏品，廣受歡迎的程度鮮有能與之匹敵的。鑄工高超，設計的精細顯露無遺，細節及幣緣的銳利感明顯優於流通版。整體見柔美的多彩包漿覆蓋，粉色、灰色和金色相互交融，唯美非常。距離我司上次呈獻 1866 年香港精製銀幣已事隔四年，足證其稀罕之處。有鑑於此，我司預期將不乏競標者希望將此珍品添納至集藏，無疑是本次拍賣中香港錢幣收藏的壓軸之作之一。

(t) HONG KONG. Dollar, 1866. Hong Kong Mint. Victoria. PCGS MS-62. KM-10; Mars-C41; Prid-1. Presenting wondrous allure and engagement for one's eyes, this resounding example features much more elegance than its merely nearly-Choice designation would otherwise indicate. The strike is robust and fairly bold, with an intense array of lustrous brilliance evident throughout. Though the surfaces are mostly argent and immensely frosty, some subtle color is noted, just to break the otherwise monochromatic nature. This toning presents in the form of some champagne tinges nearer the peripheries, and further elevate its stately appeal.

(t) HONG KONG. Medallion City Hall Dollar, 1867. Hong Kong Mint. Victoria. PCGS PROOF-58. KM-Unlisted; Mars-Unlisted; Prid-318. Obverse: Portrait of Victoria left (obverse dollar die); Reverse: Inscription in 9 lines "HONG KONG CITY HALL FOUNDATION STONE LAID BY H. E. SIR R. G. MACDONNELL C. B. 23rd FEBRUARY 1867 A. HERRMITTE ARCHT."; Edge: Plain. Amongst the loftiest of RARITIES in the entire Hong Kong series, this medallion type provides a nice twist on the classic Hong Kong Dollar theme with a reverse inscription commemorating the inauguration of the Old Hong Kong City Hall. Many retained details are present across the surfaces, with only a light bit of handling evidence of the highest elements. Slight friction is also noted for completeness, though this does not detract too much from the appeal of this example, as it retains strong shimmering appeal. An example that will certainly be appreciated by all specialists in Hong Kong coinage.

Old City Hall in Hong Kong was completed in 1869 after two years of construction and differed from many other Public buildings in that it did not house government offices, but was rather only used for public purposes. A theater, library and museum were among the many rooms available for public use.

HONG KONG. 5 Cents, 1883-H. Birmingham (Heaton) Mint. Victoria. PCGS SPECIMEN-67. KM-5; Mars-C8; Prid-128A. Produced in exceptional quality, this Specimen strike shows immense reflective qualities in the fields, while the designs are perfectly formed and rise prominently from the fields. As a result of ages of cabinet storage, premium tone adorns the surfaces as well, with dappled orange hues appearing atop the obverse, while the addition of blues and green color appears on the reverse. Certainly **RARE** in this grade, it is presently tied with a handful of others for the finest certified by PCGS.

A landmark RARITY and the first we can recall offering since 2016, this piece will be hotly contested by the most advanced Hong Kong numismatists when it crosses the auction block. Exceptional Near-Gem “Four Perfections” 4 Tien

近極美紹治四美

33411

ANNAM. “Four Perfections” 4 Tien, ND (1841-47). Thieu Tri. NGC MS-64. KM-279; Sch-254; Thierry-Not listed; Thierry Supplement-442; T.Z.S.L.-pg. 284 # 66. Obverse: “Tu My” at sides, the four perfections above, forming of the sea with three trees below; Reverse: “Thieu Tri Thong Bao”. Essentially as attractive a piece as one might hope for within the Annam Tien series, in terms of surfaces quality: the design is fully struck with no areas of weakness, while the surfaces exhibit an admirable level of originality while also remaining virtually free of marks or other issues. The luster is uninterrupted and shines with a natural glossiness, while the surfaces are graced by deep cabinet toning, indicating an overall undisturbed nature that is not often encountered upon these Annamese silver types. A piece that would be difficult to improve upon and will surely be prized by the collector whose hands it next enters.

The “Four Perfections” depicted on this piece are the sun in the East, waxing moon in the West, the constellation of the heart (Tam Tuc) and the planets in the clouds. These are said to represent “Hao Canh” (smiling landscape), “Lang Than” (happy day), “Thuong Tam” (ravished heart), and “Lac Su” (pleasant pursuits). The constellation of the heart in the upper left field is said to represent the star of Antares with the two outer stars also part of the constellation of Scorpius. According to Chinese astrologers, Antares symbolizes the son of the heavens, the left star the heir apparent and the right star the sons of the second rank wives.

安南紹治通寶四美。正面“四美”各佔一側，上方為日月星雲，下方為海浪與梅蘭竹。反面“紹治通寶”。安南古錢系列藏家必定心動，幣面品質上乘；設計滿打，全無弱打，原汁原味，肉眼不見留痕或瑕疵。光澤連綿而自然，表面覆有深色窯藏包漿，顯然經悉心靜置，不被干擾。幾乎無可挑剔，必定會被藏家珍視的一枚。

A Tantalizing and Unlikely 5 Tien Survivor

攝人心魄的倖存五錢

33412

ANNAM. 5 Tien, ND (1843-83). Tu Duc. NGC MS-63. KM-456.2; Sch-349.3; Thierry-V288 (gold); Thierry Supplement-Not listed; T.Z.S.L.-pg. 289 # 87; Dav-132. A remarkably intricate and quite whimsical design decorates the obverse of this engaging large-sized silver type, featuring a facing dragon against a cloudy backdrop. On the reverse appears the characters “Tu Duc Thong Bao Trieu Dan Lai Chi”. The details are fully struck up and sharply defined, the somewhat matte-like texture of the obverse fields providing a shimmering backdrop to the lively mythical design. Overall the surfaces are untoned and relatively free of distracting marks or hits. A tantalizing and unlikely survivor from an issue that very seldom appears on the marketplace as a whole, and sure to attract much attention from connoisseurs of large-denomination silver Tien types.

The inscription, translated as “The whole nation will be confident”, on this type was borrowed from a chapter in the “Tho Kinh”, a manuscript of penal laws of the Prince of Lu. This appears to follow the teachings of Confucius who believed in a well-ordered society tied to tradition and the past, but also valued academia and held the view that the country resembled a large family guided by a righteous and just ruler. Confucius believed that the ideal ruler governed by compassion, not force, and would avoid war while tending to the needs of the less fortunate. Though a ruler who failed to set a good example for his subjects, their reign would end in disaster.

安南嗣德通寶兆民賴之。此大尺寸銀幣正面可見龍穿雲圖，設計華麗精美。反面為“嗣德通寶兆民賴之”。細節滿打銳利，正面底板呈啞光質感，粼粼光澤點綴極具神秘感的設計。表面全無包漿，亦不見礙眼留痕或磕碰。市面上鮮少露面的版別，收藏大規格銀錢的藏家必定關注。

Obverse: "Long Van", facing dragon in clouds around; Reverse: "Tu Duc Thong Bao". Obverse: "Su Dan Phu Tho" (May the nation be given prosperity and long life); Reverse: "Tu Duc Thong Bao". An admirable near-Choice example; the eye is immediately drawn to the undisturbed nature and overall wholesomeness of the surfaces, a fairly atypical for these early Annam types. Gentle luster abounds, with a thick layer of natural patina enveloping the entirety of the coin. We note the presence of the usual small anti-counterfeiting punch upon the obverse, in this instance at around 5 o'clock near the rim.

BRITISH NORTH BORNEO. Copper Mint Advertising Token, 1861. Birmingham (Heaton) Mint. NGC VF-30. SS-11A (this coin plated). A highly interesting test striking. Using a worn British Penny as a host, the obverse was overstruck with the obverse die of a British North Borneo Cent (KM-2; SS-7) and the reverse was overstruck with a die used for advertising the services of the Birmingham Mint, dated 1861. A rather crude strike, much of the undertype remains visible including the silhouette of the bust. The surfaces are evenly brown and free from any post-mint damage that would distract from the intriguing amalgamation of detail that this piece offers. An unquestionably **RARE** opportunity for discerning collectors of colonial Southeast Asian issues.

BURMA. Pe, CS 1214 (1852). Mandalay Mint. Mindon. PCGS MS-64. KM-6.1; Robinson & Shaw-11.7. An amazing survivor of the series, this coin presents a virtually unrivaled strike for the type, with full detail present on the central designs, as well as beautiful silvery luster throughout. Die comparison with those imaged in *The Coins and Banknotes of Burma* by Robinson and Shaw confirm this piece as from different obverse and reverse dies than those listed. A highly intriguing mule featuring the obverse of a Ceylon 1/48 Rixdollar from 1802 and the reverse of an India, Madras Presidency 1/48 Rupee from 1797. 光可鑒人的精製坐洋

33492

FRENCH INDO-CHINA. Piastre, 1889-A. Paris Mint. NGC PROOF-62. KM-5; Gad-34. Mintage: 100. Displaying tremendous eye appeal for the grade, this **RARE** crown-sized issue shows little tone over the surfaces, thus allowing the viewer to focus upon the deeply reflective fields and meticulously defined designs. Considering the combination of its paltry mintage and the enduring popularity of the denomination, one of highest coveted issues from the entire French Indo-China series.

An iconic issue in proof format, these were produced for sale at the Exposition Universelle of 1889 (Paris World's Fair). The Exposition Universelle remains one of the best known World's Fairs for its iconic entrance arch, the Eiffel Tower (which was not entirely completed, but still open to the public). The event was held during the year of the one-hundredth anniversary of the storming of the Bastille, traditionally seen as the beginning of the French Revolution. Some of the famous attendees of this Fair included Thomas Edison, Vincent Van Gogh, and the future King Edward VII. The largest diamond known at that time was on display, the 184.5 carat "Imperial Diamond."

此精製發行，用於1889年世界博覽會（巴黎世界博覽會）出售之用。如今巴黎世博會仍以其當時做為入口的埃菲爾鐵塔而被認定是全球最知名的博覽會。埃菲爾鐵塔此時並未完工，但仍對外開放。博覽會舉辦年份，是被認為是法國大革命開端的佔領巴士底監獄一百週年紀念。參觀博覽會的名人有愛迪生、梵高以及當時尚未登基的愛德華二世。當時世界最大的鑽石，184.5克拉的皇家鑽石也在此展出。博覽會中最吸引大眾注意的是一個所謂的"人類動物園"或者說是人的展覽。展出內容是重建的法國海外屬地的土著村落及居民。

珍禽天堂鳥罕品

33506

GERMAN NEW GUINEA. 5 Mark, 1894-A. Berlin Mint. Wilhelm II. PCGS MS-65+. KM-7; J-707. Undoubtedly one of the marquee German colonial issues, the elegant and eminently desirable bird-of-paradise 5 Mark—*issued under the New Guinea Company*—offers as much allure as the bird itself were it perched before the viewer. On this particular standout, some warm pastel hues grace the Gem surfaces, which are illuminated with minty brilliance and a sharp, robust strike. Rather **SCARCE** in grades of Mint State, it is **VERY RARE** when encountered so lofty as is the case here, with Proofs generally being the only representatives obtainable at this numeric level—the *business strike seemingly always falling short*. Indeed, just three have been graded finer in the PCGS census.

GREAT BRITAIN. Trade Dollar, 1900/890-B. Bombay Mint. Victoria. PCGS MS-62. KM-T5; Mars-BTD1; Prid-9 var. (regular date). 1900/890 overdate. An always demanded overdate variety, particularly when preserved at such an elevated condition level, as this example is tied with one other for the finest certified by PCGS. Strongly struck and rather lustrous, this Dollar exudes argent beauty, and the surfaces show only a light trace of contact. Compare this example with lot #20181 in our September 2021 Hong Kong example, which reached a hammer price of \$10,000, despite being grade a LOWER MS-61.

A charming example of the difficult and elusive overdate type, the present example is bathed in a rich golden hue, with details remaining and limited signs of actual handling. GREAT BRITAIN. Trade Dollar, 1900. Calcutta Mint. Victoria. NGC MS-62. KM-T5; Mars-BTD1; Prid-9. Exceptionally Rare Calcutta Mint Proof Trade Dollar One of Just a Few Known

極罕貿易銀洋後鑄——存世寥寥可數

33586

GREAT BRITAIN. Trade Dollar, 1901-C. Calcutta Mint (although likely struck in London). Victoria. NGC PROOF-60. cf. KM-T5 (for prototype); cf. Mars-BTD1 (same); cf. Prid-12 (same). A colossal titan within a vastly popular series, this proof striking is **EXTREMELY RARE**. While proofs (or restrikes thereof, for that matter) are quite rare from this series, those bearing the “C” mintmark of Calcutta are far rarer, bordering on unknown. Exceptionally well made, this example showcases refined reflectivity in the fields and elegant crispness within the designs. The rims, often put in focus for issues emanating from India, are sharply brought up and squared off, with no evidence of pre-strike filing or adjustments. The surfaces remain almost fully brilliant, with some moderate hairlines that determine the grade, but are of only minor impact on the visual appearance.

While labeled as a restrike by NGC, there seems to be no definitive evidence that categorizes this piece as an original or restrike, therefore the known facts are worthy of consideration. First, it is known that proofs from the British Trade Dollar series were struck nearly contemporaneously to their initial manufacture. Evidence of this exists in the auction of John G. Murdoch in July of 1903. In that auction, there were proofs recorded of the following dates: [Gold: 1895, 1896 (2), 1897 (2), 1898, 1899 (2), 1900, 1901 (2), 1902 (2)] [Silver: 1895 (2), 1896 (2), 1897 (2), 1898, 1899, 1900, 1901 (2), and 1902 (2)]. While the Murdoch catalog does not go into specifics on mints, the 2001 sale by Noble Numismatics (of Australia) of a gold 1901-C that was provenanced to the Murdoch collection (and later Farouk) proves that “C” mint examples were, in fact, made as “originals.” It is also worth noting that Pridmore’s mentioning of proofs, especially in gold, diminish after 1902, coinciding with the year of Murdoch’s death. As such, it is a reasonable conclusion that Murdoch was chiefly, or even solely responsible for commissioning such proofs, with the practice largely being discontinued after his patronage. Concerning restrikes from the series at large, there is little written on the specifics thereof, however several auction records for restrike proofs of the key 1921 and 1935 dates exist. One of those citations mentions the restriking to have been done by Spink in the 1960s, however, we’ve seen references to no other dates. Whether original or restrike, it’s clear that all proofs from this series are elusive, with the offering of a “C” mint example presenting a tremendous opportunity for the advanced collector in the series, and one that will not likely be seen again anytime soon.

1901-C年英國貿易銀元站洋壹圓銀幣。加爾各答鑄幣廠。後鑄幣。閃閃生輝，光可鑑人，精製打鑄，細節完好無缺。備受歡迎的系列，極罕，令人印象深刻。雖然本編目員無法找到其他類似的重鑄銀幣，但至少有一些已知的後鑄銀幣是1921年孟買造幣廠鑄造的，其中最近的一枚NGC PROOF-63在2015年以26,000美元的價格落槌。據稱，在20世紀60年代Spink & Son重新後鑄。與此同時，亦有一些相類似的黃金後鑄，同樣珍罕非常。出自默多克和法魯克收藏的，與本品相同，鑄幣廠和日期均為1901年左右。雖然起源不明，無容置疑，此拍品為資深收藏家提供了絕佳的入藏機會，如此珍品難以短時間內在公開拍賣中再遇。

33627

GREAT BRITAIN. Trade Dollar, 1934-B. Bombay Mint. George V. PCGS MS-63. KM-T5; Mars-BTD1; Prid-29. One of the core **KEY DATES** of the series, its rarity the result of the melting of much of its original mintage. To find a coin such as the present example is exceedingly uncommon; in the upper echelons of condition and choice even for the grade assigned, its highly original surfaces shine forth with hues of champagne and pale red that give way to more autumnal colors towards the peripheries. A special coin and one worthy of a premium bid.

GREAT BRITAIN. 5 Pounds, 1937. London Mint. George VI. PCGS PROOF-66 Deep Cameo. S-4074; Fr-409; KM-861.

Approximate Mintage: 5,500. A mesmerizing example of this proof-only issue, it separates itself from most with its thick, satiny frost that adorns the central designs, imparting a depth to the appearance that is seldom if ever equaled. Similarly, the fields showcase luxurious qualities, with instances of handling remaining at a minimum and no fog or patches of tone that take away from the appearance. The quality is confirmed by PCGS, as a select few have reached this exalted level in their population reports, and only four that have surpassed this example with the Deep Cameo designation. Of heirloom quality, this example is sure to bring pride to its next owner, as fine objects of this magnitude never go out of style.

The surfaces also confirm this piece has seen little handling since its striking, with minimal hairlines or instances of contact. Altogether, a fine example of the type, with an appearance that sets it apart from most.

This lot provides the opportunity to acquire a hitherto unknown **RARITY** from the British Indian series, a VIP Double Proof Set with an original case of issue from 1904. While the exact reason for the manufacture of the set is unknown, it is unrecorded in either Steven & Weir or Pridmore's works on the coinage of British India. One proposed reason for manufacture was to provide a representative sample of the Uniform coinage in circulation in British India in 1904. This set features a mixture of dates, though is a complete representative of the silver denominations produced during the reigns of Edward VII and the recently deceased Victoria. This example shows a consistency of fabric, with all examples bearing the same general reflectivity and deep tone across the surfaces, highlighting the staying power of the set, as it was able to remain together for over a century. All the examples in this set are beautiful, with enough allure throughout to make this set a crown jewel in any collection of Indian coinage.

此拍品乃千載難逢入藏英屬印度系列的罕有機會，一套 VIP 雙重精製套幣，帶 1904 年發行的原盒。鑄製的原因不明，史蒂文和威爾或普里德莫爾關於英屬印度鑄幣的參考書目中均無收錄。其中一個可能性是為 1904 年在英屬印度流通的硬幣提供一統一的代表範例。套幣帶不同年份，包括所有愛德華七世統治時期和近期身故的維多利亞女王時期發行的銀幣。鑄幣的材質一致，鏡面底板，幣面見深色包漿。橫越一世紀套幣仍能完整無缺呈現，難能可貴，每枚均亮麗無比，可說是印度幣集藏的頂級收藏，當之無愧。

INDIA. Bengal Photographic Society Silver Award Medal, 1873. CHOICE ABOUT UNCIRCULATED. Pudd-869.5. By J. S. & A. B. Wyon. Diameter: 51mm; Weight: 64.38 gms. Engraved and awarded to Sir William de Wiveleslie Abney. Obverse: Seminude female seated right, holding flower and plaque adorned with geometric design; lily pads in foreground below, palace arches behind; Reverse: BENGAL PHOTOGRAPHIC SOCIETY, garlanded laurel wreath with inscription in four lines in varying scripts: "FOR HELIOTYPES / To / Lieutt. W. de W. Abney." Edge: Plain. Deeply toned and with a good deal of brilliance radiating from beneath; just a few light edge bruises are noted for completeness. A RARE early award from this society, awarded less than two decades after the society's founding.

An English astronomer, chemist, and photographer, William de Wiveleslie Abney was born in 1843 and educated at the Royal Military Academy. He would go on to serve with the Royal Engineers in India, where he would continue his interest in the still-recent technology behind photography. His background in chemistry and astronomy allowed him to combine all of these skills, such as with his development of a "dry" photographic emulsion (as opposed to the normal "wet"). It was with this dry emulsion that he photographed the transit of Venus across the sun during an expedition in Egypt. This prize medal, one of the earliest awarded of the type, was issued during Abney's time in India, and honored his work on heliotypes—a process involving the transfer of images from photographic negatives to hardened gelatin plates, the latter of which could then be used to create lithographs in printing. A re-offering from our previous sale in which this lot was unpaid by the eventual winner.

W. de W. Abney"。光邊。深色包漿，底光充沛，邊緣有若干淺傷，特此說明。附原盒。罕見的早期協會獎章，頒發於協會成立二十年內。威廉-德維弗萊斯-阿伯尼爵士出生於1843年，在皇家軍事學院接受教育，是英國的天文學家、化學家和攝影師。隨皇家工兵部隊服役於印度之時，仍繼續堅持在當時算是新科技產物的攝影愛好。他的化學及天文學背景助他融合所有技術並發展出"乾式"感光乳劑。他在埃及探險時拍攝的金星穿日正是使用了這種乾感光乳劑。這枚獎章是同類中最早的版別之一，在阿伯尼在印度服役期間頒發，以表彰他在膠板印刷方面的貢獻。涉及將圖像從攝影底片轉移到硬化的明膠板，後者可用於在印刷中製作石版畫。

Exceptional Mint State San Bu 精彩絕倫原廠品相三分

34072

JAPAN. Japan - Mexico. Ansei Trade Dollar (3 Bu or San Bu), ND (ca. 1859-60). PCGS MS-62. KM-101.4; JNDA-09-57(44A); Jacobs/Vermeule- J101; Bank of Japan Collection-76/77; Dav-272; Early Japanese Coins-Pg. 132, fig. 9.89. Issued between late 1859 until 12 May 1860. Small characters variety. Four Japanese characters "Aratame San Bu Sada" (determined to be 3 Bu worth of silver) individually applied between the rays from 11 to 2 o'clock on the obverse of an 1858-Zs MO Mexican Republic 8 Reales. A most wonderful **RARITY** of the Japanese series, this example retains a charm that is far beyond what is normally seen on the type. Soft glossy slate color is seen at the central devices, with a brighter golden color enlivening the peripheries. The countermarks are deeply impressed, with a boldness that is commendable. An example that should suffer no shortage of attention, as it sits near the pinnacle of desirability for any Japanese coinage issue.

Mexican "Dollars" were exchangeable for 3 Bu of silver, as in accordance with Article V of the Treaty of Amity and Commerce, signed 29 July 1858 and enacted 4 July 1859, as set forth by the Consul-General Townsend Harris. It wasn't until Yokohama opened up for trade in 1859 that silver coins began being countermarked. Though no clear start date is known for these issues, there is a definitive end date of 12 May 1860 when production for these trade coins ceased.

1859-60年日本-墨西哥貿易壹圓銀幣。發行於1859年末至1860年5月12日之間。小字版。正面的11點至2點處的光線之間分別印上了四個漢字「改三分定」（定為3分純銀）。此枚以1858年墨西哥共和國雷亞爾（1858-Zs MO）作為主體幣，是日本錢幣中妙不可言的**稀珍**。其魅力不減，於同版中鶴立雞群。中央圖文呈柔和油亮的石板色，邊緣則呈較明亮的金色。戳記壓印深刻，非常醒目。於任何日本錢幣發行中均是登峰造極的珍品，不容小覷。

值得一提的是，根據1858年7月29日簽署並於1859年7月4日生效的《友好商船修好條約》第五條，由駐日領事鎮海亨利·哈里斯提出，墨西哥的「元」可以兌換成3分純銀。直到1859年橫濱開放貿易後，銀幣才開始進行鑄造。雖然此版沒有明確的開始發行日期，但可以明瞭的是其在1860年5月12日結束生產。

A **EXTREMELY RARE** Japanese issue that was never released in circulation, with most of the reported mintage of 10 Million condemned to the melting pot. Some of the most advanced collections of Japanese coinage lack the 1938 5 Sen, with only prior offering of this type being a comparatively inferior MS-65 example that sold in our April 2021 Hong Kong Auction for \$18,000 hammer. This specimen delivers exquisite beauty, with a strong strike and rich details throughout, complimented by strong reflective luster. This example stands alone atop the PCGS population report, and as such, we expect no shortage of excited bids for this wonderful example.

This piece was never introduced into circulation as a result of Second-Sino Japanese War. Nickel was a critical material for the Japanese war effort, and the mintage of 1938 5 Sen met the melting pot to serve the war aims of Imperial Japan. The exact number that survived the melting pot is unknown, though it is very small and almost certainly less than 10 and perhaps fewer than 5. As such, any offering of the type is certain to be a popular offering.

日本昭和十三年五錢。大阪造幣廠。極其罕見，從未發行於流通市場，所鑄造的一千萬枚大多回收熔煉。即便是最高端的日本錢幣集藏，亦從缺此版1938年五錢，上一次面世為本行2021年4月香港春季拍賣會呈獻的高分珍品，獲評MS-65，爾時以\$18,000美金落槌。此枚美不可言，壓鑄精深，纖毫畢現，反射光澤強烈。PCGS評鑒中唯一冠軍分，如此超凡脫俗之品相，定引發拍賣場上的龍爭虎鬥。

作為抗日戰爭時期的產物，此版從未推行作流通。鎳作為戰時的重要原料，此版的回收熔煉對於日本帝國戰物資源起到關鍵性作用。幸存品數量尚不明確，應少於10枚，但是亦有可能少於5枚。因此，無論是什麼品相，此版都不失為廣受追捧的珍品。

Boasting magnificent quality, this silver ducat displays a bold strike that crisply details the designs with virtually no marks or signs of handling. Resulting from its careful storage, rich brown tones appear over both sides, with the addition of some red and orange hues around the standing knight on the obverse as well as the crowned shield on the reverse side. Despite the deep saturations of tone, the luster is not impeded, with exceptional flash appearing in the fields. Absolutely one of the very finest examples of this Napoleonic issue that one could imagine. Tied with one other in the PCGS population reports, it is sure to enhance even the most elite collections of world crowns.

NETHERLANDS EAST INDIES. British Sumatra. Fort Marlbro. 1/2 Dollar, ND (1797). Birmingham (Soho) Mint. NGC VG Details—Corrosion. KM-270; Prid-3; Sch-943. An **EXTREMELY RARE** type, with no other examples appearing on CoinArchives. This piece exhibits both circulation and surface corrosion, but its obverse legend “FORT MARLBRO” remains entirely legible and the reverse, though weaker, displays “1/2 DOLLAR” faintly but unmistakably. Well-centered on its round planchet and toned to a deep brown, this rarity exudes charm and intrigue.

According to Pridmore, this issue was authorized by Governor Bruff and overstruck on 3 Keping host coins. Its purpose appears to have been as an emergency issue, and its solely-English language types suggest that it was only intended to circulate within the small British settlement on Sumatra. It was likely a token issue meant as payment for East India Company troops in lieu of proper silver coinage.

1797年荷屬東印度蘇門答臘英國聯合東印度公司馬爾布羅堡半圓。版別罕見，COINSARCHIVES中查找不到其他紀錄，此枚幣面呈流通痕跡及表面腐蝕，但其正面的銘文“FORT MARLBRO”仍然完全清晰可辨，反面雖然較弱打，但亦明確地顯示“1/2 DOLLAR”。鑄打正中，深棕色調，魅力非凡。

據 Pridmore 所記載，該發行由州長 Bruff 授權，並在 3 個柯平主體幣上進行了重鑄。其目的似乎是作為緊急發行，純英語表明它僅打算在蘇門答臘島的小型英國定居點內流通。這很可能是一次象徵性的發行，旨在代替正常的銀幣來支付東印度公司軍隊的費用。

NETHERLANDS EAST INDIES. British Pulu Penang. Tin Pice (Cent), ND (ca. 1805). Uncertain Mint in Penang. VERY FINE. KM-Unlisted; Prid-Unlisted; Sch-Unlisted; SS-22. Weight: 38.57 gms. Obverse: "GL" in cursive script in plain circle topped by a Chinese countermark; Reverse: Uniface blank. A most intriguing issue from Malaya, this Cent offers much allure as it was unknown to Fred Pridmore when he cataloged the coins of Malaya for his book, *The Coins of the Commonwealth of Nations*. Pridmore later wrote about this piece in an article for the Spink numismatic circular in 1977. This example retains strong details, with only a light touch of oxidation seen on the surfaces. The script is bold, along with the impressed countermark.

NGC VF Details—Environmental Damage. Prid-4; Sch-984E; SS-93B. An interesting copper piece with a rather dramatic mint error. NETHERLANDS EAST INDIES. Netherlands Overseas Company Silver Medal, 1914/1919. CHOICE UNCIRCULATED. Weight: 100.49 gms. Obverse: Large steamer ship at center; airplanes above to left and right; coastal artillery fortifications to left and right; above: "N O T" within nautical border; Reverse: Company arms with port in operation behind. A unique piece that offers a look at wartime economies of the Europe, this medal provides a story of intrigue and historical importance. In 1914 the Great War broke out, with the Allies led by France, the United Kingdom, and Russia pitted in a titanic struggle with the Central Powers, led by Germany, Austria-Hungary, and the Ottoman Empire. Caught in between was the nation of the Netherlands, officially neutral so as not to provoke a conflict with either side, a damaging prospect to a tiny nation. Part of the grand strategy of the Allies was to blockade all goods from entering Germany, reducing the German capacity to wage. However, the neutral Netherlands would not undertake blockage enforcement, as a neutral nation their ports remained open to any vessel with any cargo. This situation irritated the British, as they viewed Dutch ports as the gateway for contraband goods to be smuggled into Germany, highest of all food. Fearful of provoking the Allies, the Dutch acceded to British demands to stop importing contraband goods, however the left the operation to private industry, for fear that direct government action might anger the Germans. A private conglomerate called the "Netherlands Overseas Company" was formed to act as a clearing house for all goods entering the Netherlands. This arrangement appeased the Allies, and the company operated until 1919 and the formal end of hostilities in Europe.

As a memento to this wink and nod arrangement, in 1920 the Company sent these medals out to participants of the scheme as a memento. This medal was gift to Sir Nathaniel Highmore, who during the war worked on the British Committee for Trading with the Enemy. Highmore undoubtedly came in close contact and cooperation with the Company, and this medal serves as a memento to that history. Regarding the technical appeal of the piece, it displays no signs of handling or circulation, with a deep and oft colorful tone throughout. Soft brilliance flashes beneath the toning, enlivening the surfaces. A most impressive and important medal for any collector of naval medals or World War I related medals.

This medal is accompanied by an original letter from 1920 sent by the Company to Nathaniel and reads as follows: Dear Sir Nathaniel, I herewith beg to hand you a medal which has been made in remembrance of the Netherlands Oversea Trust Company, which is now being wound up. Your work during the war brought you repeatedly in relation with the N.O.T. and its representatives and you have always shown on these occasions the kindest interest in our work and a willingness to help us where possible which was highly appreciated here. We hope therefore that this little souvenir of our trust may be agreeable to you.

1914/1919年荷屬東印度銀章。重100.49克。正面：一艘大型汽船居中；左右上方有飛機；左右兩側沿海砲台；上方航海邊框內有"N O T"字樣。背面：公司徽章，背景是運作中的港口。此枚獨特的紀念章展示了歐洲戰時的經濟情況，亦承載了一個引人入勝且具有歷史意義的故事。1914年，第一次世界大戰爆發，由法國、英國和俄羅斯組成的協約國與由德國、奧匈帝國和奧斯曼帝國領導的中央同盟國進行了一場規模龐大的戰爭。荷蘭作為一個中立國家，主張保持中立以避免與任何一方發生衝突，這對於一個小國而言對其前景有所傷害。協約國的戰略之一是封鎖所有進入德國的貨物，以減少德國進行戰爭的能力。然而，中立的荷蘭不會執行封鎖措施，因為作為一個中立國家，其港口對帶有任何貨物的任何船都保持開放。這種情況讓英國感到不滿，因為他們認為荷蘭港口是走私違禁品進入德國的門戶，尤其是食物。為了避免激怒協約國，荷蘭同意停止進口違禁品，但將執行工作交給了私營行業，因為直接政府行動可能激怒德國。由此荷蘭成立了一個名為"荷蘭海外信托公司"的私營企業，作為所有進入荷蘭的貨物的清算所。這一安排亦平息了協約國的怒火，該公司一直運營到1919年歐洲正式結束敵對狀態為止。作為對這一隱晦安排的紀念，1920年，該公司向該計劃的參與者贈送了此獎章作為紀念品。此拍品的紀念章是送給內森尼爾·海默爵士的禮物，他在戰爭期間曾在與敵方進行貿易的英國委員會工作。海默爵士無疑與該公司有密切接觸和合作，此章是對這段歷史的紀念。此枚通體無使用經手或流通痕跡，呈深沉的多彩包漿。包漿下閃現柔和的光芒，令其更具生機。對於任何收集海軍紀念章或第一次世界大戰相關獎章的收藏家來說，此枚可謂扣人心弦、一見難忘。此枚附有1920年該公司寄給內森尼爾的原始信件，信中寫道："親愛的內森尼爾爵士，謹此奉上是枚獎章，以紀念荷蘭海外信托公司的成立，本公司現在正在解散。在戰爭期間，您多次與荷蘭海外公司及其代表進行了接觸，您對本公司關懷備至，慷慨相助，本司不勝感激。此等薄禮，不能相報厚情，敬請笑納"

A massive and always-popular Platinum issue, from a mintage of only 1,483 pieces and **VERY RARE** in any condition. Seldom seen as a type and sure to attract much attention from collectors of platinum multiples.

The discovery of platinum in the Urals of Western Siberia resulted in the production of three new Russian decimal coinage denominations. By the imperial decree of April 24, 1828, platinum coinage was initiated for circulation. The minting of platinum coinage in 19th century Russia was done on a very limited basis and for a period of less than two decades. The new coinage denominations were not well-received by the public, as they were produced in a pale white metal that was unfamiliar in circulation. In 1845, an imperial decree was issued ordering the minting of platinum coinage to cease. Simultaneously, the existing pieces were ordered to be recalled within a six-month period. For this reason, much of the original mintages were redeemed and destroyed, which accounts for their rarity today. As the allowable six-month period was too short for all the platinum issues to be redeemed and destroyed, it is largely responsible for the examples known today.

SARAWAK

SARAWAK. Keping Token, "AH 1247"/1841. James Brooke. PCGS VF-30. KM-Tn1; Prid-30; SS-1. A RARE example of the first coinage of the Raj of Sarawak, issued by James Brooke shortly after its foundation in 1841. These coins were privately struck in Birmingham and imported, and were likely produced over a period of time as they were the only standard coinage of Sarawak in usage prior to 1863. The obverse bears the image of a badger, along with initials of the new Rajah and the date of his succession below, while the reverse die is taken from that of an AH 1247 (1832) Singapore Keping Token. The present example was evidently well-spent, as typical for the issue, but even so appears to be slightly conservatively graded with fairly strong detail remaining.

SARAWAK. Trio of Minors (3 Pieces), 1863. Birmingham (Heaton) Mint. James Brooke. All NGC PROOF-64 Red Brown Certified.

2) 1/2 Cent. KM-2; Prid-57A; SS-5.3) 1/4 Cent. KM-1; Prid-62A; SS-3.

A wonderful gathering of the three copper denominations struck under Rajah James Brooke, all one-year types and all struck in proof. In near-Gem condition, these pieces deliver the crisp detail and glowing luster one would expect of the grade. The fields radiate with a fiery mint red that is tempered by burnished brown tone. A fantastic set of these early Sarawak proof issues, certainly **SCARCE** with this level of originality and eye appeal.

SARAWAK. 50 Cents, 1900-H. Birmingham (Heaton) Mint. Charles J. Brooke. PCGS SPECIMEN-65. KM-11; Prid-1; SS-21; Tan-SC20. Pedigreed by PCGS to a "VIP Presentation Set," although we are uncertain of the significance of this label; the piece does appear to have originated from a set of four silver denominations of the year (sold by Baldwin's Auctions Ltd, Auction 95, Lot 2315), but it may be assumed that these Specimen issues were typically issued in sets, and we are unsure of whom "VIP" might refer to. In any case, A **VERY RARE** opportunity to acquire a premium example of this large-sized silver denomination that elicits heavy competition even in a circulation strike format, let alone as a Specimen. Fully Gem and highly appealing, glowing with gentle luster and an elegant pearly iridescence.

SARAWAK. 5 Cents, 1908-H. Birmingham (Heaton) Mint.
Charles J. Brooke. PCGS SPECIMEN-64. KM-8; Prid-23; SS-13. VERY SCARCE. Lightly glossy with deep mauve highlights. Interestingly, all Specimen 1908-H 5 Cents that we are able to locate share an obverse die with the Specimen 1900-H 5 Cents. This indicates that either this obverse die was saved and recycled over the years, as may sometimes occur with Proof and Specimen issues, or that these Heaton Mint Specimens were potentially restruck at a later date as a whole. The latter theory may be corroborated by the uniformity of the linear die polish lines and overall finish on these Specimen issues given that they are dated from the 1860s all the way until the 1940s. In either case, an exceptionally uncommon and somewhat mysterious issue.

1908-H年砂勞越5分。喜敦造幣廠。極其珍罕。輕微油亮，淡紫色點綴。有趣的是，本行經手過的1908-H年伍仙樣幣與1900-H年伍仙樣幣所用正面模具一致。由此可見，若非該正面模具一直被保留並循環再用，因其多次出現於精製幣或樣幣上，則是這些喜敦造幣廠的樣幣為後期重鑄。由1860年代起至1940年代的樣幣發行均見綫狀模具拋光痕跡，此等一致性可證實先前所述的後一理論。無論如何，此枚都是非同凡響的稀有品。

SARAWAK. 5 Cents, 1913-H. Birmingham (Heaton) Mint.
Charles J. Brooke. NGC SPECIMEN-67. KM-8; Prid-25; SS-13. An **EXTREMELY RARE** specimen with unparalleled eye appeal. Easily the finer of just two examples found at either major grading service, this Superb Gem resides at the pinnacle for this type. Breathtaking luster surrounds the razor-sharp details, working in concert with the splashes of cherry-red and turquoise tones to produce a one-of-a-kind result. A supremely attractive example of this petite silver minor that merits a competitive bid.

SARAWAK. Cent, 1870. Birmingham (Heaton) Mint. Charles J. Brooke. NGC PROOF-64 Brown. KM-6; Prid-32A; SS-9. A captivating and **VERY RARE** proof striking for this date. This near-Gem delivers fresh, bold detail set against clean fields with mirrorlike reflectivity. A rich brown tone coats the surfaces, though vibrant fuchsia and tangerine colors dance along the peripheries and on the reverse fields. Eclipsed by just two examples graded higher at either major service, this is undoubtedly one of the most appealing examples any collector could hope to encounter.

This proof issue is **VERY RARE**, with only one other example, also a Gem, in any color designation listed on the NGC Census. The present specimen offers a bold, crisp strike with hardly any evidence of handling detectable, as expected from a coin of such a lofty grade. The stunning reflective surfaces are moderated by lovely burnished patina that gleams purple in the fields and strengthens to a rich brown on the high points. Exceptional in both strike and preservation, this piece would be a welcome addition to any elite collection of Southeast Asian rarities.

SARAWAK. Brass Pattern 1/2 Cent, 1870. Birmingham (Heaton) Mint. Charles J. Brooke. PCGS SPECIMEN-64. cf. KM-5; cf. Prid-58; cf. SS-6. A stunning example of this enigmatic off-metal strike in brass, offering lovely surfaces that are free of detracting issues and shine with soft satiny luster; it would not be amiss to suggest a higher certified grade than assigned. PCGS has elected to describe the issue as a Pattern, though we question the veracity of this characterization. We are able to trace a total of three examples of the denomination in brass, all three of which are found within the Selvaraj Collection. Each of these pieces was struck from different dies, and the dies used do not exhibit the die prep that might be expected of a pattern, lacking even the heavy die polish lines present upon typical Heaton Mint Specimen strikes. In addition, the die states evident upon these pieces are not convincingly early, as would be expected of a pattern; the present example, for instance, has significant die cracks and die erosion present. In any case, an **EXTREMELY RARE** issue in this composition and one of undoubtedly very few extant.

In addition to its enchanting toning and glistening brilliance, this tremendous specimen striking stands alone as the only such example of the type across both major services. While a few other Heaton Mint specimens have been observed for different dates or denominations, this Victorian minor represents an obviously **EXTREMELY RARE** opportunity for one from the penultimate year in the reign of Victoria. These majestic specimens are so elusive that even Pridmore's corpus makes no mention to any special emissions for the year, merely the 40,000 mintage figure for the year's business strikes.

THAILAND. Mexico - Thailand. International Numismatic Convention 10 Ounce Silver Medal Piefort, 1987-Mo. Mexico City Mint. NGC PROOF-67. cf. KMX-MB1 (5 Ounces). A VERY RARE and elusive medal from the 14th international numismatic convention in Mexico, this piece mirrors the fabled Thai countermark pieces. Beautifully appealing and certain to capture a bid from a collector of Mexican or Thai issues, as this example is more elusive than the 5 Ounce piece cited in *Unusual World Coins*.

TIMOR

TIMOR. Timor - Mexico. Pataca, ND (1900). Carlos I. NGC AU Details—Chopmarked, Cleaned. KM-8; cf. Gomes-01.01. Issued by Decree of 13 June 1900. Countermark: Cross of Christ incuse. Applied to the obverse of an 1862-Go YF Mexico Republic 8 Reales (KM-377.8). An eye-catching countermarked issue struck on an uncommonly early-dated host. Faint but consistent cleaning marks are visible under magnification, as is a curious cross graffito on the liberty cap. Two small chopmarks are easily missed but can be spotted on the obverse rim and above the eagle's tail. Across both sides, the coin exhibits lush toning with blue, purple, and amber mottled throughout along with speckled charcoal gray. Some underlying luster in the fields adds vibrancy to this mélange of color. A highly individual example of the type despite its drawbacks.

1900年帝汶 - 墨西哥壹圓。依據1900年6月13日頒佈之法令發行。戳記：凹聖十字架。加戳於1862-Go YF年墨西哥8雷亞爾（KM-377.8）。賞心悅目的加戳發行，非同尋常的早期主體幣。清洗痕跡微弱但均勻，放大鏡下顯眼可見，上緣的十字戳記亦然。乍看可見兩枚細小的戳記分別位於正面邊緣及鷹尾處。幻彩包漿，藍色、紫色和琥珀色斑駁交接，還見斑點狀的木炭灰色。底板透露絲絲光澤，別增風味。雖有微瑕，但仍是誘人的佳作。

TIMOR. Timor - Mexico. Pataca, ND (1900). Carlos I. NGC AU Details—Chopmarked. cf. KM-8; cf. Gomes-C1.01. Countermarked on a Mexican 1888-Go RR Guanajuato Mint 8 Reales (KM-377.8). This stunning crown displays a prominent Timor countermark at 12 o'clock on the obverse and just one tiny star-shaped chopmark on the reverse below the eagle's beak. The well-struck host coin displays excellent central detail on both sides and a gorgeous purple-gray tone with amber and fuchsia highlights that gleam on the lustrous fields. Certainly **SCARCE** with this unlisted date, the present example is among the most attractive one could hope to encounter.

The Cross of Christ is the insignia of the Order of Our Lord Jesus Christ, founded by Dinis I of Portugal circa 1317-19 and is the symbol of all Portuguese discoveries overseas. In the closing years of the 19th Century Timor, under the authority of Macau, saw a large influx of false coins. In an attempt to mitigate this problem, the above decree was issued and all incoming coins were to be brought to the local government for inspection. If found to be correct, they were marked with the Cross of Christ and placed back into circulation.

1900年帝汶 - 墨西哥壹圓。加戳於1888-Go RR瓜納華托州造幣廠8雷爾斯（KM-377.8）上。正面12點鐘處可見清晰的東帝汶戳記，反面鷹喙下方亦有一細小的星星狀戳記。主體幣壓鑄精良，兩面中央細節細緻，紫灰色包漿中，琥珀及桃紅色若隱若現。該未獲收錄日期珍罕，此枚更是馬中良駒，人中龍鳳。基督十字為十四世紀成立的葡萄牙基督騎士之徽章，葡萄牙海外殖民的象征。由於大量假幣流入殖民地，當地政府被迫通過在所有流通錢幣上加蓋基督十字戳記，以打擊假幣氾濫。此戳記僅出現於墨西哥"Cap & Rays" 8 Reales錢幣上。

1. Auction Basics. This is a public auction sale (“Auction Sale”) conducted by bonded auctioneers, Stack’s Bowers Galleries or Stack’s Bowers and Ponterio (hereinafter referred to as “Auctioneer” and at times as “Stack’s Bowers”). Bidding in this Auction Sale constitutes acceptance by you (“Bidder”) of all the Terms of Sale stated herein. Bidders may include consignors who may bid and purchase lots in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Stack’s Bowers (“Consignor” or “Consignors”). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the Buyer’s Premium charged to all other Buyers. Stack’s Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Stack’s Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRECEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOG. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor’s direction, or pursuant to contractual agreement, Stack’s Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Stack’s Bowers and its affiliates may bid for their own account at any auction. Stack’s Bowers and its affiliates may have information about any lot that is not known publicly, and Stack’s Bowers and its affiliates reserves the right to use such information, in a manner determined solely by them and for their benefit, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Stack’s Bowers and its affiliates are not required to pay a Buyer’s Premium, or other charges that other Bidders may be required to pay and may have access to information concerning the lots that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lots may carry a reserve (“Reserve”). A Reserve is a price or bid below which the Auctioneer will not sell an item or will repurchase on behalf of the Consignor or for Stack’s Bowers. Reserves may be confidential and not disclosed. The Buyer is the Bidder who makes the highest bid accepted by the Auctioneer, and includes the principal of any Bidder acting as an agent.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins, currency and cryptocurrency tokens in this Auction has been determined by independent grading services, and those that are not may be graded by Stack’s Bowers. Grading of rare coins, currency and crypto tokens is subjective and, even though grading has a material effect on the value of the coins, currency and cryptocurrency tokens, grading may differ among independent grading services and among numismatists. Stack’s Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Stack’s Bowers and lot descriptions are based solely upon an examination of the coins, currency and cryptocurrency tokens and are intended to identify coins, currency and cryptocurrency and note any perceived characteristics. However, coin grading and descriptions are subjective. Stack’s Bowers does not warrant the accuracy of such grading or descriptions, nor do they in any way form the basis for any bid. All photographs in this catalog are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer shall have the right to open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone, Internet or telefax; or any other participant in the Auction Sale. Bids must be for an entire lot and each lot constitutes a separate sale. All bids must be on increment as established by the Auctioneer, or half increment (a cut bid). Non-conforming bids will be rounded down to the nearest half or full increment and this rounded bid will be the bidder’s high bid. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to accept or decline any bid, establish bid increments, challenge any bid or bidding increment, to reduce any mail bid received, adjudicate all bidding disputes, to exclude any bidder and to determine the prevailing bid. The Auctioneer shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer’s decision on all bidding disputes shall be binding and final. For the mail and Internet Bidder’s protection, no “unlimited” or “buy” bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder, Telephone Bidder and Live Internet Bidder must bid higher than the highest mail bid to be awarded any lot. Cut bids are only accepted on bids greater than \$500 and each bidder may only execute one cut bid per lot. Bids will not be accepted from persons under eighteen (18) years of age without

a parent’s written consent which acknowledges the Terms of Sale herein and agrees to be bound thereby on behalf of the underage Bidder. The auction sale is complete when the Auctioneer so announces by the fall of the hammer or in any other customary manner.

THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent (“Floor Bidders”) should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, or through our live auction software receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale (“Telephone Bidders” and “Live Internet Bidders”). Except as otherwise expressly provided in these Terms of Sale, NO PURCHASED ITEMS MAY BE RETURNED FOR ANY REASON. All prospective Bidders who examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes to the lot(s). Stack’s Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by such Bidder.

Certain auctions or auction sessions, will be conducted exclusively over the Internet, and bids will be accepted only from pre-registered Bidders.

STACK’S BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. All Bidders should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the Buyer, the Buyer is unconditionally bound to pay for the lot, even if the Buyer made a mistake. Stack’s Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Buyer has taken physical possession of the lot. No participant in the Auction Sale shall have a right to claim any damages, including consequential damages if a lot is withdrawn, even if the withdrawal occurs after the Auction Sale.

4. Bidder Registration Required. All persons seeking to bid must complete and sign a registration card either at the auction or online, or otherwise qualify to bid, as determined in the sole discretion of the Auctioneer. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to be bound by these Terms of Sale. This agreement shall be deemed to have been made and entered in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalog and Terms of Sale. Person appearing on the OFAC list are not eligible to bid.

5. Buyer’s Premiums. A premium of twenty percent (20%) based upon the total amount of the hammer (minimum of \$20), will be added to all purchases of individual lots, regardless of affiliation with any group or organization (the “Buyer’s Premium”). A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer’s Premium.

6. Payment. Payment is due immediately upon the fall of the auctioneer’s hammer. Payment is delinquent and in default if not received in full, in good funds, within fourteen (14) calendar days of the Auction Sale (the “Default Date”), without exception, time being of the essence. Unless otherwise agreed in writing prior to the Auction Sale, all auction sales are payable strictly in U.S. Dollars or Hong Kong Dollars. All invoices will be made in United States Dollars. If paying in Hong Kong Dollars, Buyer’s invoices will be credited with the amount of U.S. Dollars at the rate established by the Auctioneer at the time of the Auction Sale. Payments may be made by credit card, Paypal, Union Pay, check, wire transfer, money order and cashier’s check. Cash transactions will be accepted in the sole discretion of Stack’s Bowers, and if accepted, for any cash transaction or series of transactions exceeding \$10,000, a Treasury Form 8300 will be filed. Contact Stack’s Bowers for wiring instructions before sending a wire. Bank wires sent from a foreign bank are subject to an international bank wire fee of \$35. We accept payment by Visa, Mastercard, American Express, Discover or Paypal for invoices up to \$2,500, with a maximum of \$10,000 in any 30 day period. All payments are subject to a clearing period. Checks drawn on U.S. banks will be subject to up to a 10 business day hold, and checks drawn on foreign banks will be subject to a 30 day hold. Stack’s Bowers reserves the right not to release lots for which good funds have not yet been received. On any past due accounts, Stack’s Bowers reserves the right, without notice, to extend credit and impose carrying charges (as described below). Buyers agree to pay reasonable attorney’s fees and cost incurred to collect past due accounts. Any invoice not paid by the Default Date will bear a five percent (5%) late fee on the invoice amount. Buyers personally and unconditionally guarantee payment in full of all amounts owed to Stack’s Bowers. Any person submitting bids on behalf of a corporation or other entity, by making such bid, agrees to be personally jointly and severally liable for the payment of the purchase price and any related charges and the performance of all Buyer obligations under these Terms of Sale and Stack’s Bowers reserves

the right to require a written guarantee of such payments and obligations. Bidders who have not established credit with Stack's Bowers must furnish satisfactory information and credit references and/or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amount as Stack's Bowers may, in its sole and absolute discretion require before any bids from such Bidder will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of funds.

7. **Sales Tax.** Buyers will be charged all applicable sales tax unless a valid Resale Certificate has been provided to the Auctioneer prior to the auction. Should state sales tax become applicable in the delivery state prior to delivery of the property on the invoice, the Buyer agrees to pay all applicable state sales tax as required by the delivery state as of the shipping date. In the event any applicable sales tax is not paid by Buyer that should have been paid, even if not such tax was not charged or collected by Stack's Bowers by mistake, error, negligence or gross negligence, Buyer nonetheless acknowledges responsibility to pay such sales tax and remains fully liable for and agrees to promptly pay such taxes on demand, together with any interest or penalty that may be assessed by the taxing authority and agrees to indemnify and hold Auctioneer harmless from any applicable sales tax, interest or penalties due. Lots from different Auctions may not be aggregated for sales tax purposes.

8. **Financial Responsibility.** In the event any applicable conditions of these Terms of Sale herein are not complied with by a Buyer or if the Buyer fails to make payment in full by the Default Date, Stack's Bowers reserves the right, in its sole discretion, in addition to all other remedies which it may have at law or in equity to rescind the sale of that lot or any other lot or lots sold to the defaulting Buyer, retaining all payments made by Buyer as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, and resell a portion or all of the lots held by Stack's Bowers, in a commercially reasonable manner, which may include a public or private sale, in a quantity sufficient in the opinion of Stack's Bowers to satisfy the indebtedness, plus all accrued charges, and Stack's Bowers may charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Stack's Bowers. If Stack's Bowers resells the lots, Buyer agrees to pay for the reasonable cost of such sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloging and any other reasonable charges. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Stack's Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Buyer's breach, then to any other indebtedness owed to Stack's Bowers, including without limitation, commissions, handling charges, carrying charges, the expenses of both sales, seller's fees, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Buyer shall also be liable to Stack's Bowers for any deficiency if the proceeds of such sale or sales are insufficient to cover such amounts.

Buyer grants to Stack's Bowers, its affiliates and assignees, the right to offset any sums due, or found to be due to Stack's Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Stack's Bowers; or from any sums due to Buyer by Stack's Bowers, its affiliates and assignees. In addition, defaulting Buyers will be deemed to have granted to Stack's Bowers, its affiliates and assignees, a security interest in: (x) the purchased lots and their proceeds, and (y) such sums or other items and their proceeds, in the possession of Stack's Bowers, its affiliates or assignees, to secure all indebtedness due to Stack's Bowers and its affiliated companies, plus all accrued expenses, carrying charges, seller's fees, attorney fees, and costs, until the indebtedness is paid in full. Buyer grants Stack's Bowers the right to file a UCC-1 financing statement for such items, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Stack's Bowers. If the auction invoice is not paid for in full by the Default Date, a carrying charge of one-and-one-half percent (1-1/2%) per month may be imposed on the unpaid amount until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Buyer agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Stack's Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Stack's Bowers reserves the right to assign its interest to any third party. To the extent that the Buyer for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Buyer, regardless of the title or capacity of such person

or entity. Stack's Bowers shall have all the rights of a secured creditor under Article 9 of the California Commercial Code and all rights of the consignor to collect amounts due from the Buyer, whether at law or equity.

9. **Shipping.** It is the Buyer's responsibility to contact Stack's Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Stack's Bowers may elect not to assume responsibility for shipping or packing, or may charge additional shipping and handling. Stack's Bowers, in its sole discretion, may not ship to select countries. Lots indicated as being "framed" or that are specifically identified in the catalog are shipped at Buyer's risk. All taxes, postage, shipping, if applicable, handling, insurance costs, the Buyer's Premium, and any other fees required by law to be charged or collected will be added to the invoice for any lots invoiced to Buyer. All lots shipped to foreign countries will be billed an additional one-half percent (1/2%) for insurance (minimum of \$10). For any lots delivered outside the country where the auction is hosted, the declaration value shall be the item(s) hammer price plus its buyer's premium. Auctioneer shall not be liable for any loss caused or resulting from seizure or destruction under quarantine or customs regulation or confiscation by order of any government or public authority. Buyer shall be responsible for paying all applicable taxes, duties and customs charges for all lots delivered outside the country where the auction is hosted. All lots will be shipped FOB Destination, freight prepaid and charged back. Title and risk of loss pass to the Buyer at the destination upon tender of delivery. Acceptance of delivery constitutes acceptance of the purchased lots. Inspection of the purchased lots is not required for acceptance. Any and all claims based upon Buyer's failure to receive a purchased lot, Buyer's receipt of a lot in damaged condition, or otherwise related to delivery, must be received in writing by Stack's Bowers no later than the earlier of thirty (30) days after payment, or the date of the Auction Sale (the "Outside Claim Date"). As Buyers may not receive notification of shipment, it is Buyer's responsibility to keep track of the Outside Claim Date and make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim. Orders paid by credit card will only be shipped to the verified address on file with the credit card merchant.

10. **DISCLAIMER AND WARRANTIES.** NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AND PROVENANCE OF A LOT.

ALL THIRD PARTY GRADING SERVICE GUARANTEES, INCLUDING AUTHENTICITY, ARE THE SOLE RESPONSIBILITY OF THE THIRD PARTY GRADING SERVICE AND NOT WARRANTIES OR GUARANTEES OF THE AUCTIONEER. BUYERS SHOULD CONTACT THESE THIRD PARTY GRADING SERVICES DIRECTLY WITH RESPECT TO ANY CLAIMS OR QUESTIONS THEY MAY HAVE CONCERNING THEIR GUARANTEES AND WARRANTIES. BUYERS ACKNOWLEDGE AND AGREE THAT AUCTIONEER IS NOT BOUND BY OR LIABLE FOR ANY OPINION OR CERTIFICATION BY ANY THIRD PARTY GRADING SERVICE.

b. In the case of non-certified coins, currency and cryptocurrency tokens that have neither been examined by the Buyer prior to the Auction Sale, nor purchased by the Buyer or Buyer's agent at the Auction Sale, if it is determined in a review by Stack's Bowers that there is a material error in the catalog description of a non-certified coin, currency, or cryptocurrency token such lot may be returned, provided written notice is received by Stack's Bowers no later than seventy-two (72) hours of delivery of the lots in question, and such lots are returned and received by Stack's Bowers, in their original, sealed containers, no later than fourteen (14) calendar days after delivery, in the same condition the lot(s) were delivered to the Buyer, time being of the essence. Non-certified coins, currency and cryptocurrency tokens that have been either examined by the Buyer prior to the Auction Sale or purchased by the Buyer or Buyer's agent at the Auction Sale, will not be granted return privileges, except for authenticity.

Terms & Conditions – Showcase and Collectors Choice Auctions (cont.)

c. All non-certified coins and currency are guaranteed to be genuine.

d. All certified and non-certified cryptocurrency tokens are guaranteed to be genuine only. Auctioneer disclaims any guaranty of any kind with respect to cryptocurrency tokens, including, but not limited to: face value, the contents or existence of any accounts, wallets, or other physical, digital or other receptacles of value, the existence of a cryptographic private key, or the ability to fund any cryptocurrency. Actual cryptocurrency value is neither confirmed nor guaranteed by Auctioneer.

If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.

e. Late remittance or removal of any item from its original container or third party graded holder, or altering a coin constitutes just cause for revocation of all return privileges.

f. Grading or condition of rare coins, currency and cryptocurrency tokens may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Stack's Bowers. Stack's Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.

g. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.

h. All oral and written statements made by Stack's Bowers and its employees or agents (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Stack's Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Stack's Bowers reserves the right to vary or alter the Terms of Sale, either generally or with respect to specific persons or circumstances, in its sole discretion. Any variation or alteration shall be effective only if in writing and signed by an officer of Stack's Bowers authorized to do so.

i. Stack's Bowers is acting as an auctioneer. Title to the lots purchased passes directly from the Consignor to the Buyer. Accordingly, Stack's Bowers is not making, and disclaims, any warranty of title.

j. Bidders shall have no recourse against the Consignor for any reason whatsoever.

k. Bidder acknowledges that the numismatic and cryptocurrency token market is speculative, unregulated and volatile, and that prices may rise or fall over time. Stack's Bowers does not guarantee or represent that any customer buying for investment purposes will be able to sell for a profit in the future.

l. Bidder acknowledges and agrees that neither Stack's Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be uninterrupted, error free and accordingly shall not be liable for such events.

11. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignees, generally and specifically waives and releases, and forever discharges Stack's Bowers, and its respective affiliates, parents, officers, directors, shareholders, agents, subsidiaries, employees, managers and members and each of them, and their respective successors and assignees from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, tort or otherwise, whether known or unknown, suspected or unsuspected (a "Claim"), which Bidder may assert with respect to and/or arising out of, or in connection with any challenge to the title to or authenticity of any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such Claim is otherwise expressly authorized in these Terms of Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every Claim that may arise hereunder or be related to the Auction Sale, and Bidder hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY."

12. Disputes. If a dispute arises concerning ownership of a lot or concerning proceeds of any sale, Stack's Bowers reserves the right to commence a statutory inter-pleader proceeding at the expense of the Consignor and Buyer and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Stack's Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Stack's Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the Terms of Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Stack's Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.

Any dispute arising out of or related to these Terms of Sale, the Auction Sale or any lot, with the sole exception of actions by Stack's Bowers to collect amounts owed to it and other damages, shall be submitted to binding arbitration pursuant to the commercial arbitration rules of the American Arbitration Association, with any arbitration hearing to occur in Orange County, California. Absent an agreement of the parties, the arbitrator shall limit discovery to that which is necessary to enable the hearing to proceed efficiently. The arbitrator shall not have the power to award punitive or consequential damages, nor alter, amend modify any of the terms of this Agreement. The award by the arbitrator, if any, may be entered in any court having jurisdiction thereof. Each party shall pay one-half the costs of the arbitration. Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive in personam jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue of the arbitration proceeding shall be in Orange County, California; and any court proceeding shall be in the Orange County Superior Court, in the State of California, and in each case waive any claim of Forum Non Conveniens. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. AUCTION PARTICIPANTS EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

13. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. These Terms of Sale and the information on the Stack's Bowers' website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Stack's Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

- 拍賣基準。**本次公開拍賣會（「拍賣會」）由有擔保拍賣商 Stack's Bowers Galleries 或 Stack's Bowers and Ponterio（下文稱為「拍賣商」及不時稱為「Stack's Bowers」）主辦。在拍賣會上競投即表示閣下（「競投人」）接受本文所載的所有銷售條款。競投人可包括貨主，該等貨主可根據與 Stack's Bowers 訂立的委託協議在拍賣會上競投及購買他們自身或其他貨主委託的拍賣品（「貨主」）。在拍賣會競投自身拍賣品的貨主支付的費用可能異於向其他買方收取的佣金。Stack's Bowers 保留在任何拍賣會上加入其自身拍賣品以及聯營或相關公司、主事人、高級職員或員工的拍賣品的權利。Stack's Bowers 可能在拍賣會上的任何拍賣品中擁有直接或間接權益，並且可能收取佣金。以上兩句應被視為目錄中載列的所有拍賣品說明中的一部分。倘若一名貨主回購一個拍賣品，而且該拍賣品獲退還予貨主或按照貨主的指示或根據合約協議以其他方式處理或處置，則 Stack's Bowers 保留權利在已變現價格中如實註明或在已變現價格中忽略一個價格。Stack's Bowers 及其聯營公司可於任何拍賣會上出於自身利益競投。Stack's Bowers 及其聯營公司可能持有有關任何拍賣品的不公開資料，並且 Stack's Bowers 及其聯營公司保留自行決定的方式及出於自身利益使用該等資料的權利，而不需要在目錄、目錄說明或拍賣會上披露該等資料。競投人承認及同意，Stack's Bowers 和其聯營公司不需要支付其他買方可能需支付的佣金或其他收費，並且可能獲得有關該等拍賣品的非公開資料。拍賣會的所有參與者明示放棄由此導致的利益衝突或競爭優勢提出索償的權利。拍賣品可能附帶一個底價。底價是指一個保密價格或競投價，若競投價低於底價，拍賣商將不會出售貨品，並且將代表貨主或 Stack's Bowers 回購該貨品。買方是出價最高而且獲拍賣商接受的競投人，並且包括作為代理人的競投人主事人。
- 說明及評級。**競投人承認，本次拍賣會的大部分硬幣、貨幣及加密貨幣和代幣的評級已由獨立評級服務機構釐定，而其他未獲評級的硬幣可能由 Stack's Bowers 評級。罕見硬幣、貨幣與加密貨幣和代幣的評級帶有主觀性，雖然評級對硬幣、貨幣及加密貨幣和代幣的價值有重要影響，但獨立評級服務機構之間及古幣收藏家之間的評級也可能互有差異。Stack's Bowers 不對獨立評級服務機構賦予硬幣的評級負責，並且不對該評級作出任何保證或陳述。競投人進一步承認並同意，Stack's Bowers 賦予硬幣的評級及拍賣品說明僅單獨基於對硬幣、貨幣及加密貨幣和代幣的考證，並且其目的是註明任何被認知的特徵。然而，評級及說明帶有主觀性。Stack's Bowers 不保證該評級或說明的準確性。本目錄中的所有照片都是實際待拍物品的照片，但可能與實際尺寸有所差別或不符比例，Stack's Bowers 擁有該等照片的版權。
- 競投過程。**拍賣商有權透過代表貨主或其代理人、或以郵件、電話、互聯網或電傳方式競投的競投人、或拍賣會上的任何其他參與者出價，公開或接受任何拍賣品的競投。所有競投均必須以美元下達及執行。競投必須針對整個拍賣品，並且每個拍賣品均構成一筆獨立的交易。未經拍賣商允許，不得將任何拍賣品分拆。除非拍賣商另有指示，否則拍賣品將按其編號順序進行拍賣。所有拍賣品均應作為獨立的拍賣品出售予拍賣商裁定的出價最高的競投人。拍賣商可自行決定接受或拒絕任何競投價，挑戰任何競投價或設置競投價遞增金額、降低已收到的郵件競投價、裁決所有競投糾紛及裁定勝出競投。拍賣商有權但並沒有義務撤回對任何競投的接受，並將該拍賣品再次投入拍賣。拍賣商對所有競投糾紛的裁決具有約束力，並且是最終決定。為保護郵件和網絡競投人，不接受「無限」或「購買」競投。如果某個拍賣品收到相同的競投，將根據拍賣商的決定優先考慮第一個收到的競投。郵件競投將優先於同價的實地競投；實地競投和電話競投人的競投價必須高於最高的郵件競投價才能獲得任何拍賣品。對於未滿十八 (18) 歲之人士，若

沒有收到其父母代表該未成年競投人承認本銷售條款且同意受其約束的事先書面同意，將不會接受該未成年人的競投。當拍賣商透過敲槌或其他慣用方式宣佈交易完成時，一個拍賣品之拍賣即告完成。

這不是試用出售。不管親自還是透過代理到場參加拍賣會的競投人（「實地競投人」），均應仔細檢視自己有意購買的所有拍賣品。不管親自還是透過代理以電話方式競投的競投人，均與實地競投人一樣接受同等待遇，可以積極參加現場拍賣會（「電話競投人」）。除非本銷售條款中另有明確規定，否則任何競投人不得以任何理由退回已購買的物品。在拍賣會之前親自檢視拍賣品的所有潛在競投人需負責競投人對拍賣品造成的任何損害。Stack's Bowers 有權自行裁定所造成的損害的價值，而且該競投人應對此立即予以賠付。

Stack's Bowers 不對競投過程中出現的任何差錯負責。所有競投人應確保對正確的拍賣品進行競投，根據真實意向出價。拍賣商一旦擊槌及宣佈獲勝競投人，即使該競投人出錯，也必須無條件付款購買該拍賣品。Stack's Bowers 保留即使在落槌之後，也可隨時撤回任何拍賣品的權利，直到該買方已經實際取得該拍賣品。即使是在拍賣會之後撤回拍賣品，拍賣會的參與者也沒有權利追索任何損害賠償，包括間接損害賠償。

- 競投人必須登記。**有意競投的所有人士均必須在拍賣會或透過互聯網網上填寫及簽署登記卡或競投表登記參加拍賣。提交競投，即表示競投人承認，競投人已經閱讀拍賣條款和條件及他們競投的拍賣品的說明，並且他們同意受這些銷售條款約束。本協議應視為在加利福尼亞達成。競投人承認，以數字描述拍賣品的發票包括了目錄和銷售條款。

- 買方佣金。**競投人的所有購買均額外收取相等於每個拍賣品獲接受的最後成交總價百分之二十 (20%) 的買方佣金，最低收取佣金為20美金，而無論買方是否附屬於任何集團或組織。或會根據獨立協議向貨主收取回購費用，回購費用可能高於或低於買方佣金。

- 付款。**款項在拍賣商落槌之後即時應付。在拍賣會之後十四 (14) 個日曆日（「違約日」）內未以真實資金全額付款，將一律構成拖欠付款及違約（時間為要素）。除非在拍賣之前以書面形式聲明同意其他形式，所有拍賣款項將以美元及港元款種支付。所有發票將以美元出具。若以港元支付，買方的發票將以賣方的銀行結算所得之美元金額開具。款項可以信用卡、Paypal、銀聯、支票、銀行電匯、匯票或銀行本票支付。僅在Stack's Bowers全權同意准許的情況下接受現金結算，且若現金結算額（一次或多次）超出10,000美元，須填寫表格 Treasury Form 8300。請在發出電匯之前聯繫 Stack's Bowers 以查詢電匯指示。若電匯付款，買家需另付35美元電匯手續費。我們接受以Visa, MasterCard, American Express, Discover, Paypal 或銀聯清付每張總款項於2,500美元或以下之發票，30天內總發票金額不得超過10,000美元。所有款項均有清算期。美國銀行發出的支票需時最多十個工作天，國外銀行發出的支票需時最多三十個工作天。Stack's Bowers 保留拒絕發放尚未收到真實資金的拍賣品的權利。對於到期未付的任何賬款，Stack's Bowers 保留在不通知的情況下授予信貸並收取附加費用（如下所述）的權利。買方同意支付為收回過期未付賬款而產生的合理律師費及成本。任何發單於違約日後到期未付，均會於發票金額上外加百分之五延遲費用。買方個人無條件保證全額償還欠付 Stack's Bowers 的所有款項。對於任何代表公司或其他實體進行競投的個人，進行競投即表示個人同意負責支付購買價格及相關費用，並且履行銷售條款項下的所有買方義務，Stack's Bowers 保留要求出具該等付款及義務的書面保證的權利。尚未與 Stack's Bowers 建立信貸關係的競投人必須提供令 Stack's

Terms & Conditions – Showcase and Collectors Choice Auctions (cont.)

Bowers 滿意的信用證明，及/或支付至少相當於其在本次拍賣會時 218 Terms & Conditions – Showcase and Collectors Choice Auctions (cont.) 段總競投價百分之二十五 (25%) 的保證金，或 Stack's Bowers 根據其唯一及絕對酌情權決定在接受此類競投之前必須支付的其他金額。提交的保證金將用於購買。貨款一旦結清，將立即退還所有剩餘保證金。

7. 銷售稅。買方如沒有於拍賣會開始前已向拍賣商出示有效的轉售證書，將被徵收所有適用的銷售稅。若買方要求拍賣品所運送至的州份在送貨日前已徵收銷售稅，買方將同意在送貨前按送貨目的地州份的要求支付所有適用的銷售稅。對於買方應支付而未支付的任何稅款，即使由於 Stack's Bowers 的失誤、錯誤、疏忽、或明顯疏漏造成的，買方仍負有責任並同意在收到要求時立即支付上述稅款以及可能被稅務局徵收的任何利息或罰金，亦同意免除拍賣商承擔任何責任，包括並不限於所有適用的銷售稅、利息或罰金。不同場次的拍賣，拍賣品可能並不全適用於所有的銷售稅。

8. 財務責任。如果買方不遵守銷售條款中的任何適用條件，或若買方未能在違約日之前全部付款，則除了法律或衡平法賦予 Stack's Bowers 的所有其他補救外，Stack's Bowers 可自行決定保留以下權利：(a) 取消售予違約買方的拍賣品或任何其他拍賣品的銷售交易，同時作為違約損害賠償扣留買方已支付的所有款項，理由是實際損失具有不確定性或難以計算，或 (b) 以商業上合理的方式轉售 Stack's Bowers 持有的部分或所有拍賣品，其中可包括公開銷售或私下銷售，銷售數量以 Stack's Bowers 認為足以償還債務以及所有應計費用為限，並且 Stack's Bowers 可能收取在商業上合理的賣方佣金。可根據 Stack's Bowers 的選擇進行不止一次的此類銷售。若 Stack's Bowers 轉售有關拍賣品，買方同意支付此類銷售的合理成本以及附帶的銷售成本，包括合理的律師費和成本、目錄編製和任何其他合理費用。應透過獲認可的隔夜快遞服務或 U.S.P.S. 掛號郵件並要求回條將銷售通知送達買方在競投表、拍賣寄售和抵押協議中提供的地址或 Stack's Bowers 所知的其他最新地址。銷售收入應首先用於抵銷買方違約造成的任何損害賠償，之後用於抵銷欠付 Stack's Bowers 的任何其他債務，包括但不限於佣金、手續費、附加費用、兩次買賣的開支、合理的律師費、成本、收款代理費用和成本以及所產生的任何其他成本或開支。如果此類銷售的所得款項不足以抵銷債項，買方還需負責向 Stack's Bowers 支付任何差額。

買方授權 Stack's Bowers、其聯營公司及受讓人抵銷任何應付款項或欠付 Stack's Bowers 的任何金額，並利用 Stack's Bowers 持有或控制的任何過去、現在或將來的寄售品或購買品，或利用 Stack's Bowers 或其聯營公司及受讓人應支付予買方的任何金額進行此類抵銷。另外，違約買方將被視為已向 Stack's Bowers、其聯營公司及受讓人轉讓以下的抵押權益：(x) 已購買拍賣品及其所得款項，及 (y) Stack's Bowers、其聯營公司或受讓人持有的款項或其他物品及其所得款項，以作為欠付 Stack's Bowers 及其聯營公司的所有債務以及所有應付開支、附加費用、律師費及成本的抵押，直至清償所有債務為止。買方授予 Stack's Bowers 使用任何可允許的方式完善抵押權益的權利，包括提交對此類物品的 UCC-1 融資聲明，及將此等抵押權益轉讓予 Stack's Bowers 認為適當的任何聯營公司或相關公司或任何第三方的權利。如果未在違約日之前全額支付拍賣發票金額，須對未支付的結餘按每月百分之一點五 (1-1/2%) 的利率支付附加費用，直到付清。如果該利率超過法律允許的最高利率，則該利率將被調整為法律允許的最高利率，並且已超額支付的任何金額將被計入本金。買方同意支付 Stack's Bowers 或其聯營公司或相關公司為了收取過期未付發票金額，或為了解釋或執行本文條款，或在源於或涉及拍賣會的任何訴訟或法律程序中所產生的所有

合理律師費、訴訟費和其他追收欠款費用。Stack's Bowers 保留將其利益轉讓予任何第三方的權利。如果成功投得任何拍賣品的買方是由多過一名人士或一個實體組成，則其中的每位個人或每個實體須共同及個別承擔該買方的所有責任，而不管該等個人或實體的職銜或身份為何。Stack's Bowers 應擁有《加利福尼亞州統一商法》下有擔保方可享有的所有權利，以及貨主向買方追收欠款的所有權利，無論是法律上或是衡平法上的權利。

9. 貨運。買方有責任在拍賣之後聯絡 Stack's Bowers，以安排運輸及包裝事宜。由於某些拍賣品易受損壞，Stack's Bowers 可能選擇不承擔運輸或包裝責任，或就額外的運輸及處理收取費用。Stack's Bowers 可自行決定不運送至某些國家。買方承擔標明「加裝外框」的拍賣品的運輸風險。所有稅款、郵資、運費、(若適用)處理與保險成本、買方佣金及法律要求收取或徵收的其他費用將添加至就任何拍賣品向買方出具的發票。全部運輸到外國的拍賣品將要額外收取0.5%的保險費用(最低10美元)。任何要從拍賣舉行當地出境的拍賣品，其申報價值應為拍品落槌價加上買家佣金。拍賣行不會賠償任何因海關或政府扣押、沒收、損毀拍品等而導致的損失。買方應負責為於拍賣舉行當地以外交付的所有拍品支付所有適用的稅款，關稅和海關費用。所有拍賣品的運輸將在目的地交貨，並且預付及墊付運費。在目的地指示交付之後，擁有權及損失風險將轉移至買方。接受交付即表示接受已購買的拍賣品。檢視已購買的拍賣品並非接受交付之必須條件。基於買方未能收取已購買拍賣品、買方收到的拍賣品受損或與交付相關的其他情形的任何及所有索償，必須在付款之後三十 (30) 天內或拍賣日(「外部索償日期」)

(取兩者中較早者)，由 Stack's Bowers 以書面形式收取。買方可能不會收到運輸通知，追蹤外部索償日期並且及時告知此類索償是買方的責任。未能及時提出索償(時間為要素)將構成對任何該等索償的放棄。使用信用卡支付的發票，拍賣品將會被運至信用卡資料上所確認的地址。

10. 免責聲明及擔保。不對任何拍賣品的適銷性或針對特定目的的適用性作出或暗示任何擔保。除擁有權的擔保外，不對任何拍賣品作出任何明示或暗示的擔保，並且在擁有權方面，拍賣商只銷售貨主在拍賣會日期對該拍賣品擁有的權利或擁有權。所有拍賣品均「按原樣」及具有之所有瑕疵出售。買方特此承擔有關和涉及拍賣品的評級、品質、描述、狀況和原產地等方面的所有風險。

a. 本目錄列載的硬幣、貨幣及加密貨幣和代幣由 PCGS、NGC、ANACS、ICG、PCGS CURRENCY、PMG、PCGS BANKNOTE GRADING、CMC 或任何其他第三方評級服務機構評級及裝盒，除此處明確說明外，均按“原樣”出售，買方不得出於任何原因退還該等硬幣或貨幣。所有經第三方評級服務機構擔保的硬幣或貨幣，包括其真實性，應由第三方評級服務機構承擔全部責任。買方應就任何有關擔保及保證的索賠或問題直接聯繫第三方評級服務機構。買方承認並同意，拍賣商不會對任何第三方評級服務機構的任何意見或認證作出承責或擔保。

b. 對於買方未在拍賣會前進行檢視或未由買方或買方的代理在拍賣會上購買的非認證硬幣、貨幣及加密貨幣和代幣：如果 Stack's Bowers 在審議中裁定，非認證硬幣、貨幣及加密貨幣和代幣的目錄說明存在重大錯誤，則可退還該等拍賣品，條件是 Stack's Bowers 在交付相關拍賣品之後七十二 (72) 小時內收到相關書面通知，並且 Stack's Bowers 在交付之後十四 (14) 個日曆日內收到由原密封箱包裝的該等拍賣品，並且該等拍賣品的狀況與當初交付予買方時的狀況相同(時間為要素)。非認證的硬

幣、貨幣及加密貨幣和代幣在經買方檢視或由買方或買方的代理在拍賣會上購買，除真實性外，不會獲得退貨特權。

c. 所有非認證的硬幣及紙幣，其真實性均受確保。

d. 所有經過認證及未經認證的加密貨幣和代幣都已獲保證是真實的。拍賣商不對加密貨幣和代幣提供任何形式的擔保，包括但不限於：面值、任何帳戶的內容或存在、錢包或其他實體、電子或其他價值容器、私密金鑰的存在，或為任何加密貨幣提供資金的能力。拍賣商既不確認也不保證實際的加密貨幣價值。

如果根據本文條款退還物品，該等物品必須被放置在未開封的原密封箱內。

e. 延遲退還或拆除組成原密封箱的任何物品即構成撤銷所有退貨特權的原由。

f. 罕見硬幣、貨幣及加密貨幣和代幣的評級或狀況可能對已購買物品的價值有重要影響，而且他人的意見（包括獨立評級服務機構）可能與該獨立評級服務機構的意見或 Stack's Bowers 的解釋不同。Stack's Bowers 應不受獨立評級服務機構的先前或此後意見、裁定或認證約束。

g. 有關硬幣作為「幣樣」或「商業製幣」鑄製的問題與製造方法相關，而與硬幣的真實性不相關。

h. 除非明確聲明為書面擔保，否則 Stack's Bowers 及其員工（包括聯營及相關公司）作出的所有口頭和書面表述僅屬意見表述，不屬於任何類型的擔保或陳述，並且 Stack's Bowers 的任何員工或代理人均無權改變或更改本拍賣條款及條件。任何變更只有採用書面方式，並且需經有權簽字的 Stack's Bowers 高級職員簽字後方能生效。Stack's Bowers 保留權利，以行使其絕對酌情權對銷售條款作出一般或針對特定人士或情況的修改或更改。任何修改或更改只有採用書面方式，並且需經有權簽字的 Stack's Bowers 高級職員簽字後方能生效。

i. Stack's Bowers 作為官方拍賣師。所有拍品皆由委託人出品而直接由買家購買，因此，Stack's Bowers 並不會作出任何擔保。

j. 競投人無權以任何理由對貨主提出追索。

k. 競投人承認，罕見硬幣及加密貨幣和代幣市場具投機性、不受規管且非常波動，並且硬幣及貨幣價格可隨時間推移上升或下跌。Stack's Bowers 不保證或聲明任何客戶將能夠在未來出售獲利。

l. 競投人承認並同意，Stack's Bowers 或其員工、聯營公司、代理人、第三方提供商或貨主均未擔保拍賣不會受到破壞、被中斷或出現差錯，並因此不對此類事件負責。

11. 棄權和豁免。競投人代表其自身、繼承人、代理人、繼任人和受讓人就一般情況和具體情況放棄和豁免，同時永久免卻 Stack's Bowers 及其各個聯營公司、母公司、股東、代理人、子公司、員工、其各自的董事會成員及他們每個人以及他們各自的繼承人和受讓人承擔競投人可能聲稱享有的涉及和/或源於或關於對購買的任何商品的擁有權、真實性、銷售本身、競投或寄售的任何拍賣品和/或拍賣之質疑而提出的任何類型或性質的任何和所有索償、權利、要求和起訴、訴訟原因的責任，包括但不限於根據拍賣商的疏忽而提出的索償（「索償」），而不管是依據法律還是依據衡平法、已知還是未知、被懷疑還是未受懷疑的索償、權利、要求和起訴、訴訟原因，惟銷售條款另外授權的索償除外。競投人的意圖在於，此等棄權和豁免應等效於對可能根據本協議提起或與拍賣會相關的每個索償的免除，並且競投人明確自願放棄其根據《加利福尼亞州民法

典》第 1542 章享有的任何及所有權利及利益，章節全文如下：

「一般豁免並不包括債權人及豁免方在簽署豁免書時並不知曉或懷疑可能存在的有利於他/她的索償，且一旦獲知，必定對其與債務人及被豁免方間的清算產生重大影響。」

12. 糾紛。如果出現有關拍賣品擁有權，或有關任何銷售所得款的糾紛，Stack's Bowers 保留啟動申請人及答辯人之間的法定程序的權利，並由貨主、買方和任何其他合適當事人承擔相關開支，並且在此等情況下，Stack's Bowers 應有權收回其合理的律師費和成本。Stack's Bowers 保留以任何理由取消或推遲拍賣會或其中任何拍賣時段的權利。競投人不得就此提出索償，包括基於附帶或間接損害的索償。Stack's Bowers 或其任何聯營或相關公司均不負責因銷售條款、拍賣及拍賣進行中存在的任何問題造成的附帶或間接損害賠償，並且此類責任在任何情況下均不得超過已支付的購買價格、佣金或費用。拍賣條款及條件中所賦予競投人的權利歸屬個人，並且僅適用於最初從 Stack's Bowers 購買拍賣品的競投人。不得透過銷售拍賣品、運用法律或其他手段將該權利轉讓或讓與任何其他個人或實體。任何轉讓或讓與此類權利的意圖應屬絕對無效及不可執行。任何第三方均不得依賴本拍賣條款及條件賦予的任何利益或權利。

13. 一般條款。本拍賣條款及條件及拍賣適用美國加利福尼亞州法律監管，不論拍賣會於何處舉行。任何拍賣或拍賣品

因條款產生或與條款相關之糾紛，除 Stack's Bowers 針對所欠款項或對其造成損害所採取之行動外，將交由仲裁，其所依據之法條為 Professional Numismatics Guild (「PNG」) 條文。所有競投人同意，美國加利福尼亞州法庭，受仲裁須要之限制有解決關於本銷售條款、拍賣會或拍賣品導致的所有糾紛的專屬管轄權，不論任何一方目前或未來的居所。所有競投人亦同意仲裁發生地點為加利福尼亞州橘郡 (Orange County)，由橘郡高等法院執行。競投人同意，除非在拍賣會日期後一 (1) 年內啟動，否則有關本拍賣會的任何法律訴訟將被禁止。Stack's Bowers 網站上的本銷售條款及資訊構成相關當事人就本文所述主題達成的完整協議，並取代有關主題的所有其他協議、諒解、擔保和陳述。如果本拍賣條款的任何部分，或其中任何部分的任何條款或規定被具有有效管轄權的任何法庭裁定為無效或無法執行，其餘部分或某部分的其餘條款和規定將繼續完全有效，且不得以任何方式受到損害或失效。Stack's Bowers 可完全自主決定向貨主或競投人提供貸款或預付款。

14. 中文譯本。中文譯本僅供參考之用。若中英文版本的條款及條件、拍品描述有歧義，應以英文版本為準。

在本拍賣會上競投，即表示競投人無條件接受上述銷售條款。
